Warrant Articles 2018

To the inhabitants of the Town of Temple, NH in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Thirteenth Day of March 2018 next, at Seven o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (3/5 majority vote needed) (By petition).

Article 3: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance Section II: Definitions, to delete the current definitions of Agriculture/Farm/Farmstand and Farmstand, and insert the definition "Farm, Agriculture, Farming: See RSA 21:34-a I, II, III, IV, V."

THE POLLS SHALL OPEN AT SEVEN O'CLOCK IN THE MORNING,
AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE
EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Seventeenth Day of March 2018 next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the town will vote to raise and appropriate the sum of \$1,315,165 for town charges as the operating budget and other necessary maintenance and operating expenditures. (Select Board Recommend)

Article 5: To see if the town will vote to make the office of the highway agent an appointed one and, further, to authorize the select board to appoint a highway agent who, under the direction of the select board, shall have the duties specified in RSA 231:62, beginning with the expiration of the term of office of the current Road Agent in 2019. This vote shall continue in effect until changed by major vote at an annual or special meeting. (Select Board Recommend)

Article 6: To see if the town will vote to raise and appropriate the sum of twenty thousand dollars (\$20,000.00) to be placed in the Highway Vehicle & Equipment Capital Reserve Fund previously established by Article #8 at the March 12, 2011 Town Meeting and amended by Article #11 at the March 16, 2013 Town Meeting under the provisions of RSA 35:1 (Select Board Recommend)

Article 7: To see if the Town will vote to authorize the Select Board to enter into a 3 year inter-municipal agreement for provision of police services pursuant to RSA 53-A with the Town of Greenville on such terms and conditions as determined by the Select Board and approved by the Attorney General's Office. This article is contingent upon passage of a similar warrant article by the Town of Greenville. (Majority Ballot vote required) (Select Board Recommend)

Article 8: To see if the town will vote to raise and appropriate the sum of fifteen thousand six hundred dollars (\$15,600.00), which is 39% of the total cost, for the purpose of purchasing a new cruiser for the Temple/Greenville Police Department and registered in the name of the Town of Greenville. This article is contingent upon passage of a similar warrant article by the Town of Greenville for the remaining cost of the cruiser. (Select Board Recommend)

Article 9: To see if the town will vote to raise and appropriate the sum of two hundred fifty seven dollars (\$257.00 for The Monadnock Crisis & Prevention Center. (This expenditure would become part of the budget in subsequent years if passed).

Article 10: To see if the town will vote to establish a committee to study holiday lighting for the town center and report their findings to the town. This will be an unpaid volunteer committee. (Select Board Recommend)

Warrant Articles 2018

Article 11: To see if the Town of Temple will commit to 100% Renewable Energy no later than 2030. Temple set a great example during our fight against Kinder Morgan and we feel that we can lead the way again to move forward to a clean and renewable energy future for our children and grandchildren. (*By petition*)

Given under our hands and seal this 13th day of February in the year of our Lord, Two Thousand and Eighteen,

Ken Caisse, *Selectman*

Gail Cromwell, *Selectman*

Bill Ezell, *Selectman*

A True Copy of This Warrant – Attest:

Select Board Report

The year of 2017 was one of change. We have reorganized the board employees to create separate positions for assistant to the board, bookkeeper, and webmaster, and also now have software that is simpler, faster, better supported, and that dramatically reduces the time that was being spent doing manual operations. As a result, we are saving significant amounts of money not only on salary, but also on the software itself. We have also implemented a number of operational improvements to streamline the office workflow and to have better traceability of expenses and expense authorizations.

Our webmaster has greatly improved the town web site, making it easier to find the information people need. It is now an excellent source of town information, including easy-to-find tax maps, tax cards, and event schedules. Please try it out.

A new email service, Gmail, is now being used. This replaced the limited Comcast email we were using. This allows us more mailboxes and allows us to easily add more for any town organizations that would like a town account.

The town has had higher legal costs due to a number of zoning cases, and several of these cases are ongoing.

The state continues to shift more costs down to the towns without consideration of how these shifts affect our property taxes. These constant increases are a concern and the board will continue working to control them.

Good news, we received a special grant from the state to fund local highway improvements in the amount of \$62,218. Our highway department has found good use for these funds over the next two years.

We have held the town tax rate level without depleting our surplus fund. However, we only control a small percentage of our budget. School taxes are still by far the largest part of our tax bills (72%) and the future of our elementary school is still in doubt. We encourage citizens to make their feelings known to the school board.

We expect continued improvements in this coming year, and we hope you will make use of the town website and town offices. We welcome your suggestions and ideas.

Finally, we couldn't have done this without the support of our new office staff. They are doing a wonderful job. Please stop by the office and meet them if you haven't already done so.

Respectfully yours,

Ken Caisse
Gail Cromwell, *Co-chair*
Bill Ezell, *Co-chair*

Camilla Lockwood

Capital Improvements Program Report

The New Hampshire legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP) was developed in 2004 with assistance from all of the Town's Departments. The resulting plan was intended to be a living document that would be updated each year to reflect the Town's changing needs. The CIP Committee has updated that plan in each subsequent year providing recommendations to the Select Board for consideration at Town Meeting.

The CIP Committee's goal is to keep the Capital Improvements budget as flat as possible, while emphasizing protection of current infrastructure and town services. In 2017/18 the CIP Committee met and/or communicated with each town department reviewing and discussing all potential revisions for the 2018-2027 CIP Plan. To assure continuity of discussion from year to year each department also provides a CIP *Expenditure Request Form* as well as up-to-date written quotes for all items requested.

This year the CIP Committee also had discussions regarding both capital reserves and grants:

Capital Reserves: The CIP recommends targeting a consistent, yearly tax impact of approximately \$115,000 to \$120,000 to cover all capital expenditures for Temple. This value was selected based on past data and future projections to be sustainable for the Town's needs into the foreseeable future. The advantage of a consistent tax impact is that taxpayers will be shielded from the impact of year to year fluctuating capital expenditures. To achieve this goal, the CIP recommends the use of Capital Reserve accounts (to which funds would be added or subtracted to achieve the targeted tax impact) in conjunction with bond or lease financing when appropriate.

The Highway Department plan has three large vehicle replacements in 2020, 2021 and 2028 (totaling approx. \$509,000). The Fire Department also has two large vehicle replacements due in 2023 and 2026 (totaling approx. \$515,265). In order to avoid future tax spikes the CIP committee approved a recommendation to the Select Board that the Town place warrant articles for substantial amounts to be deposited in a Capital Reserve for Capital Equipment starting in 2018.

