Miller State Park power line project

Each of the members shared their knowledge of the project and their concerns. Camilla mentioned she was involved with the letter from Temple BOS. The group agreed to write a letter also expressing our concerns with how the project has been handled and the proposed solution of putting poles along access road. Adie Krulis will write a letter and share with the group via email. The group will send comments back only to Adie. Sean Radcliffe will distribute the final letter.

Temple Conservation Commission member discussion

The group approved recommending Ult Mundane as a full member of the commission. The group asked Ult to write a letter to BOS asking for appointment.

The group discussed commission membership status of Dave Repak and John Kieley. The group agreed to accept the resignation of Dave Repak. *Sean Radcliffe will write a letter to Dave Repak thanking him for his service. Additionally, Sean Radcliffe will send letter to BOS thanking Dave Repak for his service. Sean Radcliffe will write to BOS asking them to appoint Ult Mundane to Dave Repak's existing term.*

Sean Radcliffe will contact John Kieley asking for a letter of resignation from his existing term.

Rt 45 town owned properties

Members discussed the ideas originating from John Kieley to have a connecting trail between his property and the Weston conservation area across some town properties on Rt 45. Various options were discussed. *Honey will research Cornerstone road property owners. Camilla will get better maps of the area.*

Request from Ethan Belair Extension Forester in Hillsborough County

Sean Radcliffe disclosed the BOS shared a request from Ethan Belair Extension Forester in Hillsborough County concerning details about the Town Forest. *Sean will share Eric Foley's presentation on the Town Forest.*

Bruce Kantner Boxes

Cathy Joly took the box that had been left in the Town Hall

"Got Drought" presentation

Camilla discussed the Library Trustees project "Got Drought" for next spring. *Camilla will contact DES concerning four (4) panelists to talk on topic of drought and well health for April/Spring.* The group agreed to try to coordinate our water testing project at or near same time.

The group adjourned at 8:51 pm. Next meeting will be Wednesday, December 13th, 2017
