

3 PIPELINE OPPOSITION EVENTS

1. On Friday, December 11th, Rally at the State House! Come to Concord to express your opposition to the Kinder Morgan pipeline and deliver our petitions!

Although Governor Hassan is not willing to meet with us to receive our petition with its 10,000 signatures from her constituents throughout the state, **we will rally!** And we will deliver the petition with all the pages of signatures to her staff.

What: March and Rally to stop the NED pipeline!

When: Friday, December 11th -10 AM-1PM

Where: Meet at the corner of Storrs and Theatre St and march to the State House in Concord.

2. Saturday, December 12th, there will be a rally in Boston for Jobs, Justice, and the Climate: Rally to Defend New England's Future!

Join activists from all corners of New England to show our support for a just transition to a clean energy economy that creates jobs here at home and works for both people and the climate.

What: Jobs, Justice, Climate: Rally to Defend New England's Future

When: Saturday, December 12th - 1 to 3 PM

Where: Parkman Bandstand, Boston Common, Boston

The NH environmental organization, NextGen, is helping to organize transportation and carpools from southern NH. If you need a ride, or can offer one, please contact McKenzie St. Germain - 603-491-6975. mstgermain@nextgenclimate.org

3. On Tuesday, Dec. 15 at Temple Elementary School at 6:30PM you are invited to a presentation by Dr. Curtis Nordgaard.

Dr. Nordgaard from Children's Hospital in Boston, will present his findings on the health impacts of exposure to the toxic and carcinogenic emissions from compressor stations, especially for children.
