

**TOWN OF
TEMPLE, NEW HAMPSHIRE
FINAL MINUTES OF THE PUBLIC MEETING
BOARD OF SELECTMEN
Meeting held on the 10th of January 2013**

Board members present: T. Petro, M Darnell

Call to Order by T. Petro at 5:02 p.m.

1. Subject: Petro informed Darnell about the January 8, 2013 discussion regarding the Timber Top wind project jurisdiction. Petro explained that the Planning Board and BOS do not want the State SEC to have jurisdiction on the wind tower project. Both Boards think that Temple and New Ipswich should have the jurisdiction. The Planning Board voted at its meeting on January 9, 2012 to request the Temple Selectboard work with the Town of New Ipswich to have jurisdiction.

The New Ipswich Board of Selectmen will be contacted for a joint meeting to discuss the potential of working together and possibly hiring one Attorney to represent both towns in this matter.

Darnell agreed that working with New Ipswich and the towns having jurisdiction over this project is a good idea. Darnell also state that he thinks wind towers are power plants and should be treated as power plants, including the taxation of them as power plants.

2. Subject: Move by Petro to adjourn, second by Darnell. Meeting adjourned at 5:15 pm.
