Special Dedication

This Annual Report is dedicated to Martha Scott who passed away in November of 2018. Her spirit and compassion for the community was evident in Temple and throughout the greater Peterborough area. The renovation of the Temple Town Hall was but one of her numerous civic accomplishments but it may be the one that impacted Temple residents the most.

Martha, Co-Chair of the Friends of Temple Town Hall from 2003 to 2010, saw this project to fruition with grace, dignity and perseverance. Her prowess as a fundraiser was evident when she secured the HUD grant and spearheaded fundraising that allowed completion of the Town Hall Annex at a cost of $272,900 without the use of town funds. Committed to preserving the Hall's historic qualities, Martha also understood the role the Town Hall plays as a community-gathering place. We honor Martha for the role she played in ensuring the Town Hall remained the hub of social, cultural and civic activities in Temple. She will be remembered and missed by all of us.

A brass plate that reads "In Memory of Martha M. Scott" has been added to the "Honoring Family, Friends & Neighbors" plaque that hangs in the Town Hall vestibule.

Warrant Articles 2018

To the inhabitants of the Town of Temple, NH in the County of Hillsborough in said State, qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Temple, on Tuesday, the Twelfth Day of March 2019 next, at Seven o'clock in the morning, to act on the following subjects.

Article 1: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing year.

Article 2: Shall we adopt the provisions of RSA 40:13 (known as SB 2) to allow official ballot voting on all issues before the Town of Temple, NH on the second Tuesday of March. (3/5 majority vote needed) (By petition).

Article 3: To cast your ballots on the proposed amendment to the Temple Zoning Ordinance to change the definitions relating to junkyards to be consistent with state law, and clarify the procedures and requirements for junkyards. (Proposed by Planning Board)

THE POLLS SHALL OPEN AT SEVEN O'CLOCK IN THE MORNING, AND SHALL CLOSE NOT EARLIER THAN SEVEN O'CLOCK IN THE EVENING.

You are further notified to meet at the Temple Elementary School in said Temple, on Saturday, the Sixteenth Day of March 2019 next, at ten o'clock in the morning, to act on the following:

Article 4: To see if the town will vote to raise and appropriate the sum of one million, four hundred forty-one thousand, nine hundred six dollars ($1,441,906) for town charges as the operating budget and other necessary maintenance and operating expenditures. *(Select Board Recommend)*

Article 5: To see if the town will vote to authorize the select board to enter into a 3 year lease/purchase agreement in the amount of $109,500 for the purpose of leasing a Backhoe for the Highway Department and to raise and appropriate the sum of $38,500 for the first year's payment for that purpose. This lease agreement contains an escape clause. *(Majority vote required) (Select Board Recommend)*

Article 6: To see if the town will vote to raise and appropriate the sum of ten thousand dollars ($10,000.00) to be placed in the Highway Vehicle & Equipment Capital Reserve Fund previously established by Article 8 at the March 12, 2011 Town Meeting and amended by Article 11 at the March 16, 2013 Town Meeting under the provisions of RSA 35:1 *(Select Board Recommend)*

Article 7: To see if the town will vote to raise and appropriate the sum of fifteen thousand dollars ($15,000) to be placed in the Highway Vehicle and Equipment Maintenance and Repair Expendable Trust, previously established by Article 5, March 2010 Town Meeting, under the provisions of RSA 31:19a. *(Select Board Recommend)*

Article 8: To see if the town will vote to raise and appropriate the sum of four thousand dollars ($4,000) to be placed in the Fire Department Vehicle Maintenance and Repair Expendable Trust Fund, previously established at the March 13, 2010 Town Meeting under the provisions of RSA 31:19a. *(Select Board Recommend)*

Article 9: To see if the town will vote to raise and appropriate the sum of eight thousand, two hundred fifty dollars ($8,250) for the purchase of three new sets of Personal Protective Equipment for Fire Department personnel. *(Select Board Recommend)*

Select Board Report

The Select Board spent a great deal of time revising the application form for building permits as well as writing guidelines for when a permit is required. The new form and guide are posted on the town website which is constantly being improved with more information and forms. A banner now hangs on the front of the town office building to publicize the actual website address: www.templenh.org.

New rules and rental fees were approved for the Town Hall. We are pleased that the building is being used by a variety of groups and events, fulfilling its promise as a center for town activities.

In financial news, we made an early payoff on the loan for the loader purchased in 2015, saving the town around $500 in interest. We met with the Treasurer to discuss the importance of managing the Public Deposit Investment Pool account. We also clarified the rules for the use by the Highway and Fire Departments of a credit card to purchase gasoline for their particular needs.

The new Holiday Lighting Committee that was approved at town meeting requested being allowed to start early with a lighting plan for the town common.

They raised the funds themselves and the Board approved their plan. It was a major addition to holiday spirit for the town.

The Board signed a new 3-year agreement for the Ambulance and met with our assessing company, Avitar, to review how the revaluation of all properties in town will proceed. It will begin in January 2019, with an expected completion next October.

We note with regret that Joe Cournoyer has retired from his position as Fire Warden, replaced by Mike Connolly. Joe's service to the town for 35 years has been remarkable and we owe him an enormous debt of thanks.

Another resignation must be noted: Amy Cabana has provided years of service to the town Recreation Committee, giving joy to our children with the annual Fourth of July Celebration, the Halloween Trunk or Treating, the Easter and Christmas holiday events, the Daddy Daughter Dance and, of course, the famous Senior Thanksgiving Dinner.

Both Joe and Amy will be hard acts to follow! Many thanks to both of them.

We welcomed Kent Perry to the Highway Department and Tara Thomson as our Administrative Assistant due to resignations.

Finally, we changed our official name from Board of Selectmen to Select Board.

Respectfully,

Gail Cromwell, *Co-Chair*
Bill Ezell, *Co-Chair*
Ken Caisse

Capital Improvement Program Report

The New Hampshire Legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP), developed in 2004 with assistance from the Town's Departments, was intended to be a living document. The CIP Committee has updated the plan each year to reflect the Town's changing needs, providing recommendations to the Select Board for consideration at Town Meeting.

The CIP Committee's goal is to keep the Capital Improvements budget as flat as possible, while emphasizing protection of current infrastructure and town services. In 2018/19 the CIP Committee met and/or communicated with each town department, reviewing and discussing all potential revisions for the 2019-2028 CIP Plan. To assure continuity of discussion from year to year, each department also provides a CIP Expenditure Request Form as well as up-to-date written quotes for all items requested.

