Re: Tennessee Gas Pipeline Company, L.L.C., Docket No. CP16-21-000  
Northeast Energy Direct Project  
Notice of Withdrawal of Certificate Application

Dear Ms. Bose:

On November 20, 2015, Tennessee Gas Pipeline Company, L.L.C. (“Tennessee”) filed with the Federal Energy Regulatory Commission (“Commission”) a certificate application (“Application”) in the above-referenced docket for the Northeast Energy Direct Project (“Project”). On April 22, 2016, Tennessee submitted a letter to the Commission requesting that the Commission not take any further action in processing the Application, pending Tennessee submitting a status report to the Commission no later than May 26, 2016. The April 22, 2016 letter was filed following Kinder Morgan, Inc., Tennessee’s parent company, announcing on April 20, 2016 that the company would suspend further work and expenditures on the Project, as a result of inadequate capacity commitments from prospective customers and a determination that the Project is uneconomic.

Pursuant to Rule 216(a) of the Commission’s Rules of Practice and Procedure, 18 C.F.R. § 385.216(a)(2015), Tennessee provides notice of its withdrawal of the Application in this proceeding. Tennessee appreciates the Commission Staff’s diligent efforts on the Project, during both the pre-filing and certificate review processes.

In accordance with the Commission’s filing requirements, Tennessee is submitting this filing with the Commission’s Secretary through the eFiling system, and is providing a copy of this filing to the Office of Energy Projects and to all parties on the official service list for this proceeding.

Respectfully submitted,

TENNESSEE GAS PIPELINE COMPANY, L.L.C.
