

## The Renewable Energy Task Force Will Next Meet on 12/20 at 7 pm in the Annex

### The Agenda:

1. We will discuss the comments made by citizens at the two hearings we held regarding the establishment of Community Power for Temple.
2. We will discuss the writing of a Warrant Article for the next Town Meeting requesting the Select Board to support the adoption of Community Power for Temple, to reduce the costs for our resident's electricity bills and gain more local control for our municipal and residential electricity.