This year the CIP Committee also had discussions regarding both capital reserves and grants:

Capital Reserves: The CIP has recommended targeting a consistent, yearly tax impact of approximately $120,000 to cover all capital expenditures for Temple. This value was selected based on past data and future projections to be sustainable for the Town's needs into the foreseeable future. The advantage of a consistent tax impact is that taxpayers will be shielded from the impact of year-to-year fluctuations in capital expenditures. To achieve this goal, the CIP recommends the use of Capital Reserve accounts (to which funds would be added or subtracted to achieve the targeted tax impact) in conjunction with bond or lease financing when appropriate.

The Highway Department plan has three large vehicles replacements scheduled in 2021 and 2022 (totaling approx. $287,000). The Fire Department also has two large vehicle replacements due in 2024 and 2027 (totaling an estimated $467,685). In order to avoid future tax spikes, the CIP Committee approved a recommendation to the Select Board that the Town place warrant articles for substantial amounts to be deposited in a Capital Reserve for Capital Equipment starting in 2018. Please see the Graph (following page) and Worksheet (next page) for the smoothing out effect

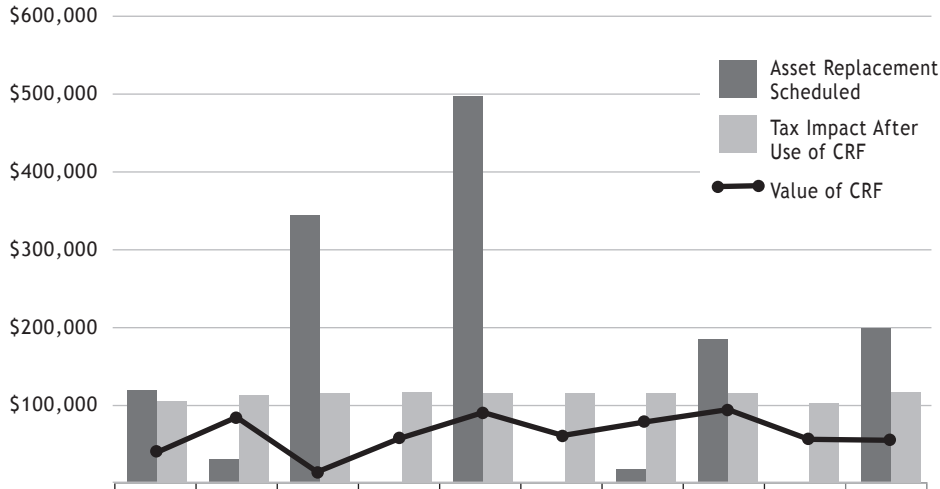

that occurs with a Capital Reserve account in conjunction with bond financing. The graph shows the scheduling of infrequent large expenses, in dark grey. The effect of using bond financing and Capital Reserves to spread these expenses over time is shown in light grey on the graph below.

Grants: We continue to request that each Department research and apply for all available grants in the year prior to the year that a capital expense is requested. Temple's Fire Department, Highway Department and Municipal Office have had great success being awarded grants and the CIP Committee wishes to encourage early applications so we can better plan for a smooth bottom line.

A copy of this year's CIP reports (including both the Narrative and Spreadsheet) may be picked up at Town Meeting or the Municipal Building. It is also available on the Town Website TempleNH.org.

The graph above shows the scheduling of infrequent large expenses (Purchases Due), and the smoothing out that occurs using Financing and Capital Reserve.

Capital Improvement Program Report

For 2019, the ongoing bond payments are:

Fire Department: 9 Air Packs, Air Cylinders, and Booster were purchased in 2014: The price was $62,500, but due to a generous anonymous donor contribution of $5,000, the cost to the town was reduced to $57,500. This amount was financed for 5 years at 2.29%. The 2019 payment of $11,664 will be the last of 5 payments. Interest paid over the 5 years will be $3,456.

Highway Department: The 2014 International Dump Truck was purchased in 2013 at a cost of $160,258 and financed at 2.15% for six years. Total interest will be $12,128. The 2019 payment of $27,048 is the last of 6 payments.

Key Changes for 2019:

The Wilton Ambulance Co-Op has changed the acquisition of new vehicles and equipment from outright purchase to a "lease-to-buy" strategy; the leasing costs are now included in the annual budgetary commitment. Also, last year the strategy for acquiring Turn-Out Gear for the Fire Department was changed from making bulk purchases of all units, to replacing two sets each year. This also resulted in a transfer to the annual budgetary commitment. In response to these transfers, the CIP has reduced the leveling target for annual tax impact of capital investments from $120,000 to $115,000.

The committee has further been made aware of several unique budgetary requirements for 2019 and received a request from the Select Board to further reduce the tax impact for capital investments for 2019. The CIP committee has responded by further reducing the tax impact for 2019 to $105,000 by reducing the Warrant Article request for contribution to the Highway Capital Reserve Trust from $30,000 to $20,000.

For 2019, the CIP Committee recommends the following:

Fire Department: The Committee received a request for three additional sets of Turn-Out Gear at a total cost of $8,250 to accommodate new department personnel and replace gear beyond the expiration date.

Highway Department: The Committee also received an unplanned request for a Backhoe/Loader at a cost (if purchased) of $109,500. The Committee

recommends a lease-to-buy purchase plan at a cost of $38,417 for three years. To accommodate this purchase, we have worked with the Highway Department to delay the replacement of a Mower for the tractor and to delay the scheduled replacements of two Dump Trucks.

Highway Vehicle/Equipment Capital Reserve Fund: The CIP recommends a warrant article placing $20,000 in the Highway Vehicle/Equipment CRF.

Respectfully submitted by the Capital Improvement Plan Committee,

Budget Advisory Committee

The Budget Advisory Committee (BAC) provided the Temple Select Board (SB) with a recommended Operating Budget of $1,323,300 which includes the SB recommended salary increases of 1.5% and several adjustments. This amounts to an increase of 7.1% over last year's budget. After Debt Service and recommended Warrant Articles are added, the Total Expenditures are anticipated to be $1,441,906.

The items of note having a negative impact on the 2019 budget vs 2018 expenditures are:

1) The scheduled resurfacing of a segment of road on Hadley Highway ($35,000) which will be partially offset ($15,000) from the Expendable Trust for Paving.
2) The settlement of a law suit brought by FairPoint against numerous NH towns regarding the taxation computations for utilities. This will impact our budget until 2021 and adds $22,000 to the "Abatements" for 2019.
3) The 100% Reassessing of Property Values ($17,000) which is mandated and will occur in 2019.
4) Ambulance Services ($14,500)

The items of note having a positive impact on the Total Expenditures are:

1) Health Insurance Costs were reduced by $14,000
2) Debt Service was reduced by $41,000

The BAC continues to consolidate expense allocations to single point responsibility to implement improved cost identification and control. Examples of this are the consolidation of telephone bills and office supplies under Town Administration. Another example is moving the acquisition of physical dog tags to the Town Clerk who processes the registration of dog licenses. In 2018, several opportunities for improved cost control were identified and will be researched in 2019.

