

Temple 250th Anniversary Fund Application Form (Rev. 042322)

Thank you for your interest in the Temple 250th Anniversary Fund.

The Fund was created in 2008 with a generous grant by Temple residents to the NH Charitable Foundation. The Fund purpose is to help finance projects that are of benefit to Temple and its residents and that would *not* be financed through normal budget expenditures. This would be items that are not included in regular administration, maintenance or expansion of town government or other entities. The annual proceeds from the Fund are available to be donated to projects recommended by the Fund Advisory Committee (appointed by the Temple Select board).

You may use this form to submit your application, or supply the information in a format of your own.

If you have questions or would like more information, please contact Julie McAdoo at 603-878-2063.
