AGENDA

We will be meeting under special rules from the State of NH which limit the agenda to critical items. When you sign into the meeting you will see that your live photo appears at the top of the screen. To avoid chaos, please raise your hand to be called on to speak. (This is going to be tough but we can do it!) I will do my best to call on everyone. Please read the information on trees ahead of time.

We have the following 2 items to discuss:

1. Selection of 2 trees to replace the two on the common that are being removed. Candidates: Princeton Elm, and Scarlet Oak. If you have another tree you wish to have considered, you must send the description to the committee in advance. See attached page for these two.
2. Advertisement for help. Please recall that Town Meeting voted \$4500 for a budget for our committee. We asked for tree purchases, mulch expenses, labor, etc.