In 2018 the accounting software was changed which has resulted in significant software licensing and management time savings to the town. This change impacted the way the BAC monitors the town's revenue and expenditures and the automation of this process is nearly complete.

The use of Expendable Trusts to support costly equipment repair events that occur on unpredictable time schedules continues to be a valuable tool. These contingency funds help to remove monetary slack from our town budget that may not be required in a given year. For 2019, the BAC recommends warrant articles for the replenishment to the Equipment Repair funds for the Highway ($10,000) and Fire ($4,000) Departments.

In preparation of the 2019 budgets for operations and capital, the BAC held joint meetings with the CIP for the basic collection of information from the various departments and boards. This not only reduced the interview process for those departments but improved the appreciation and cooperation of these two financial advisory committees for our shared objectives. The BAC wishes to express our appreciation to the CIP for reducing their 2019 "Target Appropriation for Leveling" to reduce our combined impact on the 2019 tax rate.

The BAC is most appreciative of the time and support provided by the SB, department heads, and the valuable support provided by the municipal administration team.

Board of Selectmen
Town of Temple
P.O. Box 191
Temple, New Hampshire 03084

Dear Board of Selectmen:

During the course of our 2017 audit we identified certain areas where improvements and/or efficiencies could be made that were not included in a formal management letter. The following summarizes these issues very briefly:

- Disbursement testing results showed 6 out of 25 selected invoices not having signed documentation of approval. We recommend all invoices be signed by a knowledgeable individual.
- The recreation special revenue fund bank account reconciliation retained no formal list of outstanding checks. We recommend that a list of issued, cleared, and outstanding checks be maintained for the recreation checking account.
- People's United bank accounts did not cut off at December 31. We recommend that all bank accounts run through the end of the month to create a smoother reconciliation process at year-end.
- The cash collateralization agreement with Citizens Bank was addressed to the former Treasurer. We recommend that this be updated to the current Treasurer.
- Payroll manifests were not signed for approval by the Board of Selectmen. We recommend that all manifests be signed documenting approval to pay.
- Payroll testing results showed 2 out of 25 employees not having approved rate agreements for the pay periods selected. We recommend that an approved rate agreement be retained in each employee's personnel file.
- Journal entry support was not retained for all journal entries. We recommend that the journal entries be printed and retained in a bound book and contain dual signatures.
- Final adjusted budget was not updated in the general ledger system. We recommend that the final budget be updated in the system to allow for budget versus actual reports to be generated.
- Formal policies and procedures have not been adopted for procurement. We recommend that a Town-wide policy be implemented to provide guidance over procurement.
- Job descriptions and duties were unclear to new staff. We recommend that the Board, along with employees, document job descriptions and expectations for better clarification and understanding by all.

We encourage the Town implement these recommendations in order to improve controls and efficiencies. I will be available to discuss these with you in more detail at your convenience.

Sincerely,

Frank R. Biron

Highway Department

January and February were very busy with lots of snow, rain, ice, and mud. The temperature was all over the place, from -12° to 60°. We were plowing snow one day then grading muddy roads the next day. Winter did come back with a vengeance, though, in the middle of March with two blizzards back to back. We had 17" of snow on the 8th and 9th then 20" of snow on the 13th and 14th. This melted away quickly with the warmer temperatures, but winter still dragged on into the middle of April with several small snowstorms and ice.

Spring finally arrived in late April bringing warmer and drier days. We worked right on through the month of May ditching and grading all the gravel roads in town. We also spread a lot of new gravel onto the roads.

June was spent replacing culverts and putting in drainage on Colburn Rd. We cleaned all the ditches and prepared it for paving. Advanced Paving Company came in on June 27th and paved a leveling course on about one mile of Colburn Rd. We also had a company come in with a crane to take down trees behind the library.

Everything started to dry out in July. The streams dried down to a trickle and the gravel roads were dry and dusty. We took advantage of this weather by installing a very large, 6' wide and 4' high, concrete culvert on Moran Rd. where the existing 48" steel culvert was rotting out and caving in.

We finished up roadside mowing in August and September. We spread a lot of gravel on various gravel roads and prepared Colburn Rd., Josiah Lane, and East Rd. for sand sealing, then sealed them. The trees on the Common were trimmed of dead branches. The remnants of Hurricane Florence came through and dumped close to 5" of rain on us leaving us, with some minor washouts to deal with. October was spent preparing things for winter. We put up our winter sand, graded roads, got out the snow plows, etc. Things were very wet due to the record amounts of rain we had.

Winter came in in November with several snowstorms and freezing temperatures throughout the month. The snow had melted away by December with more rain and freezing rain. Temperatures stayed above average giving us a brown Christmas with muddy gravel roads that kept thawing out then refreezing.

We plan on rebuilding another small section of Hadley Hwy. between Cutter Rd. and the Gambol Brook Bridge in the summer of 2019. The remainder of Hadley Hwy., Boutwell Hill, Glen Farm Rd., Gambol Brook Rd., and Hedman Ln. will all be patched and sand sealed.

I plan on retiring in August of 2019. I have been the Road Agent for the Town of Temple for 35 years and feel that it is time for someone else to take over. We have had to deal with dozens of blizzards, hurricanes, floods, and ice storms through the years and I must say it has been quite an experience. I plan on staying in Temple and will be happy to help occasionally if needed. When I started in 1984, I could see hundreds of projects that needed to be taken care of. Over the years, many more have come to light. Many of these projects have been taken care of, but there will always be more. Please continue to support our Highway Department in the future as you have in the past for me. Thank you.

Respectfully submitted,

Timothy P. Fiske, *Road Agent*

Cemetery

There were no big surprises this year with our cemetery maintenance. We are still dealing with and treating for grubs, which are killing the grass. The trees seem to be staying healthy, so we had no problems there. Deer came in around November and chewed off several of the bushes. This is early for them to do this, but food is scarce for them this year.

Kai Nalenz came in again and repaired about 30 stones in East Cemetery. The $1,000.00 that we had received from the 250th Fund was used to help offset the budget this year. We plan to repair several more stones in 2019.

The section of the cemeteries that will be dedicated to "green burials" should be constructed in 2019, time and weather dependent.

Temple-Greenville Police Department

This year the Town of Temple will see the retirement of our longtime Road Agent, Tim Fiske. I would like to thank him for his 30 plus years of service to the Town of Temple. He has helped the Police Department and me many times. We have worked side by side at motor vehicle accidents, fires, medical calls, natural disasters, and snow storms. Tim is a true professional and a great friend. I wish him the best in his retirement.

A review of our statistics show that the crime rate in both towns is up slightly in some categories, and down in others. Overall, drug overdoses, burglaries and sex offender registrations are down. This shows that our towns are moving in the right direction.

