Special Thanks ~ Priscilla A. Weston

The town would like to thank Priscilla Atwood Weston for her many years of devoted service to our community. Beloved Temple Librarian for over four decades, she has always been respected and admired for her commitment, her caring, and her heartfelt encouragement.

Myriad readers, both young and old, have been inspired and touched by her lifelong passion for learning, exploring, and discovering through books. She has shown by example that reading is an adventure to be enjoyed and shared.

As Curator of the Historical Society of Temple for 50 years, she has worked tirelessly to create a genuine appreciation of Temple's treasures, a clearer understanding of the town's history and evolution, and a valid means of preserving the archives and records for generations to come.

She has shared her research, knowledge, and experience through her writing, her public presentations, and her community involvement. The latter has spanned over 70 years and has included such varied leadership roles as the Secretary of the Temple Conservation Commission, Mansfield Library Trustee/Secretary/Treasurer, Director of the Hillsborough County Farm Bureau, Master (along with other positions) in the Miller Grange, and Founder/Coordinator of the Four-Score-More-or-Less Club.

TEMPLE

Time in a bottle

Rare find to be centerpiece of glassworks exhibit

By NICK MARTIN
Monadnock Ledger-Transcript

TEMPLE — A rare glass bottle from Temple, estimated to be close to 200 years old, will be one of the centerpiece pieces of a regional historic glass manufacturer exhibit now that the Temple Historical Society has purchased it for the town.

The glass factory in Temple was started in 1780, and was the first of a series of glassworks to be opened in northern New England. The remnants of that factory, and others like it, have been the subject of historical digs over the years, including in 1968, when the Cornish Museum of Glass expressed interest in excavating the site in Temple.

At that time, a local farmer reported that he had found a bottle at the site many years earlier, according to an historical society press release. The area around the glass factory was logged in 1907, and the old glass works were "re-discovered" in the process. While no written record exists of the farmer's find, the historical society believes that he may have been a part of the logging party and found the bottle at that time, historical society Chairwoman Anne Lust said.

The bottle had remained in the farmer's family's possession, and in Temple, as it was handed down for several generations. Earlier this year, historical society Curator Priscilla Weston purchased the bottle from one of the farmer's descendants, who wanted to ensure the bottle stayed in town, but didn't want to be named.

There is no real proof, Weston said, that the bottle is from the 1780s, but anecdotal evidence, and the bottle's shape and color, suggest it is from that era.

"I have known about the bottle for years and wishing it could be part of our collection. I'm very delighted that we now have it," Weston said. "The bottle is rather crude. I would say. It could have been something that was rejected and just tossed aside. We can't say for sure, but it cer-

SHANE PHOTOS BY NICK MARTIN
Priscilla Weston holds the Temple Historical Society's newly acquired glass bottle that will be included in an upcoming exhibit on early glass manufacturers. The historical society estimates the bottle is about 200 years old.

tainly is possible. It is the right color when compared to the other pieces we've found there."

The small bottle is almost flask shaped, but has an uneven bottom and a misshapen lip.

"It could have been an experiment before they got something that was sellable. I'd like to think that's how it got left there, and not sold off. There is no way anyone can say for sure," Weston said.

If the bottle is from the Temple glass factory it is likely one of the oldest intact glass bottles made in the country. The Temple Historical Society has two other intact bottles believed to be from the Temple glass factory.

The bottle will be one of 300 rare pieces on display as part of a regional exhibit on early glass manufacturers at the Peterborough Historical Society beginning on Nov. 13.

She has served as a member of the school board, one of the founders of the Temple Drama Club, a Ladies Aid member/volunteer, a substitute school teacher, a longtime member of the Temple Congregational Church Choir, and much more.

Her time in Temple began in 1948 when she moved to Oak Hill Farm after marrying the love of her life, Wilfred Colburn Weston. For decades, together and individually, they gave generously of their time and energy, shared their fun-loving natures, and exercised caring and common sense throughout the community.

Now Priscilla faces another transition, one that will take her away from the farm and the Temple village life that she has loved and served with all her heart, the place that has been her world for 74 years. She will be moving to Summerhill during the month of January 2022.