Please see the Graph and Spread Sheet for the smoothing out effect that occurs with a Capital Reserve account in conjunction with bond financing. The graph shows the scheduling of infrequent large expenses, in dark grey. The effect of using bond financing and Capital Reserves to spread these expenses over time is shown in light grey. (see graph on following page)

Grants: We continue to request that each Department research and apply for all available grants in the year prior to the year that a capital expense is requested. Temple's Fire Department, Highway Department and Municipal Office have had great successes being awarded grants and the CIP wishes to encourage early applications so we can better plan for a smooth bottom line.

A copy of this year's CIP reports (including both the Narrative and Spreadsheet) may be picked up at Town Meeting or the Municipal Building. It is also available on the Town Website TempleNH.org.

Capital Appropriations With vs Without Smoothing

The graph above shows the scheduling of infrequent large expenses (Purchases Due), and the smoothing out that occurs using Financing and Capital Reserve.

Continued on next page

Capital Improvements Program Report

For 2018, the ongoing bond payments are:

Fire Department: 9 Air Packs, Air Cylinders, and Booster were purchased in 2014: The price was \$62,500 but due to a generous anonymous donor contribution of \$5,000, the cost to the town was reduced to \$57,500. This amount was financed for 5 years at 2.29%. The 2018 payment of **\$12,192** will be the fourth of 5 payments. Interest paid over the 5 years will be \$3,410.

Highway Department: The 2014 International Dump Truck was purchased in 2013 at a cost of \$160,258 and financed at 2.15% for six years. Total interest will be \$12,128. The 2018 payment of **\$28,464** is the fifth of 6 payments.

Highway Department: The 2015 Loader was purchased in 2015 at a cost of \$117,500 and financed at 2.50% for three years. Total interest will be \$5,875. The 2018 payment of **\$41,126** is the last of 3 payments.

Kathy Boot

For 2018, the CIP Committee recommends the following:

EMS: The CIP recommends the Ambulance and both Cardiac Monitors be replaced in 2018. The Town of Wilton will purchase these Items with a multi year lease agreement. Temple's share will be expensed through the Temple annual budget.

Police Department: The CIP recommends a warrant article of \$15,600 for a new Police Cruiser.

Highway Vehicle/Equipment Capital Reserve Fund: The CIP recommends a warrant article placing \$20,000 in the Highway Vehicle/Equipment CRF.

Respectfully submitted by the Capital Improvement Committee:

Connie Kieley, *Chair*, Mary Beth Ayvazian, Tedd Petro, Gary Scholl,
and Select Board liaison Ken Caisse

Lilliane Lebel

Budget Advisory Committee

The Budget Advisory Committee (BAC) provided the Temple Board of Selectmen (BoS) with a recommended operating budget of \$1,224,494 which includes the BoS approved salary increases and adjustments, but exclusive of previously committed debt service. The total proposed budget before Warrant Articles, \$1,304,443, is around 1.5% less than the approved budget for 2017 and around 3.2% higher than the actual expenditures in 2017.

The BAC began the year with a six item, “Scope of Work,” which was approved by the BoS. The committee completed five of those items. Due to restructuring changes to municipal staff and pending financial software changes at year-end, the sixth item (“Cross reference current expenditure line items to enable alternative data views of Town expenditures”) will be carried over into 2018.

Issues for 2018 which are worthy of note include:

- 1) Our shared Resources
 - a. Temple Greenville Police: Up 10.7%
 - b. Wilton Ambulance: Down 8.5% due to improved collections but, budget increased \$9,896 for 7-year lease of ambulance and heart monitors in lieu of \$60,000 in capital obligations
 - c. Wilton Recycle Center: Up 3.7%
- 2) Our budget is generally consistent with 2017 with a few exceptions reflecting:
 - a. Town Administration has been changed to reflect restructuring of jobs and consolidation of resources and supplies
 - b. An increase in the number of elections to be held
 - c. Code enforcement has been increased to reflect continued growth
 - d. Energy line items are increased to reflect projections for electricity and diesel fuel
 - e. Welfare Vendor Payments have been reduced to reflect a continued trend

The BAC is most appreciative of time and support provided by the BoS, department heads, and the valuable support provided by the municipal administration team.

Respectfully Submitted,

Steve Concordia, Gail Cromwell, *Ex-Officio*, John Kieley,
Christine Robidoux, Gary Scholl, *Chair*, Ken Sullivan

Board of Selectmen
Town of Temple
P.O. Box 191
Temple, New Hampshire 03084

Dear Board of Selectmen:

During the course of our 2016 audit we identified certain areas where improvements and/or efficiencies could be made that were not included in a formal management letter. The following summarizes these issues very briefly:

- During our testing of disbursements, we noted that 7 out of 25 invoices selected were not signed documenting approval. We recommend all invoices be signed by a knowledgeable individual.
- During our review of the recreation special revenue fund, we noted that there was no formal list of outstanding checks. We recommend that a list of issued, cleared, and outstanding checks be maintained for the recreation checking account.
- During our review of cash, we noted that an updated collateralization agreement was not available. The Town should obtain and retain an updated collateralization agreement annually to support their collateralized cash balance.

We encourage the Town implement these recommendations in order to improve controls and efficiencies. I will be available to discuss these with you in more detail at your convenience.

Sincerely,

A handwritten signature in cursive script that reads 'Frank R. Biron'.

Frank R. Biron, CPA
President

The complete Auditor's Report is available on the town website.

Highway Department

We started the year with only a little snow and rain which disappeared by the middle of January. We continued back and forth with snow and rain for a few more weeks until, finally, in the middle of February, we had a couple of 15" snow storms with a few smaller storms in between. Snow piled up enough so that we had to wing back the snow banks with the grader.

Then, as fast as it had come, it began to disappear with the 50° temps that we had. A wind storm came through on March 2 and knocked 10-12 trees down into the roads, many into the power lines. It took us 2 days to clean up the mess from this storm.

We started to do some of our spring cleanup projects, but we were stopped short by an 18" snowstorm on March 14, Voting Day. Voting was postponed to Thursday, March 16. Winter was back with several more snow and ice storms with 12" of snow on April 1st. Spring came back again after that, but temperatures stayed on the cool side with many of us still running our heat well into the middle of May.