The greatest issue for the department is manpower. Prior to the merger, Greenville had five full time officers and three part-time officers. We now have four full-time officers and two part-time officers. We are not only losing officers to towns that abut ours, but it has also become very difficult to find qualified officers. The biggest reason officers leave is lack of a competitive wage. The officers that we do lose are ones we have paid to train and certify. They are not going to the big agencies, they are going to Peterborough, Wilton, Mason, New Ipswich and Lyndeborough. The pay discrepancy ranges from 7% to 14% for various positions. The Boards of Selectmen, along with myself are working to correct this serious issue.

I would like to thank the Greenville Beautification committee for the Christmas wreaths and flowers that decorated the police station throughout the year. A special thank you to Mike Lamarre for having the side and rear of the station painted at no expense to the towns.

Respectfully Submitted,

James H. McTague, *Chief of Police*

Town of Wilton Ambulance Service

This past year the ambulance service has undergone a complete transformation. We no longer have a staffing shortage; response times have improved with the use of our rapid response unit and the ability to staff our second ambulance has increased dramatically. This year we where able to staff the second ambulance consistently. This keeps the need for a mutual aid ambulance to a minimum. 2018 was the busiest year so far for the ambulance service. We responded to 542 medical emergencies across all our communities.

There was some confusion over the budget for the ambulance service but let me assure you that we are operating well within our parameters and in accordance with the rules and regulations. We are not and have not been running a deficit. We had projected $190,000.00 dollars in expected revenue. We exceeded our projections and to date have collected over $270,000.00. The revenues collected are used to help offset the cost of operating the ambulance service and thus reduce the amount paid by each town for the service.

The ambulance service began serving the town of Greenfield as of January 1st. We would like to thank the town of Greenfield for entrusting us with the care of their residents. We welcome them to our inter-municipal agreement and look forward to working with them for many years to come.

None of the things the service has been able to accomplish would have occurred without the truly dedicated professional providers that make up our service. I cannot begin to express how proud I am of our providers. We strive every day to provide the highest possible care to our residents.

Respectfully,

Steve Desrosiers , NRP, *Chief*,

Tim Fiske

Volunteer Fire/Rescue Department

The Temple Volunteer Fire Department had 95 calls last year, which was below our usual average of 100-110 calls. This was not a bad thing. We provided Mutual Aid several times this year and had higher than average amount of medical calls this year in town.

This year we had 4 new members join us: Steve Concordia, Jeff Hipp, Tim Pervere and Bill Walker. Welcome aboard! We had 4 of our Firefighters (Deputy Chief Ken Caisse, Jay Contois, Steve Concordia and Jeff Hipp) take the EMR class and pass it. 3 of them have gone on and passed the National Registry. As of the end of the year, this gives us 5 certified rescue personnel.

Last year Matt Bruneau decided to step down at the end of 2017 as Deputy Chief. This year, he and his son Morgan have decided to step away from the Fire Department to pursue the next chapter in their lives. We want to thank them for the outstanding job they did and all the time they gave to the town.

Our Officer Positions for 2019 will be as follows: Chief – George Clark, Deputy Chief – Ken Caisse, Fire Captain – Will Wildes, Rescue Captain – Luke Peterson, 1st Lieutenant – Mike Connolly, 2nd Lieutenant – Cody Charron, 3rd Lieutenant – Jay Contois.

As Chief I look forward to working with all the members of the department and the Officers in 2019 as we continue to improve our department.

TVFD is always looking for volunteers to come join in any capacity that an individual is able to give. Such positions include Firefighters, Fire Scene Support Personnel, Drivers/Operators, Incident Support Personnel, First Responder EMT's, and Maintenance personnel. Training is not necessary. We provide the equipment and the necessary training as well as all the support that you need to become a safe member of the department. It is our ultimate goal to have every member return to their family after each call. TVFD accepts and encourages individuals from age 14 on up to join. Please contact a current member or email Chief Clark at TVFDc1@gmail.com .

In closing, I would like to thank all my officers and members for a fantastic job done this year. I would like to say congratulations to Jay Contois for receiving firefighter of the year in 2018.

Respectfully submitted,
George Clark, *Fire Chief*

Temple Town Forester

For the tax year April 1, 2017, through March 31, 2018, the Town received seven Reports of Wood or Timber Cut. Yield taxes assessed for these harvesting operations totaled $21,347.52. As of December 21, 2018, two Intents to Cut have been filed with the Town for the 2019. A significant amount of timber harvests were conducted in Town last year as can be seen by the associated yield taxes. Good quality white pine and hardwood continue to be in demand. Hardwood stumpage prices, especially for red oak, have leveled off a bit but still remain strong. The veneer market still seems to be the driving force behind demand and prices. The market for low-grade material has gone from bad to worse, primarily for whole-tree chips. As a result landowners should not expect to receive income for tops and low-grade that is chipped this year and jobs that have a high concentration of low-grade may need to go on the back burner until this situation improves.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by May 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. This value is not based on the actual price paid for the forest products, but on average values provided by the State. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by May 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th, a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to May 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent to Cut should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware that there are State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Allan Oxman, *Licensed Forester #67*

Temple Forest Fire Warden

First of all I would like to congratulate and thank Joe Cournoyer, the former Forest Fire Warden for the town of Temple, on his many years of service to the town of Temple. Secondly, I would like to thank the Select Board for appointing me to be the new town Forest Fire Warden.

This year has been really wet, therefore the fire danger, thankfully, has been less. We still urge everyone to be cautious of their surroundings if dealing with flammable materials outside. We have issued numerous seasonal burn permits and some Category 3 burn permits which are larger brush piles. This coming year we will be trying to inspect seasonal burn pit areas in the town as we give the permits out just to make sure people are in compliance. Thankfully, all of our towns forestry equipment is all up-to-date and has been inspected and tested by the fire department.

I will be applying for some forestry grants for some more equipment for the town thank you.