Priscilla will be missed here in town, but we will feel her presence in the spirit of the community. Her many widespread contributions will endure as strong and colorful threads woven throughout the fabric of the town.

With this dedication page, we wish to express our deepest thanks to this extraordinary lady. We present our heartfelt wishes for health and happiness in her new home.

Warrant Articles 2022

To the inhabitants of the Town of Temple, in the County of Hillsborough, in the State of New Hampshire, qualified to vote in Town affairs:

You are hereby notified to come to the polling place at the Temple Town Hall, 9 Main St., in said Temple, on Tuesday, the Eighth day of March 2022, at Seven o'clock in the morning through Seven o'clock in the evening to vote on the following articles:

Article 1: Election of Officers:

To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing term.

Article 2: Zoning Amendment:

To cast your ballots on the proposed adoption of Amendment #1 as proposed and recommended by the Planning Board for the Town of Temple Zoning Ordinance as follows:

Amending Section 30: Lighting/Dark Sky Protection to further control light pollution and mitigate the impact of artificial light in alignment with the Vision Statement of the Master Plan (2019).

- Add clarifying language to Purpose (Section II);
- Change the maximum height of outdoor luminaire from 40 feet to 20 feet to align with the latest technology (Section III);
- Add language in accordance with RSA 236:55 making it clear any new public area and roadway fixtures shall require Planning Board approval (Section VI); and
- Update formatting throughout the document for consistency.

You are further notified to meet at the Temple Elementary School, 830 NH 45, in said Temple, on Saturday, the Twelfth Day of March 2022 next, at ten o'clock in the morning, to act on the remaining articles 3-12:

Article 3: Operating Budget

To see if the town will vote to raise and appropriate the sum of One Million two hundred ninety six thousand two hundred eighty-nine dollars (\$1,296,289) for town charges as the operating budget and other necessary maintenance and operating expenditures. This article does not include appropriations contained in special or individual articles addressed separately. *(Select Board Recommends)*

Article 4: Paving

To see if the town will vote to raise and appropriate the sum of one hundred nine thousand dollars (\$109,000) for the Highway Department paving projects planned for 2022, with twenty thousand dollars (\$20,000) to come from the Asphalt and Paving Expendable Trust, previously established.

(Select Board Recommends) (CIP Committee Recommends)

Article 5: Highway Vehicle Trust Fund

To see if the town will vote to raise and appropriate the sum of one hundred seventy five thousand dollars (\$175,000) to be added to the Highway Vehicle/ Equipment Capital Reserve Fund, created by Article 11 at the 2013 Town Meeting, for the purpose of future capital expenditures.

(Select Board Recommends) (CIP Committee Recommends)

Article 6: Computer Upgrades

To see if the town will vote to raise and appropriate the sum of twelve thousand one hundred and fifty five dollars (\$12,155) to purchase new computers for use in the town offices. *(Select Board Recommends) (CIP Committee Recommends)*

Article 7: Highway Department Move (1)

To see if the Town will vote to dedicate Lot #36-1 on map 7A, formerly known as the Holt property, for the purpose of constructing a new Highway Department site and allow the construction to begin using funds from the Highway Department Building and Construction Expendable Capital Reserve Fund.

(Select Board Recommends 2 yes 1 no)

Article 08: Highway Department Move (2)

Shall the Town vote to establish a Highway Department Building and Construction Expendable Capital Reserve Fund, under the provisions of RSA 35:1, for the purpose of covering the costs of relocating the Highway Department, to raise and appropriate \$249,800 to be placed in the fund with \$130,800 coming from Unassigned Fund Balance, (being the sales proceeds from the sale of lots 2B 75-3 and 2B 75-4), and \$119,000 from taxation. Furthermore to authorize the Select Board to serve as Agents for this Fund. *(Select Board Recommends 2 yes 1 no)*

Warrant Articles 2022

Article 9: Establish Community Advisory Committee (CAC)

To see if the Town will vote to establish a committee to be named the Community Advisory Committee (CAC) for the purpose of collaborating on and supporting projects that honor the Vision of the Master Plan.

