

**TOWN OF TEMPLE**  
**BUILDING PERMIT FEES**

|  |                          |
|--|--------------------------|
| Single Family (including mobile and modular), additions              | \$ .15 cents/square foot |
| Commercial & Industrial (with special exception from ZBA)            | \$ .20 cents/square foot |
| Accessory Buildings<br>(Sheds, garages, barns, porches, decks, etc.) | \$ .10 cents/square foot |
| Minimum Fee for Building Permit                                      | \$50.00                  |
| Swimming Pools   | \$50.00                  |

Per vote of the Board of Selectmen October 12, 1999: Any building permit application submitted after construction has begun will have a 50% surcharge added to the building permit application fee. An applicant who constructs a building that exceeds the dimensions on the building permit application and building permit, where the applicant continues construction before submitting an amended building permit application and obtaining an amended building permit, shall pay a new fee based on the dimensions of the new building plans plus a 50% surcharge on the new fee.

Per Order of the Board of Selectmen  
December 14, 2004  
Effective January 1, 2005