Forest Fire Warden & State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

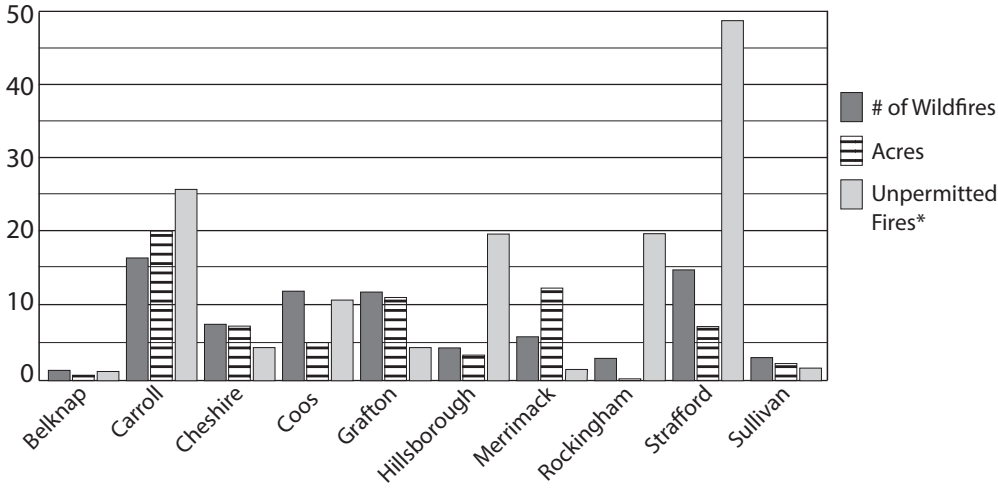

In 2019, we will be recognizing Smokey Bear's 75th birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **Remember, Only You Can Prevent Wildfires!**

As we prepare for the 2019 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

Animal Control

2018 has come to a close. The statistics for 2018 are below. Wild animal complaints are still higher than in years previous to 2017. A word of advice, if you see a wild animal acting strangely please call Animal Control. Do not attempt to approach it yourself.

The lost and missing category includes both dogs and cats. Some have been found and returned to their owners, others have not been found. The Humane Society has reported that rabies is higher in cats than in other years. Please, if you are going to let your cats roam make sure they have been vaccinated for rabies, distemper, and any other diseases that your vet recommends. The best advice is to keep your cats indoors.

Dog owners, please remember that all dogs over the age of 4 months old must be licensed by April 30th of each year, RSA 466:1. The dog tag should be placed on a collar that is around the dog's neck. Not only will this help me return your pet if it gets lost, but it is the state law.

Zoning Board of Adjustment

The Zoning Board of Adjustment (ZBA) has responsibility under State statutes to consider:

- Variances to the Town's Zoning Ordinance
- Special Exceptions as permitted under the Town's Zoning Ordinance
- Appeals of administrative decisions made by Town Boards

The ZBA considered one case in 2018 and continued to work on its Rules of Procedure and Application materials. Copies of the Board's materials can be found on the Town website or obtained at the Town office.

Current Members of the Board are Mary Beth Ayvazian (Chair), Deb Deieso, Bill Ezell (Alternate), Honey Hastings (Alternate), John Kieley (Vice Chair), Greg Robidoux and Sydney Thomas.

Planning Board

After March elections the board welcomed back Bruce Kullgren, Jr., and former member Randy Martin. The following slate of officers was voted in to serve for the year: Chairman – Allan Pickman; Vice Chair – Bruce Kullgren; and Secretary – Tedd Petro. Many thanks to Camilla Lockwood for her years of service and valuable contributions to the board.

During the year there was no activity on subdivision of property. One application for a lot line adjustment was received and approved.

Early in the year a well-attended public hearing was held on two topics related to agriculture. One was to consider a possible zoning amendment that would modify the town's definition of agriculture to match the State definition. This was put before voters in March and passed. The board also considered modifying town regulations to require Site Plan Review for agriculture in certain instances. While this elicited active discussion, it was decided to not move it forward this year.

The board made good progress in updating the town's Master Plan. They continued to work with Southwest Region Planning Commission on three chapters: "Population and Housing Analysis," "Economic Development Analysis," and "Transportation." Each was reviewed and discussed at length, and further edits were instituted. Final printed color copies with associated maps were provided by Southwest in late fall, and these versions will be presented at a public hearing in January, 2019, before the board takes a vote to approve.

The process to create a Vision Statement to add as an integral part of the Master Plan also moved forward. A survey form was made available to residents via mail and online. There was an excellent response rate, and the results were then tabulated into a spreadsheet and graphs. Analysis of the data showed a

continuing sentiment of appreciating the town's rural character and not wanting much to change. In June a public hearing was held to present the document to residents, and to listen to public comment. Some of those comments and suggestions were integrated into the document, and after a second hearing in July, the board voted to formally adopt the Vision Statement.

As the year drew to a close, several smaller but important issues arose. Consideration of toughening the regulation of junkyards came to the forefront, and after several discussions the board agreed to work to address this. Also, modifications meant to clarify the building permit process were suggested by the Select Board, and this will also be looked at. As well, worries about keeping the Temple Elementary School open became real as the ConVal School Board considered trying to advance consolidation by closing smaller schools in the district. This will be an ongoing concern for the town well into the new year.

My thanks go to board members and to Betsy Perry for all their hard work and dedication during the past year.

Conservation Commission

2018 was a successful year for the Temple Conservation Commission. The Commission was involved with numerous wetlands threats and concerns as well as review of culvert and bridge repair work and annual monitoring of current conservation easements. Other activities and changes are listed below.

New member: The Conservation Commission welcomes new commissioner Scott Hecker. Scott has extensive experience with environmental conservation world-wide.

Water testing project: The Conservation Commission conducted its annual water testing and awareness event on April 11, 2018. The "Got Drought" presentation had panelists Stacey Herbold, Water Use and Conservation Manager, NHDES; Andrew Koff, Hydrogeologist and Community Well Siting Program Manager, NHDES; and Anita Stevens, Certified Landscape Manager and Member, Milford NH Conservation Commission.

The Commission distributed water-testing kits that night to interested attendees. Each homeowner chose which tests they wanted to pay for since drilled wells and dug wells have different risks. Commission members collected the kits and delivered them to the Concord testing site. Homeowners received test results directly. Individual well results are private and not shared with the Conservation Commission or town officials.

Plans are underway to continue well water education and testing in 2019.

Private land conservation projects: The Conservation Commission continues working with Temple citizens interested in having conservation easements on their land. The Commission anticipates assisting landowners and their efforts in 2019.

Goals and mission statement: The Conservation Commission began work to develop goals and a mission statement to publicly clarify the Commission's responsibilities, activities, and processes.

Holiday Fair: This year the Conservation Commission had a table at Temple's Holiday Fair. It was a successful experience and the Commission looks forward to continuing this practice.

Potential trail connector: The Conservation Commission members continued discussing an ongoing project creating connecting trails from the Chris Weston

Conservation Area to trails on the west side of Senator Tobey Highway (Route 45) leading to Temple Mountain. Due to the challenging terrain, the Commission has not decided what would be the best trail route.

Souhegan River Local Advisory Committee: Conservation Commission members have been engaging with the Souhegan River Local Advisory Committee (SoRLAC). This work is vital for keeping local sections of the Souhegan River healthy.

Girl Scout involvement: The local Girl Scout troop reached out to the Commission to learn and experience local conservation in action. We look to successfully work with the troop in 2019.

Mansfield Public Library Report

It has been a great year here at the Library! There are several new families in Temple and they are visiting us often.

Total circulation for 2018 was 6250, a substantial increase over 2017. Checkouts are from all sources: Books, Magazines, DVDs, Puppets, Cake Pans, Puzzles and our Overdrive E books and E magazines.