The Committee shall consist of no fewer than 3 members. Members shall be appointed by the Select Board for a term of 3 years, or to fill a vacancy. Appointments shall be made every two years of one-third the total number of members, as near as possible, to stagger the terms. *(Select Board Recommends)*

Article 10: Adopt RSA 41:14-a

To see if the Town will vote to adopt RSA 41:14-a, to allow the Select Board to acquire or sell land, buildings or both; provided, however, they shall first submit any such proposed acquisitions or sale to the planning board and to the conservation commission for review and recommendation by those bodies. This article will remain in effect until rescinded by majority vote.

(Select Board Recommends) (Majority required)

Article 11: Renew Joint Police Department Agreement

To see if the town will enter into a three (3) year inter-municipal agreement for the Provision of police services pursuant to RSA 53-A between the towns of Greenville and Temple on such terms and conditions as specified in the contract. This article is contingent upon passage of a similar warrant article by the Town of Greenville. *(Select Board Recommends)*

Article 12: Adopt RSA 31:19

To see if the Town will vote pursuant to RSA 31:19, to authorize the Select Board to accept and hold in trust gifts, legacies and devises made to the Town on behalf of the Town. *(Select Board Recommends)*

Given under our hands and seal this 17th day of February in the year 2022,

Bill Ezell, *Selectman*

Ken Caisse, *Selectman*

George Willard, *Selectman*

Select Board Report

2021 has been another eventful year for all town residents. The Covid-19 epidemic has continued and still forces the town and all of us into more restrictions. All meetings are currently being held in the main room at the Town Hall. We follow CDC guidelines, so this can change at any time.

As a result of the COVID-19 pandemic, this year the town received Federal American Rescue Plan Act (ARPA) funds. The Select Board did a survey of residents seeking input on what they consider priorities for these monies and is working with several town boards and committees to fulfill residents' most desired projects. These include purchasing technology to provide remote viewing access to town meetings, replacing the aging septic system in the village center, repairing and maintaining the town's outdoor recreation facilities, and more.

On a more pleasant note, this year the tax rate went down as a result of the school budget going down and the town continuing with tight budget controls. The Select Board would like to thank all our town departments, boards, committees, staff, and volunteers, who have worked diligently to reduce or keep our tax rate flat.

The biggest change this year is that the town has signed an agreement with Consolidated Communications to provide high-speed internet access to every home in Temple. The Select Board would like to thank Christine Robidoux, Jessica Hipp and the Broadband Committee for their hours of work to make this a reality. This was done with no cost to the town. Installation will continue in 2022. Welcome to the modern world!

In anticipation of a possible future need to retain our elementary school we have also approved the creation of a committee to research how best to keep Temple Elementary School sustainable, per the views expressed by residents and outlined in the Vision Statement of Temple's Master Plan.

As our town becomes more vibrant, we have found a need to improve parking in the center of town. We continue to research ways to make parking safe and welcoming for all who attend activities and businesses in our Town center. In addition, the TLUC pledged their support for the Community Advisory led 'Plan NH Charrette' in 2022, to seek expert recommendations on this challenge.

The Select Board is tasked, by law, with enforcement of zoning ordinances and building permits. Several recent challenges have prompted the Select Board to discuss

the possibility of hiring a Code Enforcement Officer to assist with this process, in the hopes that questions and concerns from residents can be resolved by other means than in the courts. The Select Board will continue researching this option in 2022.

The town website, www.templeh.org, is a valuable resource. Please use it. It is our official source for information about significant events and happenings in town including a calendar of events, news, and announcements. The site also has committee agendas and minutes as well as any forms and documents you might need including access to tax cards and tax maps.

We still face some significant issues as a town, one major issue is a lack of citizens running for town offices or volunteering to be on town boards. This is YOUR town, please help to keep it working. For more information about specific boards and committees, visit the town website and attend a meeting. All meetings are open to the public.

In closing, 2022 is an opportunity for all of us to keep our town a wonderful place to live.

Bill Ezell, *Chair*

Ken Caisse

George Willard

Connie Kieley

Capital Improvement Program Report

The New Hampshire legislature established RSA 674:5-8 to encourage towns to develop Capital Improvement Plans in order to anticipate and plan financially for major expenses. Temple's first Capital Improvement Plan (CIP), developed in 2004 with assistance from the Town's Departments, was intended to be a living document. The CIP Committee updates the plan each year to reflect the Town's changing needs, providing recommendations to the Select Board for consideration at Town Meeting.