We spent May and June ditching and grading roads, cleaning culverts, mowing lawns, etc. Our main focus in July was preparing Webster Rd. and North Rd. for new pavement. We replaced a couple of underground culverts and added 100' of underground drainage, and cleaned all of the remaining culverts. Webster Rd. was paved from Rt. 101 out to the North Rd intersection on August 9th. The week of August 21 was spent installing a new 5'x7' cement box culvert on Thomas Maynard Dr.

We received a check for \$62,218.00 in August from the State of NH to be spent on the Town Roads. This money was in addition to the monies that we had in our budget. We spent \$24,824.00 of this money to spread over 2000 ton of gravel on Howard Hill Rd., which was in desperate need of it. The remaining \$37,394.00 will be used to install a box culvert on Moran Rd. in 2018.

September and October were spent piling our winter sand, grading gravel roads, and preparing for winter. We got 4.5" of rain between October 24-26 and another 5" of rain between October 29-30. It was too much for the culverts to handle between the high winds, all the leaves, and tree debris on the ground so

we had several sever washouts around town. It took a week and about 600 ton of gravel to repair the mess. Fortunately, November was fairly mild and snow-free, so we were able to put all the roads back together and prepare them for winter. Winter returned in December with numerous snow storms and some ice. We had about 7" of snow on Christmas Day, which many people just loved.

We will be working a lot on Colburn Rd. next summer, replacing several culverts, ditching, patching, shimming, and san-sealing. East Rd. and Josiah Ln. are also due for sand sealing. The culvert replacement project for Moran Rd. will be done during the driest time of the year, probably in August. This project will take about a week to complete and traffic will be detoured around a temporary bypass.

Respectfully submitted,

Timothy P. Fiske, *Road Agent*

Tamora Andrews

Special Highway Grant

Received\$ 62,218.00
 Spent 24,886.16
Remainder \$ 37,331.84

The State Legislature awarded Highway Grants to Towns under Senate Bill 38.

The funds can only be used for items not currently budgeted by the Highway Department. Unspent funds may be carried forward.

The Grant does not appear in either 2017 Revenues or Expenditures as the funds must be accounted for separately.

Tim Fiske

Cemetery

The maintenance in the cemeteries this year was fairly standard. We are having some trouble with an infestation of grubs. We did spend quite a bit of money on grub control in Miller Cemetery. This is an ongoing problem, so we will need to treat the cemetery again in 2018.

Kai Nalenz came in again this year to repair some broken and damaged monuments in East Cemetery. He repaired approximately 20 stones. We plan for him to return in 2018 to repair more stones. The Cemetery Trustees are grateful to the 250th Fund for its donation of \$1,000 towards this project.

The Cemetery Trustees are looking into dedicating a specific section of East Cemetery for “green burials”. If you have any questions about what this is or want to be involved, please contact the Trustees on the Temple Town website.

Respectfully submitted,

Timothy P. Fiske, *Cemetery Supervisor*

Lilliane Lebel

Temple-Greenville Police Department

One of the ways that I judge how well we are doing as a Police Department, is to look at our past and present statistics. The tendency is to believe that there is more crime today than yesterday. The fact is that most of our crime today is less than it was in the 1970s, 80s, and 90s, (based on previous Town reports). Crime has shifted from the streets, to the world of electronics. Identity theft, computer hacking, along with social media crimes are now all too common. These crimes take up much of our Officers' patrol time. The opioid crises continues to be a national crisis that affects us all. This department is committed to fighting this epidemic from all sides. If you know anyone who needs help, please dial in NH 211, or call NH State wide addiction Crisis Line 1-844-711-4357

We welcome Officer Mike Heikkila (full-time), along with Officer Jesse Hyam (part-time), to the Department. Both Officers did a great job at their respective academies. Another addition to the Department was a new Radar trailer. This was purchased through a State grant along with non-taxpayer funding. We have placed the Radar trailer on various streets in Temple and Greenville with positive results. This will continue as conditions permit.

My thanks go to all the dispatchers who keep us safe. The men and women of The Hillsborough County Sheriffs do a tremendous job under difficult conditions. A special thanks to lifelong Greenville resident and dispatcher Marcel Bernier, who retired this year after 25 years of service.

Respectfully Submitted,

James H. McTague, *Chief of Police*

Town of Wilton Ambulance Service

In 1974, the Wilton Lyndeborough Volunteer Ambulance and Rescue Association began to serve the community with volunteer ambulance staff. In the forty-four years since, the department has undergone many changes that have led to its present composition. We are a 24 hour a day 7 day a week advanced life support (Paramedic) level service that provides service to three community's. We have a very dedicated staff of over 20 people who help make up the department. From volunteer drivers and apprentices to the EMT's and Paramedic's. We utilize several models to staff our units from on call to paid shifts, with most being on call. As the department continues to evolve we are insuring that we are ready to meet the ever-changing demands of today's emergency health care needs

The Town of Wilton Ambulance has undergone tremendous change over the course of this past year. Longtime Chief Gary Zirpolo stepped down and the town had to find a suitable replacement. I was appointed as the Chief in October of this year and have been tasked with increasing recruitment, decreasing response times and conducting a total system review. Over the past several years due to the economy and many other contributing factors our infrastructure at the department has been neglected. We are addressing these issues presently. The department is looking at several progressive ways to increase recruitment and retention such as a comparative wage analysis between three surrounding communities.

As for staffing many of our drivers have or will very shortly be transitioning to full licensed providers. This will allow us to fill presently open shifts. We are constantly on the lookout for new recruits. We have an apprentice program; this program allows us to help young men and women age 16 to 18 to learn and grow into adult licensed providers. The department is making great strides to be a more proactive service to our community. We will be conducting open houses and other community events over the course of this coming year. We hope that you the towns people will continue to support us to bring about the best possible service to the community.

I look forward to working with all our public safety partners to continue to bring to you the highest level of care. I encourage any resident that wishes to find out more about the services we provide and what we do to come by the station

any week day from 8am to 4pm. Please know that if you or a loved one experience a medical emergency, my staff and I stand ready, willing and able to respond to all your emergency medical needs. I would like to take this time to thank every member of our service for their dedication to our communities.

Steve Desrosiers , NRP, *Chief of Department*

Total	495	100.0%

Don McElreavy

Volunteer Fire/Rescue Department

2017 has come and gone! This was an average year for the Temple Volunteer Fire Department. We had 100 calls which is about our average. We average about 100-110 calls a year. We provided Mutual Aid several times this year. We had higher than average amount of Medical calls this year in town.