Patrons used our computer 317 times and 97 folks attended our various programs.

Our program offerings included:

- Author Gary Crooker discussed his book about Old Home Days Celebrations throughout the years.
- Temple Photo Contest in April at the Town Hall. Adult winners were Donald McElreavy, Tamora Andrews and Kevin Foster. The Teen winners were Madeline Carpentiere and Megan MacLaren.
- We also hosted a program in April with the Conservation Commission with the State of NH on Drought Mitigation.
- Our Summer Reading Theme was" Music, Music, Everywhere!" several Temple folks helped out with this: Ult Mundane did a fun drumming workshop, Reenie and Steve Cullinan did a guitar and singing unit, Kylee Calistro came and told and showed trumpet playing, Phil Lauriat taught singing and Reenie also did a Contra Dance Finale for the program with the group!
- Norma Boise of AARP New Hampshire came out to talk with folks about fraud prevention and safety for their personal and financial information. Norma is a real expert on this, so we will be having her back again.
- We hosted a DoTerra Essential Oil make and take workshop in November. It was really informative and fun!

Many thanks to our Trustees for their unwavering support and assistance in every way through the year. In addition, they held a Firewood Raffle as a fundraiser. This event was a great success and the proceeds will fund a program or a purchase in 2019!

We had an outstanding Pie Sale at the Harvest Festival! People made an amazing variety and quantity of pies this year, making it one of our best years ever! Thank you. As always, a program for the town or a purchase that will benefit the town via the Library will be made with the proceeds.

Thank you to the Library Ladies of Temple: Assistant Director Robin Downes and Aides Elizabeth Crooker and Cecile Renzi. You are the best, and I am so glad you work with me!

Renewable Energy Task Force

The Renewable Energy Task Force was formed following the approval of a Warrant Article at Temple's 2018 Town Meeting which committed our town to converting its municipal energy usage to 100% renewable power by 2030.

The volunteer Task Force has been meeting monthly, examining the data for Temple's municipal energy usage, exploring various renewable energy options, and soliciting a variety of financing opportunities to determine the most practical, cost-effective potential courses of action to recommend to the Select Board.

Meanwhile, we are consulting with a representative of the Library Trustees regarding their decision to purchase a new heating system for the building, offering input in alignment with Temple's commitment to renewable power.

We are also applying for a small grant to fund the construction of an electric vehicle charging station in town to support the gradual upgrading of our town's municipal fleet to electric and bio-fuel vehicles along with serving the needs of electric vehicle owners.

Temple Town Hall Advisory Committee

In 2010 the Temple Town Hall Advisory Committee (TTHAC), preceded by the non-profit Friends of Temple Town Hall, was established by the Select Board (SB) to act as stewards of the Temple Town Hall. Supporting the SB in an advisory capacity, the Committee performs ongoing monitoring of the Hall's use and condition, and advises the Select Board on any arising issues that may impact the facility's functionality or appearance.

The TTHAC's mission is to help protect the Town Hall's historic, functional and financial values on behalf of all Temple residents, ensuring it will continue to serve the community as the vibrant center for education, enrichment and general enjoyment as it has been for generations. The TTHAC also assists the Town in fulfilling the terms of its Stewardship Agreement with the NH Land and Community Heritage Investment Program (LCHIP).

We mourn the passing of Martha Scott. Martha, co-chair of the Friends of Temple Town Hall from 2003 to 2010, who saw this project through fruition with grace, dignity & perseverance. Her prowess as a fundraiser was evident when she secured the HUD grant and spearheaded fundraising that allowed completion of the Town Hall Annex at a cost of $272,900 without the use of town funds. Her spirit and compassion for the community was evident in Temple and throughout the greater Peterborough area. She will be remembered and missed by all of us. A brass plate that reads "In Memory of Martha M. Scott" has been added to the "Honoring Family, Friends & Neighbors" plaque that hangs in the Town Hall vestibule.

We were sad to see Ron Pulos resign his membership but thrilled to welcome two new members, Priscilla Wheeler and Dan Masterson. Ron, although missed, continues on in an advisory position and for that we are very grateful.

In the spring of 2018, the TTHAC reviewed its mission and confirmed with the SB of their desire to remain an advisory committee to the SB but relinquishing our past "hands on" role. Tedd Petro and Dick Benotti have physically overseen much of the maintenance of the building for many years but the Committee is now requesting that these jobs be the responsibility of the SB.

The TTHAC and the SB reviewed the Fees, Rules, Regulations & Reservation Form modified in 2017 to make the process clearer and more transparent. A new version of the form was approved in October of 2018. This newest form is available on line at TempleNH.org. Of note is the addition of a complete listing of the approved Quasi Municipal Organizations as well as a definition of Quasi-Organizations and Special Events. Special Events require the completion of the reservation form as well the required deposit.

Be aware that Select Board approval for a waiver can only be given at public SB meetings. Please time your request accordingly.

Please note that the SB now reserves the right to deny use of this facility to any group, organization or individual not complying with these policies. The updated documents are now available on line at the Temple website: TempleNH.org.

Also, in 2018, a new, weather resistant Bulletin Board was installed and a new outdoor mat was purchased and placed at the main entrance.

Our annual inspection of the Town Hall's interior and exterior was conducted in October, and the "2018 LCHIP Historic Resources Annual Monitoring Report", completed on behalf of the Select Board, was approved and submitted.

Recreation Commission

Cheers to another successful year in the books! We presented our regular festivities again this year, with an especially good turn-out for our trunk-or-treat event. Participation in this event has increased year over year, and it has become a draw for Temple folks with younger kids. The original intent of keeping kids in town for Halloween has been achieved, and we expect it to continue. There have been some fantastic costumes and "trunks" for which we have been able to award some nice prizes. A special thank you to our police and fire department who make this event a safe one for us; to our costume judges, Felicia Sartell, Linda Bollinger and Milan Daler; and to our trunk judges, Steve Bollinger and Matthew Cabana.

This year's Christmas Giving party was held in conjunction with the Temple Band and the elementary school, and we again had a fabulous turn-out. Our intent in combining the events was to increase participation for both and that objective was achieved. It was a fun day for all ages and brought our community together. A special thank you to Melissa Boisvert, who has run our craft project for years; to Cindi Connolly, who documented the day with photos; to Glenn Nutting, who is the best guy with a twinkle in his eye ever; to Linda and Steve Bollinger, who run the wrapping station; to the staff at the Temple Elementary School for teaming up with us; and to the Temple Band for letting us piggy back on their long established event. We also want to acknowledge the folks who donated to our Christmas store - we got pretty well cleaned out! Hoping lots of folks in town were able to enjoy the gifts their kiddos picked out and wrapped for them.

