Planning Town Forest Presentation: The public presentation is being moved to the fall. The TCC will use Eric's capstone presentation as part of the show. The TCC will invite Gail Cromwell, the new Selectperson, to a meeting before the public presentation to share information with her about the Town Forest and rationale for an easement.

TCC visit to Town Forest with John Nute: *Bruce will contact John Nute to arrange dates for this visit between May 6 and 12 if possible.*

File cabinet location: Members discussed moving the map file cabinet from the attic of the Town Hall into the upstairs meeting room of the Annex. Plans will be finalized at the next meeting.

Question of changing regular TCC meeting date: Honey suggested that members consider changing the date of meetings from the second to the third Monday in order to better accommodate John Kieley's schedule and possibly that of others. *She will contact members to get a sense of the interest in changing the date.*

Ledges key: Eric has given his key to Dave, who now has two keys.

Ash disease: Several members have taken note of the emerald ash borer beetle's first reported arrival in NH last week. This is a very serious threat to ash trees, and the State is taking measures to try to control its spread.

Meeting ended at 6:45 pm. The next meeting is on Monday, May 13, at 6:00 PM.