This year we had three new members join us, Debbie Harling, Bill McDonnell and Eric Fischer. Welcome aboard!

We had some good drills this year using our Jaws and SCBA. Things are always changing and they are finding different and better ways to keep us safe and we do our best to keep up with those changes. We had an Instructor come in and do a class for us called "Surviving The Insult." It was a fantastic class on reading smoke and Fire Dynamics. This helps as there are a lot of fire fighters who experience rapid fire injuries.

Deputy Chief Matt Bruneau decided to step down at the end of 2017. We thank him for the outstanding job he did as Deputy Chief and it will not be the same without him as Deputy.

Our Officer Positions for 2018 will be as follows: Chief – George Clark, Deputy Chief – Ken Caisse, Fire Captain – Will Wildes, Rescue Captain – Luke Peterson, 1st Lieutenant – Mike Connolly, 2nd Lieutenant – Cody Charron, 3rd Lieutenant – Art Kelley.

As Chief I look forward to working with all the members of the department and the Officers in 2018 as we continue to improve our department.

TVFD is always looking for volunteers to come join us. As a volunteer department we are looking for assistance in any capacity that an individual is able to give. Such positions include: Firefighters, Fire Scene Support Personnel, Drivers/Operators, Incident Support Personnel, First Responder EMT's, and Maintenance personnel. Training is not necessary. We provide the equipment and the necessary training as well as all the support that you need to become a safe member of the department. It is our ultimate goal to have every member return to their family after each call. TVFD accepts and encourages individuals from age 14 on up to join. Please contact a current member or email Chief Clark at TVFDcl@gmail.com .

In closing I would like to thank all my Officers and members for a fantastic job done this year. I Would like to say congratulations to Ken Caisse for receiving firefighter of the year in 2017.

Respectfully submitted,

George Clark, *Fire Chief*

Temple Town Forester

For the tax year April 1, 2016 through March 31, 2017, the Town received four Reports of Wood or Timber Cut. Yield taxes assessed for these harvesting operations totaled \$5,856.42. As of January 18, 2018, eight Intents to Cut have been filed with the Town for the current tax year. Timber harvesting operations in town have increased somewhat over the past couple of years as can be seen by the increase in Intents to Cut for the current tax year. Good quality white pine and hardwood continue to be in demand. Hardwood stumpage prices, especially for red oak, continued to increase over the past year. Much of this is due to a strong demand for red oak veneer which is being exported to China. The market for low-grade material, primarily pulp and whole tree chips, has not improved over the past year which I expect to continue this way through the winter and possible into next summer.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by May 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. This value is not based on the actual price paid for the forest products but on average values provided by the State. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by May 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to May 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully Submitted, Allan Oxman, *Licensed Forester #67*

Kate Bergquist

Forest Fire Warden & State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildland fire activity throughout the state. September and October saw fire conditions change and the state was faced with some difficult fires. The Dilly Cliff fire in North Woodstock was one of the most challenging fires we have seen in New Hampshire. Steep terrain and extreme fire behavior made this fire difficult to fight. It lasted for over 3 weeks and the final hotspots in inaccessible terrain were extinguished by heavy rains. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2017 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

As we prepare for the 2018 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdf.org.

Animal Control

2017 has come to a close. Statistics below show a slight increase in some categories and a slight decrease in others. Wild animal complaints doubled. A word of advice, if you see a wild animal acting strange please call Animal Control. Do not attempt to approach it yourself.

Dog Owners please remember that all dogs over the age of 4 months old must be licensed by April 30th of each year, RSA 466:1. The dog tag should be placed on a collar that is around the dogs neck. Not only will this help me return your pet if it gets lost, but it is the State law.

Allan Pickman

Planning Board

It was another busy year for the Planning Board. After the March elections the board welcomed back Tedd Petro and Allan Pickman, and also new member Bill Ezell as ex-officio. The following slate of officers was voted in to serve for the year: Chairman – Allan Pickman; Vice Chair – Bruce H. Kullgren, Jr.; and Secretary – Tedd Petro.

An application initially submitted in 2016 to create a 6-lot subdivision was finally approved for 5 lots. Also reviewed was a preliminary proposal for a lot line adjustment on a 50+ acre parcel, which was placed on hold by the landowner.

Approved Requests to the Planning Board			
Date apprvd	Applicant	Map/Lot	Type
02/01/11	Estate of Helen Davis	8-20	5-lot subdivision
on hold	Randy Martin	9-13	lot line adjustment

Zoning amendments offering minor changes to language for Accessory Dwelling Units (ADU's) were crafted and a public hearing was held. These revisions were presented to voters by ballot in March and were accepted by the town.

Updates to the town's Driveway Regulations were suggested, and after extensive discussion the board held a public hearing and then voted to approve the revisions.

A request was received from the Selectmen to consider the status of a Building Permit application for a commercial property that had previously undergone Site Plan Review. The Planning Board reviewed the history and status of the property, and determined no further action by the Planning Board was warranted at this time.

The board spent months working on updating the Master Plan, and this work will continue into the following year. One major element was creation of a Vision Statement. This process involved research of content from other towns, a courtesy consult from professional planner Carol Ogilvie, drafting an initial

document, and obtaining public comments. Further efforts in the next year will include crafting a survey to be mailed to all residents, and holding a public forum. Southwest Region Planning Commission was hired to revise three important technical chapters.

Near the end of the year there was extensive discussion about proposed zoning amendments for agriculture. Key elements included updating the definition of agriculture to comply with the State definition, regulating agritourism endeavors, mandating Site Plan Review for agriculture, and defining commercial agricultural enterprises. The board intends to hold a public forum to address these issues.

Other tasks accomplished this year included updating the town's tax maps, and revising the schedule of subdivision fees to more accurately reflect the town's time and costs.

My thanks go to board members and to Betsy Perry for all their hard work and dedication during the past year. Special thanks to Rose Lowry for her time and expertise in creating Vision Statement Survey.

Respectfully submitted,

Allan Pickman, *Chair*

Sally Mann

Zoning Board of Adjustment

The role of the Zoning Board of Adjustment (ZBA) is to:

- a. Grant variances to the Town's Zoning Ordinance
- a. Make Special Exceptions as permitted under the Town's Zoning Ordinance and
- a. Hear appeals of administrative decisions made by Town Boards.