Right after the Christmas event we were delighted to donate to and participate in the lighting of the Christmas tree on the common. The 4th of July continues to be good old-fashioned small town fun and games, and the fire department does a fantastic job of providing nourishment for the revelers! As I recall, there was still a little snow on the ground at Easter, but eggs were found and fun was had! Big thanks to Kari Dugas for being our photographer! The Open Mic night has been lots of fun this past year, and we hope it continues in perpetuity! Our senior dinner at the Temple Elementary School continues to be one of the best days of the year, and one of the many reasons why Temple is an awesome place to live. Thanks to all the parents who prepare food for this event, and to the staff and students at TES who open their arms and "school home" to host this event. A special shout out to Kimberly Sell for "the magic book" and all of her shopping, coordinating and facilitating! This year's activities include a ballroom dance

Village Green Committee

The Village Green Committee's mission is to support and carry out projects that focus on the maintenance, improvement, and beautification of town-owned green areas in the Town of Temple.

2018 was another busy year. This spring, once again, the committee planted annuals throughout the center of town. We have a faithful group of members and townspeople who help keep these beautiful plants watered during the summer. Thank you all! In September we had our usual "Harvest Table" at the Harvest Festival, selling Annie's baked beans, cornbread, brownies, lemonade and various vegetables and other items that are donated. The new addition to the items we sold was a Green and White Tote imprinted with a Maple tree and the words "Temple Village Green." We have several left and one can be yours by stopping in the store. Peggy will be happy to sell you one for $19.95.

In November we voted a one-time expenditure of up $1,000 to support the Holiday Lighting Committee project. We hope you are as pleased as we were with the results - a beautifully lit Common to help light the holiday spirit in Temple. Enhancing the season, a small but hearty group of people also added wreaths at three of the entrances to the town common. We also purchased wreaths and placed them on all the buildings in the center of town as well as the Municipal Building.

In an effort to raise funds to keep the Common and all Town owned lands beautiful, we hosted a table at the December Temple Business Fair where we sold totes as well as red and white poinsettias. Thank you to all who purchased a plant or a tote. Our projects are paid for by our fundraising profits.

Below is a list of some of our past efforts to help with the beautification of Temple. If you are interested in joining our committee or simply helping out, please call Felicia or leave word of your interest with Peggy at the store.

Past Projects:

- Flowers in planters in the Town center.
- Watering & weeding the planters and Town gardens.

- Wreaths on all town buildings for the winter holidays and decorating the common for the holidays.
- Purchase, with the help of the 250th Anniversary Fund, of 5 Red Maple trees for the Common. (2012-2013)
- Replacement of the ailing Veteran's Memorial Tree. (2014)
- Purchase of plantings, with the help the 250th Temple Anniversary Fund, for a new garden in front of the Municipal Building. (2016)

Holiday Lighting Committee

The Holiday Lighting Committee was charged at the 2018 Town Meeting with studying the possibility of providing holiday lighting in Temple:

Article 10: To see if the town will vote to establish a committee to study holiday lighting for the town center and report their findings to the town. This will be an unpaid volunteer committee. (Passed)

The Holiday lighting Committee held a total of 7 meetings starting on October 23 and ending on January 8. In order to gain support for monies to be included as a 2019 Warrant Article, this very enthusiastic committee felt it was important to show the Town the potential of the holiday spirit. We feel our efforts were well received.

It was decided to light the 5 small Maple trees surrounding the common and a cut Holiday Evergreen to be placed in front of the monument.

A permanent receptacle to hold a cut tree was placed in a dug hole on the Common that could be covered in the off-season and used in future years. Temporary wiring was donated by Ken Caisse. The biggest stumbling block was installation and removal of the lights. Dan Masterson quickly offered to spearhead this monumental task.

2018 Funding:

The generous donations of up to $1,000 from the Village Green Committee, and $250 each from the Congregational Church and the Recreation Commission's Revolving Fund, amounted to $1,500 and the total cost to date is $1382.38 with storage containers yet to be purchased.

Lighting Summary:

Five Maple Trees were lit on December 1st.. On December 9, following the Recreation Committee's Children's Party and Temple Band presentation held at the TES, the Holiday Evergreen was lit. An estimated 50-60 people attended. Refreshments were served in the Town Hall and caroling was led by Phil Lauriat.

It was suggested that next year the committee should consider lighting the Elm tree on the lower triangle approaching the common from General Miller Highway, enhancing the 2019 perimeter lighting. There was also discussion regarding replacing the white lights with colored lights on the Holiday Evergreen tree next year.

Recommendation to the Town of Temple and the Select Board:

In order to make this Holiday Lighting a yearly happening and event we are asking that the Select Board include a Warrant Article in the amount of $1,400 in 2019. In subsequent years, we strongly recommend an annual line item in the budget to ensure the continuation of Temple's lighting during the holiday season.

The most generous donations of money allowed us to procure lights etc. in 2018, however, we anticipate that the amount of donations and volunteer time required is more than we can continue to ask on a yearly basis. While volunteerism & donations remain an essential characteristic of Temple, depending on them, as has been the case in the past in regards to holiday lighting, strains continuity.

We feel a skilled, insured, professional should be hired to install and remove the lights for safety as well as continuity. His or her assistants would preferably be volunteers.

Therefore we recommend:

1) A 2019 Warrant Article for Holiday Lighting of $1,400 based on the following budget:

Labor (inclusive of paid assistants at a lower rate if volunteers are not available)	$900
Cut Tree (if not donated)	$140
Lights (new and replacements if necessary)	$300
Event Expenses (If not donated) & Miscellaneous	$ 60
TOTAL:	**$1,400**

2) A second Warrant Article to fund the installation of permanent wiring and boxes on the Common that would support Holiday Lighting as well as Harvest Festival, Memorial Day, Band Concerts etc., based on the attached budget.

Permanent wiring and boxes for multiple uses on Common. $2,500

3) That this committee becomes a permanent Town committee with all present members appointed with staggered terms.

250th Anniversary Fund

In 2018, $1,000 of 2017 Anniversary Fund award money was applied to the restoration project of historic grave markers. The project was coordinated by the cemetery trustees. The Anniversary Fund advisory committee encourages townspeople to visit and admire the great repair work that was done.

Also in 2018, the advisory committee updated its presence on the town website, including regular submissions of meeting minutes and notice of upcoming meetings and events. We advertise our award procedure in the online Temple Newsletter, and are always happy to accept inquiries and applications for funds for your project, or to advise if you have an idea for a project you think might benefit the town. Contact information for the Fund is available at the Town Offices as well.

Two new worthy projects were awarded funds in October of this year, 2018. The Mansfield Library received $350 as seed money towards the purchase of a video camera and projector, to be housed in the Library, and made available for town use such as special events and presentations in Town Hall. A second award of $1,000 will supplement the fundraising that Temple Elementary School has already begun in order to purchase a new playground slide.

The Anniversary fund is still able to receive gifts of capital, which could increase the dollar amount of support available to town projects. Donations are held by the New Hampshire Charitable Foundation (NHCF), and information is available at Town Offices, or directly from the Fund advisory committee by contacting Julie at 878-2063.

Julie McAdoo, *Advisory Committee*

Home Healthcare, Hospice & Community Svcs

In 2017, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and community services to the residents of Temple.

Service Report: HCS activities in Temple for 2018

Services Offered	Services Provided
Nursing	204 visits
Physical Therapy	209 visits
Occupational Therapy	77 visits
Medical Social Work	8 visits
Home Health Aide	243 visits
Foot Care	38 visits

Nurse Is In clinics, hospice care, Healthy Starts prenatal and well child services are also available to residents. Town funding partially supports these services.

Financial Report

The actual cost of all services provided in 2018 with all funding sources is $106,010.00.

These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.

For 2019, we request an appropriation of **$1,750.00** to continue to be available for home care services in Temple.

For more information about services, residents may call (603) 532-8353 or visit: www.HCSservices.org or drop in for consultation: Walk In Wednesday on the first Wednesday of every month, 3-5pm at our office at 45 Main Street, Peterborough.

Thank you for your support of home care services.

Monadnock Family Services

Monadnock Family Services (MFS) continues to actively assist residents of Temple who are in need of quality mental health counseling and rehabilitation services. In addition to being the region's only emergency mental health crisis service, MFS offers a variety of innovative treatment programs for our community. Our Adult Outpatient Services program provides mental health evaluation and treatment, as well as medication evaluation and monitoring, counseling and specialized group services. Our Child, Adolescent & Family Services program is designed to support and promote good mental health in children and every member of the family. The Monadnock Substance Abuse Services program helps people develop new, healthier behaviors and make positive changes in their lives. Our broad array of services to residents of Temple might include Support for Service Members and Their Families, the Monadnock Volunteer Center, InSHAPE and Supported Employment for Adults and Children, or the Monadnock Adult Care Center.

Your financial support of our work will benefit your friends and neighbors receiving help at MFS, and we hope that our partnership in caring for the residents of Temple will continue. Please know that we pursue many other sources of funding as well, such as Monadnock United Way, grants, foundations, individual donations, and local fundraisings events conducted in concert with our Board of Directors. Each source, however, helps with only a portion of the total cost of care.

We thank you for your past financial support and ask for your continued allocation to help underwrite the cost of services we provide to the uninsured and under-insured individuals in your community. In FY2018, MFS provided over **$11,606.00** in discounts to the consumers in Temple. We expect that an additional **$12,974.00** will likely be written off as uncollectible. To help close this gap, we are asking for the equivalent of **$1.25** for each resident of Temple which, based on the 2010 US Census, amounts **$1,708.00**. We have enclosed information for you about the services provided to residents of your town. If you have questions, or require additional information to support your decision, please contact me at (603)283-1568 or mdelisle@mfs.org.

By working together, we help to insure our communities remain healthy and vital places to live, work and grow. Thank you for your consideration.

Child Advocacy Center

On behalf of the Hillsborough County Child Advocacy Center (CAC), please accept our deepest gratitude for your generous contribution of $1,500.00 for support of the work we do to help our most vulnerable children at our Child Advocacy Center.

It is only through your generosity and unwavering dedication that we are able to help children who are victims of crimes heal, survive and thrive!

- **CACs help child victims heal**

  Child victims of sexual abuse who receive services at the Child Advocacy Center (CAC) are four times more likely to receive forensic medical exams, and increased referrals for mental health treatment than children served by non-CAC communities.

- **CACs provide savings**

  The CAC service delivery model saves court, child protection, and investigative dollars averaging $1,300 per child abuse case compared to non-CAC communities. But more importantly are the savings we strive for by reducing the trauma suffered by child victims of abuse by creating a friendly, safe place for children to disclose their abuse with a qualified forensic interviewer.

- **CACs are an effective best practice**

  Research demonstrates that caregivers in CAC cases are more satisfied with the investigation than those from non-CAC comparison sites. 97% of parents would tell others to seek help at a Child Advocacy Center.

Thank you again for your generosity and for helping to make such an important difference in the lives of children and our community. Kids are counting on all of us!

CVTC gives the gift of HOPE with each mile we drive!

We are celebrating 10 years of award-winning service to the people of the Monadnock region. In 2008, we provided 52 trips and we are projecting a total of 4,929 trips for 2018. I am writing to request town funding for 2019.

This calendar year through September, our Volunteer Drivers have driven 75,512 total miles for 265 riders from 27 of the 34 towns. We currently have 85 active drivers and unmet need. when no driver selects a trip. is at 7.67%. Our goal is a total of 120 drivers hailing from each of the 34 towns.

Temple statistics for 2018:

- We received **43 ride requests** from **4** Temple residents. **3** "unmet need" rides did not take place. **0** residents took wheelchair van rides.
- Volunteer Drivers logged in **1,660 miles** and donated **86 hours** of service for a value of **$1,290.00** (at $15/hour NHDOT rate).
- **0** Volunteer Drivers live in Temple. Other drivers helped to cover these rides.

We request that Temple supports our good work by continuing your annual donation of $500.

CVTC is a strong thread in the safety-net of human services and continues to advocate for community transportation options for the entire region. We contribute to the health, well-being and independence for the people of Temple.

On behalf of our riders and Volunteer Drivers, we are grateful for your consideration. Town funding provides leverage for other funding opportunities. Please contact me if further information is needed at ellen@cvtc-nh.org or 821-4081.

P.S. We are always recruiting Volunteer Drivers to keep up with the demand. Help us spread the word.

St. Joseph Community Services, Inc.

For many years, the Town of Temple has supported our services. I write again to ask for your continuing support. St. Joseph Community Services has been providing vital services to the elderly and disabled adults of Hillsborough County for over forty years. Providing nutrition and social engagement to this often isolated population helps support their choice to remain independent and age in place in their own homes within their communities. For 19% of our homebound clients, the driver is the only person he or she will see that week.

Meals on Wheels is not an entitlement program. In other words, there is a limit to the amount of meals funded under our state contract. The funding that we receive from the cities and towns in our service area of Hillsborough County is essential to our ability to continue to meet the needs of everyone who asks for our help.

In addition, our program is funded by the state on a per meal basis. The money provided for each meal does not cover the full cost of a meal. It was never intended to. It is expected that agencies like St. Joseph Community Services would raise the remainder of the funds from the communities it serves.

Last year, we served **9** Temple residents. Of these, **1** was served under our Title XX Program, which is sponsored by the County of Hillsborough. We are requesting funding of $85 for each of the remaining clients.