During 2017, the ZBA heard one appeal case. The Board finalized its Rules of Procedure and Application form both of which are available on the Town website or by request at the Town office. The Board also undertook training provided by the New Hampshire Municipal Association.

The Board would like to thank Dave Martz for his many years on the Board. Current members of the Board are Mary Beth Ayvazian (Chair), John Kieley (Vice Chair), Bill Ezell (Alternate), Honey Hastings, Greg Robidoux and Sydney Thomas.

Conservation Commission

In 2017, the Conservation Commission conducted a project to inform and advise Temple residents of well water safety and testing. On April 4, 2017, a well water safety presentation featured Lou Barinelli of NH Health and Human Services who explained the benefits of well water testing. Following the presentation, the Conservation Commission distributed water-testing kits to concerned attendees. For those that missed the presentation, more kits were available at the library as well as other locations in town. Following directions, participants gathered their water samples on the following Sunday and delivered them to Town Hall the same day. Each homeowner chose which tests they wanted to pay for since drilled wells and dug wells have different risks. Commission members collected the kits and delivered them to the Concord testing site. Homeowners received test results directly; results were not shared with the Commission or town officials. Given feedback from participants, the project was a resounding success. Plans are underway to conduct more well water education and testing for 2018.

In coordination with Library Trustees, the Commission is pursuing having other experts talk in town. Some topics considered are tree health, values of natural lawns and meadows, and backyard composting.

The Commission also spent considerable meeting time reviewing files and documents from former secretary Bruce Kanter. The group found some documents that may be of interest to the Temple Historic Society.

Commission members spent time discussing an ongoing project to create a trail connecting the Chris Weston Conservation area to trails on west side of Senator Tobey Highway (Route 45) leading to Temple Mountain. The goal is to start building a connected network of trails that are open to public and safe to use. This project is ongoing into 2018.

Lastly, the Commission said good-bye to two long time Commissioners, John Kieley and Dave Repack. Both have been core leaders of the Temple Conservation Commission for over 10 years. The remaining members are very thankful for their service and time on the Commission. They helped establish good work protecting Temple's natural resources, which the Commission continues to pursue.

Respectfully submitted, Sean Radcliffe, *Secretary*

Mansfield Public Library Report

First, I would like to thank the citizens of Temple for approving our closet addition! It is a wonderful help to us in making your library serve you better.

Children's reading group met at the library on Friday mornings from March 10 – April 14. Several children and parents enjoyed stories and playtime together.

We sponsored a visit from the Wildlife Encounters program, based here in NH. There were 68 people at the program and we all learned something and had so much fun! The program included a 16 foot albino Boa, a Serval Cat and an Anteater! Wildlife Encounters rescues unwanted exotic animals and local wildlife in danger.

We did a Summer Reading Program for 4-6 year olds on Mondays in July and August. Toddler Reading Group met in October on Tuesdays.

We sponsored folk singer and historian Jeff Warner for an afternoon of historic songs performed on the instruments of the time. We had 38 people attend and everyone had a great time with Jeff.

We put in a new storm door on the front of the building this year, replacing the old, warped one. It looks great and makes the Library less drafty.

Our total circulation number includes the following: Books, E books, Audio books, DVDS, Music, Cake Pans, Puppets and Magazines. **Total: 5205**

Thank you to our wonderful Pie Bakers! We had several of our super regulars bake for us and some new faces as well. We appreciate your help so much! Your work helped pay for the programs mentioned above.

The Library Trustees, Village Green Committee and the Recreation Committee all used the library for meeting in the past year.

I want to thank the staff here at the library for their work. Robin is a wonderful assistant in every aspect, Cecile is a great person and an outstanding help with the reorganization project in our nonfiction section, and Beth is bringing some new ideas for fun and learning to the library. You are all the best!

Our Trustee board is so good to us! They unfailingly support our endeavors and projects. Thank you, ladies.

As always, please be in touch and let us know how we can serve you better.

Respectfully submitted, Kathy Fedorka, *Library Director*

Mansfield Public Library Trustees

In 2017 we had the storage annex completed, providing much need space for supplies and seasonal projects. The front stair railings have been painted and we hope to have a new sign for the front of the library in the spring of 2018.

We would be interested in hearing your ideas for activities that could be supported by the library.

As always the Trustees of the Mansfield Public Library would like to take this opportunity to recognize Director Kathy Fedorka, Assistant Robin Downes and Aides Beth Carpentiere and Ann Foley for their efforts in providing a great library experience for our town. They work very hard to meet your needs. A special thank you to Dennis Fedorka for his computer expertise in keeping our computers safe and up-to-date.

We are always looking for volunteers to help out with special programs and activities at the Library. We thank Vince Mamone and Priscilla Weston for volunteering to serve as alternate Trustees.

Respectfully Submitted,

The Trustees of the Mansfield Library

Mary Ann Sullivan

Temple Town Hall Advisory Committee

In 2010 the Temple Town Hall Advisory Committee (TTHAC) was established by the Board of Selectmen (BOS) to act as stewards of the Temple Town Hall. Supporting the BOS in an advisory capacity, the Committee performs ongoing monitoring of the Hall's use and condition, and advises the Select Board on any arising issues that may impact the facility's functionality or appearance.

The TTHAC's mission is to help protect the Town Hall's historic, functional and financial values on behalf of all Temple residents, ensuring it will continue to serve the community as the vibrant center for education, enrichment and general enjoyment it has been for generations. Support provided by the TTHAC also assists the Town in fulfilling the terms of its Stewardship Agreement with the NH Land and Community Heritage Investment Program (LCHIP), which requires annual reports substantiating that the Temple Town Hall is being preserved in the same structural condition and state of repair as when its rehabilitation was completed in 2009. Beyond the LCHIP agreement's timeframe, which ends in 2024, existence of the TTHAC will ensure the same spirit of stewardship continues in perpetuity.

Last winter (2016-2017) the bottom rails on three of the Town Hall's wood exterior doors were found to be deteriorating due to moisture penetration, the door leading into the Main Hall connecting corridor on the church side being the most severely damaged at that time. The BOS voted to replace all three doors, which was done this spring.

Interior areas of the Main Hall were given a much needed freshening up over the summer by way of a new coat of paint. Chair rails and wainscoting on the first level were repainted, as were the stairs, surrounding trim, chair riser platform and floor of the balcony.

This year the BOS tasked the TTHAC with reviewing and recommending updates to the *Town Hall Policies and the Fees, Rules, Regulations & Reservation Form*. **Please note that the Temple Board of Selectmen now reserves the right to deny use of this facility to any group, organization or individual not complying with these policies.** The updated documents are now available on line at the Temple website: TempleNH.org.

In May we were also tasked by the BOS to research cleaning services. The Town Hall is now cleaned on a regular weekly basis. As is indicated from the Town Hall Usage data below, we are pleased that this building continues to be the main center of activity in Temple. This heavy usage does make the cleaning and care of the premises crucial, requiring that we all work to maintain and preserve this building.

Our annual inspection of the Town Hall's interior and exterior was conducted in October, and the "2017 LCHIP Historic Resources Annual Monitoring Report", completed on behalf of the Select Board, was approved and submitted in November.

Temple Town Hall Usage Information

When hosting an event or meeting in the Town Hall, prior to leaving please be sure:

- Everything has been cleaned and returned to its proper place.
- The heat, if adjusted, has been returned to its maintenance mode.
- All lights not controlled by automatic switches have been turned off.
- All doors are closed tightly and locked.

Thank you!

Recreation Commission

With the help of volunteers too numerous to mention by name, we are happy to have been able to provide opportunities to our community members of all ages. On a less happy note, we are sad to have said goodbye to Ken Carpenter, a linchpin of our committee, who's tireless enthusiasm and effort for all things Temple will be sorely and sadly missed. We wish him and his family great success in their new community in Ohio, they are lucky to have them!

We ran our usual events this year, the Easter Party, the Daddy Daughter Dance, the 4th of July Celebration, our Halloween celebration, and our Christmas Giving Party, and the continuation of the Monadnock Music Pot Luck Jams. Some additional offerings this year were T'ai Chi, offered for free by David Rosen, and Open Mic nights at the Town Hall, a show case for local talent. We provide these events on a shoe string budget and rely on participation of the community members to be able to sustain these activities. With the exception of our Halloween Trunk or Treating event (which was AWESOME, by the way), participation has been down, and we are re-thinking some of our events. Our goal is to make the best use of taxpayer's dollars by serving the greatest number of citizens.

One of the events that touches the largest number of our citizens is the Thanksgiving Feast that we sponsor in conjunction with the Temple Elementary School. Despite Niki McGettigan's well deserved retirement, the event went off without a hitch again this year and is a joyful celebration that brings our youngest and most mature citizens together, and also calls upon the community of parents to volunteer their culinary skills to present this fabulous feast. It is exactly what a small community should be doing, and it takes dozens of devoted people to pull it off.

One of the things that is always heartwarming and rewarding, is the number of people who will stay to help clean up after some of our events. Without being asked, they pitch in and fold and put away tables and chairs, sweep the town hall, take out the trash, anything and everything – so that an event that takes hours to set up can literally be cleaned up and put away in less than a half hour. The folks who come to events with snacks to share are also greatly appreciated and are often so creative, we couldn't do it without all of you. And of course, our usual volunteers, and our middle school kids (thank goodness for community service hours!) are always appreciated. A special thanks to Glenn Nutting, who is truly a wonderful Santa, for coming back year after year to share the twinkle in his eye,

and a shout out to the TVFD and the Temple Greenville Police Department for keeping us safe and making our events a success.

Our numbers have dwindled, and we are down to just a few. The time commitment is minimal, the reward enormous, and we are in need of new members, ideas and suggestions. To join, please mail a letter to the Temple Board of Selectpersons stating your desire to be a member of the Recreation Commission, and VOILA! You can add it to your resume!

Village Green Committee

This spring the committee members purchased and planted six hydrangeas and six dwarf mugo pines to add interest and variety to the garden area in front of the municipal building. We again had a plant sale in May to help fund the purchase of the flowers that were planted throughout the center of town. We have a faithful group of members and townspeople who help keep things watered during the summer. Thank you all! In September we had our usual “Harvest Table” at the Harvest Festival, selling baked beans, hot dogs, cornbread, brownies, lemonade and various vegetables and other items that are donated. In December we added bows to purchased wreaths and put them on all the buildings in the center of town. A small but hearty group of people added wreaths and roping to the fence rails on the town common. If this is something you love to see every year, we are willing to do more if there are additional people to help. You may leave word of your interest in this endeavor with Village Green member Peggy Cournoyer at the store.

250th Anniversary Fund

The Temple Anniversary Fund advisory committee recommended that \$1,000.00 be awarded to the Cemetery Trustees for the next phase of the restoration project they are coordinating. The Fund dollars will go towards the repair of historic grave markers.

The Fund was established in 2008 with an initial gift of capital with the intent of inspiring other donations, so that substantial projects, outside of those we vote on in Town Meeting, could be envisioned and carried out. Each year, about \$1,000 is awarded to projects in town that are of benefit to all. The Fund is still able to receive additional gifts that will enable the committee to increase the amount we can give to local projects. Donations to the Anniversary Fund are held by the NH Charitable Trust. More information on making a donation is available at the Town Offices.

Over the past nine years the advisory committee has reviewed a variety of projects presented to the Select Board for consideration. Projects selected include furniture for the library, repairs to the town common, tree and landscape plantings, playground equipment at the school, and restoration and framing of the historic portrait now on display in the Mansfield Library.

The end balance on the Anniversary Fund town checking account in 2016 was \$ 871.98. We received funds from the NH Charitable Foundation in February in the amount of \$1240.18 . We then awarded \$1,000.00 to the Cemetery Trustees' project.

Respectfully submitted,

Julie McAdoo, *Advisory Committee*

Home Healthcare, Hospice & Community Svcs

In 2017, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Temple.

Service Report: HCS activities in Temple for 2017

Services Offered	Services Provided
Nursing	253 visits
Physical Therapy	256 visits
Occupational Therapy.	82 visits
Medical Social Work.	43 visits
Home Health Aide	106 visits
Total unduplicated residents served.	40

Nurse Is In clinics, hospice care, Healthy Starts prenatal and well child services are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2017 with all funding sources is \$119,220.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2018, we request an appropriation of \$1,750.00 to continue to be available for home care services in Temple.

For more information about services, residents may call (603) 532-8353 or visit: www.HCSservices.org or drop in for consultation: Walk In Wednesday on the first Wednesday of every month, 3-5pm at our office at 45 Main Street, Peterborough.

Thank you for your support of home care services.

Monadnock Family Services

Monadnock Family Services (MFS) continues to actively assist residents of Temple who are in need of quality mental health counseling and rehabilitation services. In addition to being the region's only emergency mental health crisis service, MFS offers a variety of innovative treatment programs for our community. Our Adult Outpatient Services program provides mental health evaluation and treatment, as well as medication evaluation and monitoring, counseling and specialized group services. Our Child, Adolescent & Family Services program is designed to support and promote good mental health in children and every member of the family. The Monadnock Substance Abuse Services program helps people develop new, healthier behaviors and make positive changes in their lives. Our broad array of services to residents of Temple might include Support for Service Members and Their Families, the Monadnock Volunteer Center, InSHAPE and Supported Employment for Adults and Children, or the Monadnock Adult Care Center.

Your financial support of our work will benefit your friends and neighbors receiving help at MFS, and we hope that our partnership in caring for the residents of Temple will continue. Please know that we pursue many other sources of funding as well, such as Monadnock United Way, grants, foundations, individual donations, and local fundraising events conducted in concert with our Board of Directors. Each source, however, helps with only a portion of the total cost of care.

We thank you for your past financial support and ask for your continued allocation to help underwrite the cost of services we provide to uninsured and underinsured individuals in your community. In FY 2017, MFS provided over **\$17,623.00** in discounts to consumers in Temple. We expect that an additional **\$8,647.00** will likely be written off as uncollectible. To help close this gap, we are asking for the equivalent of **\$1.25** for each resident of Temple which, based on the 2010 US Census, amounts to **\$1,708.00**.

If you have questions, or require additional information to support your decision, please contact me at 603-283-1568 or mdelisle@mfs.org.

By working together, we help to insure our communities remain healthy and vital places to live work and grow. Thank you for your consideration.

Mary Delisle, *Director of Development*

Child Advocacy Center

Thank you very much for the Town of Temple \$1,000 contribution to the Child Advocacy Center of Hillsborough County (CAC) in 2017. We request that the Town recommends a line item in the budget this year in the amount of \$1,500.

The CAC has partnered effectively with the Temple Police Department and DCYF to serve child victims of abuse living in the Town of Temple. A nationwide study entitled The Economic Impact of Child Maltreatment found that communities using the child advocacy center model save \$1,300 per case. During the past fiscal year, the CAC served eight child victims living in the Town of Temple.

Our agency's primary mission is to provide a safe and supportive place for children and their families to talk about abuse that they have suffered from. By doing so, we reduce the trauma experienced by the children and increase the likelihood of prosecution. We also recognize that educating the community on the signs and symptoms of child abuse is an important step in preventing abuse. The CAC regularly provides trainings and educational programs to local organizations, professionals and parents.

The CAC provides its services free of charge to all children ages 3 to 17 living in Hillsborough County who are alleging child abuse. In addition to working with the child, the CAC provides support to the non-offending caregivers and empowers them to protect and support their children.

The National Children's Alliance reports that in municipalities where a Child Advocacy Center is utilized there is a 40% increase in successful prosecution of these cases, more support for families and less trauma to child victims.

Thank you for your consideration of our request. If you need additional information, please do not hesitate to contact me. I am happy to make a formal presentation to your board if you would like to learn more about the CAC.

For more information, please visit www.cac-nh.org

Sincerely,

Phil Hueber,

Director of Resource Development

Community Volunteer Transportation Co.

CCVTC has had a record-breaking year. The selfless work of our Volunteer Drivers was recognized by the NH Center for Nonprofits. They selected CVTC to receive the first-ever Healthy Community Impact Award during their annual Impact Celebration. We were cited as removing barriers to good health and supporting the independence and well-being of area residents, leveraging the efforts of our volunteers.

CVTC gives the gift of HOPE with each mile we drive.

In 2017, 80 Volunteer Drivers logged-in 116,214 total miles (up 26% from 2016) for 286 riders in the 33 towns of the Monadnock region. Unmet need, when no driver selects a trip, is at 6.39% (a decrease of 5.92%). Our drivers are extraordinary! We currently have 70 active drivers and our goal is for 120 across the region.

Temple statistics:

- We received **53 ride requests** from 5 Temple residents. **15** ride requests equated unmet need.
- Volunteer Drivers logged in **1,758 miles** and donated **85 hours** of service for a value of **\$1,275.00**.
- **0** Volunteer Drivers live in Temple. Other Drivers helped residents get to their appointments.

Now entering our eighth year of service, CVTC is a stronger thread in the safety-net of human services and continues to advocate for community transportation options for the entire region. Enclosed is our brochure.

Please consider continuing to support our good work with a donation of \$500. Now entering our tenth year of service, CVTC continues as a strong thread in the safety-net of human services and advocates for community transportation options for the entire region.

On behalf of our riders and Volunteer Drivers, we are grateful for your consideration of our request. Town funding bears great weight when applying for other funding opportunities. Please contact me if further information is needed at ellen@cvtc-nh.org or 821-4081.

Learn more at www.cvtc-nh.org.

Ellen A. Avery, *Executive Director*

St. Joseph Community Services, Inc.

On behalf of the clients we serve, thank you for your continued support.

These funds will directly support the residents of Temple by promoting the health and welfare of our elderly, homebound, and disabled individuals.

You are helping us continue our mission of providing this isolated population with critical services – much more than a meal. Meals on Wheels drivers often are the only visitor a person sees. A warm smile, a safety check, and a conversation go hand-in hand with a nutritious meal and make it possible for someone to stay in the comfort of their own home.

Thank you for your generosity and support of our efforts.

Sincerely,

Meghan Brady, *President*

Sally Mann

Contoocook Valley Transportation Co.	\$500

Other programs supported by the Town of Temple:

The River Center	\$500
-------------------------	-------

Strengthening individuals and families through parenting support, economic opportunity programs, and community connections throughout the towns of the Eastern Monadnock Region.

The River Center served 38 individuals from Temple 67 times in 2017.

CASA.	\$500
------------	-------

Court Appointed Special Advocates (CASA) of New Hampshire strives to protect the rights of our state's most vulnerable children to live, learn and grow in the embrace of a loving family. Our trained volunteer advocates speak for the best interests of abused and neglected children who've come to the attention of New Hampshire's family courts.

Red Cross	\$200
------------------	-------

The American Red Cross prevents and alleviates human suffering in the face of emergencies by mobilizing the power of volunteers and the generosity of donors.

Mary Ann Sullivan

Minutes of the Town of Temple Annual Meeting March 18, 2017

Moderator, Steve Cullinan called the meeting to order at 10:01 am, after welcoming everyone. The meeting then stood for the pledge of allegiance. Pastor Leonard Zecchini then said a prayer for the meeting.

Cullinan read the list of newly elected candidates. (Townwide vote was held on Tuesday, March 8th.)

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Election Results

Selectman for three years: William Ezell

Town clerk for two years: Joyce Kullgren

Treasurer for two years: Daryl Winebrenner

Trustee of trust funds for 3 years: . . . Iphigenia Hatt

Cemetery Trustee for 3 years: Rebecca Van Dam

Library trustee for 3 years: Maureen Cullinan & Rebecca Van Dam

Fire engineer for 3 years: Luke Peterson

Planning board for 3 years: Theodore Petro & Allan Pickman

Budget advisory for 3 years: John Kieley & Steve Concordia

Budget advisory for 2 years: Christine Robidoux

The moderator swore in the newly elected officials. Cullinan read the rules of the meeting and announced the vote on Articles 2 and 3 from the townwide vote on March 8th (see below).

Tim Fiske honored for attaining Master Road Scholar II.

Niki McGettigan honored for 30 years as teaching/principal in Temple.

Article 2: Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (*3/5 majority vote needed*) (*By petition*).

Article 2 Did Not Pass 193 Yes votes 230 No votes

Article 3: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance to Section 7 “Accessory Dwelling Units (ADU’s) (formerly known as Accessory Apartments)”.

Article 3 Passed 247 Yes votes 104 No votes

The meeting then continued on through the articles under consideration.

Article 4: To see if the town will vote to pay the Town Clerk a salary in lieu of any statutory fees, as per RSA 41:25, with the initial salary of \$18,526 beginning in 2017.

Moved by Gail Cromwell, second by Ken Caisse.

Gail Cromwell spoke to the article.

Article 4 Passed by unanimous voice vote.

Article 5: To see if the town will vote to raise and appropriate the sum of \$1,325,140.00 for town charges as the operating budget and other necessary maintenance and operating expenditures. (*Selectmen recommend*)

Moved by Gail Cromwell, second by George Willard.

Gail Cromwell moved to waive the reading of the budget. Second by Mary Beth Ayvazian. Motion passed.

Gail Cromwell spoke to budget.

Article 5 Passed by unanimous voice vote.

Moved by Honey Hasting to restrict reconsideration, second by Sherry Fiske.

Restriction Passed by voice vote.

Article 6: To See if the town will vote to raise and appropriate the sum of Thirty Thousand dollars (\$30,000.00) to be placed in the Culvert and Bridge Maintenance and Repair Expendable Trust previously established by Article #7, March 15, 2014 Town Meeting under the provisions of RSA 31:19-a. (*Selectmen recommend*)

Moved by Ken Caisse, second by George Willard.

George Willard spoke to the article.

Article 6 Passed by unanimous voice vote.

Article 7: To see if the town will vote to raise and appropriate the sum of Seven Thousand dollars (\$7,000.00) to be placed in the Fire Department Vehicle Maintenance and Repair Expendable Trust Fund, previously established by Article #6, March 13, 2010 Town Meeting under the provisions of RSA 31:19-a. (*Selectmen recommend*)

Moved by Ken Caisse, second by George Willard.

Will Wildes spoke to the article.

Article 6 Passed by unanimous voice vote.

Article 8: To see if the town will vote to raise and appropriate the sum of not more than Twelve Thousand Three Hundred dollars (\$12,300.00) for the purpose of constructing a storage addition to the Mansfield Library. (*Selectmen recommend*)

Moved by Ken Caisse, second by George Willard.

Kathy Fedorka & Christine Robidoux spoke to the article.

Article 8 Passed by unanimous voice vote.

Article 9: To see if the town will vote to raise and appropriate the sum of Five Hundred dollars (\$500.00) to support The River Center. (*This expenditure would become part of the budget in subsequent years if passed*). (*Selectmen Recommend*)

Moved by George Willard, second by Ken Caisse.

George Willard spoke to the article.

Article 9 Passed by unanimous voice vote.

Article 10: To see if the town will vote to adopt the provisions of RSA 72:28-b the "all veteran's property tax credit. If adopted, the credit will be available to any resident, or the spouse or surviving spouse of any resident, who (1) served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or was an officer honorably separated from service, and (2) is not eligible for and not receiving the credit for veterans who served in a qualifying war or armed conflict or for veterans with a service-connected disability. If adopted, the credit will be in the amount of \$100.00, which is the same amount as the credit for a veteran who served in a qualifying war or armed conflict. If the credit is adopted, any person desiring to claim the credit will be required to file an application with the selectmen or the assessors by April 15 of the tax year.

Moved by George Willard, second by Gail Cromwell.

Tim Fiske spoke to the article.

Article 10 Passed by secret ballot: 90 Yes votes 34 No votes

Article 11: In order to ensure that Temple is a safe and welcoming community for all, employees of the town of Temple shall not enquire about, report, or act upon any person's immigration status under any circumstances while performing their duties. (*By petition*).

Moved by Colleen Forrest second by Rose Lowry

Colleen Forrest & Rose Lowry spoke to article .

Moved by Raymond Lee to table article, second by Jay Hadley.

Move to Table Failed by card vote: 65 Yes votes 41 No votes
(Needs 2/3 vote.)

Amendment to Article 11 proposed by Honey Hasting, second by Sherry Fisk.

...except where required by state or federal law to verify eligibility for benefit, service or license conditioned on verification of certain status.

Article 11 Passed as Amended by voice vote.

Article 12: The town of Temple affirms its commitment to the rights ensured by the First and Fourth Amendments to the Constitution of the United States of America and declares that in the town of Temple, no person shall be required to declare their religious or philosophical belief or affiliation, nor to sign a registry for any belief or affiliation. (By petition).

Moved by Rose Lowry, Second by Colleen Forrest.

Rose Lowry & Colleen Forrest spoke to article.

Article 12 Passed by voice vote.

Motion to adjourn by Debra Harling, second by Raymond Lee.

Town meeting adjourned, March 18, 2017 at 12:06.

George Willard called for a recount on March 17, 2017 for Selectman.

Recount done on March 22, 2018.

Results were

William Ezell 216 George Willard 205

Respectfully submitted,

Joyce Kullgren, *Temple Town Clerk*