The CIP Committee's goal is to keep the Capital Improvements budget as flat as possible, while emphasizing protection of current infrastructure and town services. In 2021/22 the CIP Committee met and/or communicated with each town department, reviewing and discussing potential revisions for the 2022-2031 CIP Plan. To assure continuity of discussion from year to year, each department also provides a CIP Expenditure Request Form as well as up-to-date quotes for all items requested.

We encourage all departments to research and apply for available grants and Temple's Fire Department, Highway Department, and Municipal Office have successfully secured grants. We encourage early applications so we can better plan for a smooth bottom line.

A copy of this year's CIP report, including the narrative and spreadsheet, may be obtained at Town Meeting, at the Municipal Building or online at TempleNH.org.

CIP highlights for 2022:

Capital Reserves: The Committee is recommending targeting a consistent, yearly tax impact of approximately \$275,000 to cover capital improvements. This value was selected based on past data and future projections to be sustainable for the Town's needs into the foreseeable future. To achieve this goal, the CIP recommends the use of Capital Reserve accounts (to which funds would be added or subtracted to achieve the targeted tax impact) in conjunction with bond or lease financing when appropriate.

Roadway Paving: Continuing the multi-year Road Paving and Sealing Schedule initiated in 2019, the CIP Committee has worked closely with the Highway Department to develop funding plans with the goal of meeting road repair and maintenance needs while leveling the year-to-year tax impact. For 2022, the plan calls for base

coat repaving and drainage work on Howard Hill Road, plus overlay paving on Tyler Hill to Cutter Road for an estimated cost of \$109,000. While the paving plan originally called for overlay paving of Cutter and Moran Roads (at an additional estimated cost of \$95,000), the Road Agent advised that this could be delayed a year without adverse effects to allow funding of a new dump truck (see below).

Highway Vehicle replacement: The Highway Department has requested the replacement of the Town's 2006 International six-wheel dump truck at an estimated cost of \$175,000, in accordance with the CIP schedule. The CIP Committee considered two alternatives: a three-year lease/purchase arrangement or purchasing the new vehicle outright. Since the truck chassis and dump body may have to be procured from different vendors, it was felt that outright purchase would provide greater flexibility and that delaying some highway paving (see above) would allow this option within the CIP leveling target. Due to concern over global supply chain issues, which could potentially delay the purchase into 2023, the Committee is recommending that the Town appropriate \$175,000 to be added to the Highway Vehicle/Equipment Capital Reserve Fund, which would give the Select Board the flexibility to purchase the truck whenever it is available.

Chipper replacement: The Highway Department has requested the replacement of Town's failing wood chipper, purchased used in 1986. In collaboration with the Road Agent, the CIP Committee is recommending that the Select Board authorize the purchase of a late model used chipper, at an estimated cost of \$30,000, using existing funds in the Highway Vehicle/Equipment Capital Reserve Fund, once a suitable unit can be found.

Computer upgrades: The CIP Committee is recommending replacement of the computers in the Municipal Building office, purchased in 2015. Computer technology has changed dramatically in the past seven years and the upgrade is intended to keep our IT infrastructure current. Estimated cost is \$12,155.

Library Carpeting: The Library Trustees requested that the carpeting in the Library be replaced due to heavy wear, at an estimated cost of \$7,000. The Trustees are requesting adding this to the CIP schedule for 2023 or 2024. The Committee has added this capital expenditure to the CIP schedule for next year and will reassess when all requests for 2023 are evaluated.

Capital Improvement Program Report

For 2022, the CIP Committee recommends the following:

Highway Vehicle Trust Fund: The Committee recommends that the Town raise and appropriate \$175,000 to be added to the Highway Vehicle/Equipment Capital Reserve Fund, to facilitate the purchase of a new six-wheel dump truck.

Asphalt & Paving: The Committee recommends that the Town raise and appropriate \$109,000 for highway paving. For 2022, the plan calls for repair and paving of Howard Hill Road and Tyler Hill.

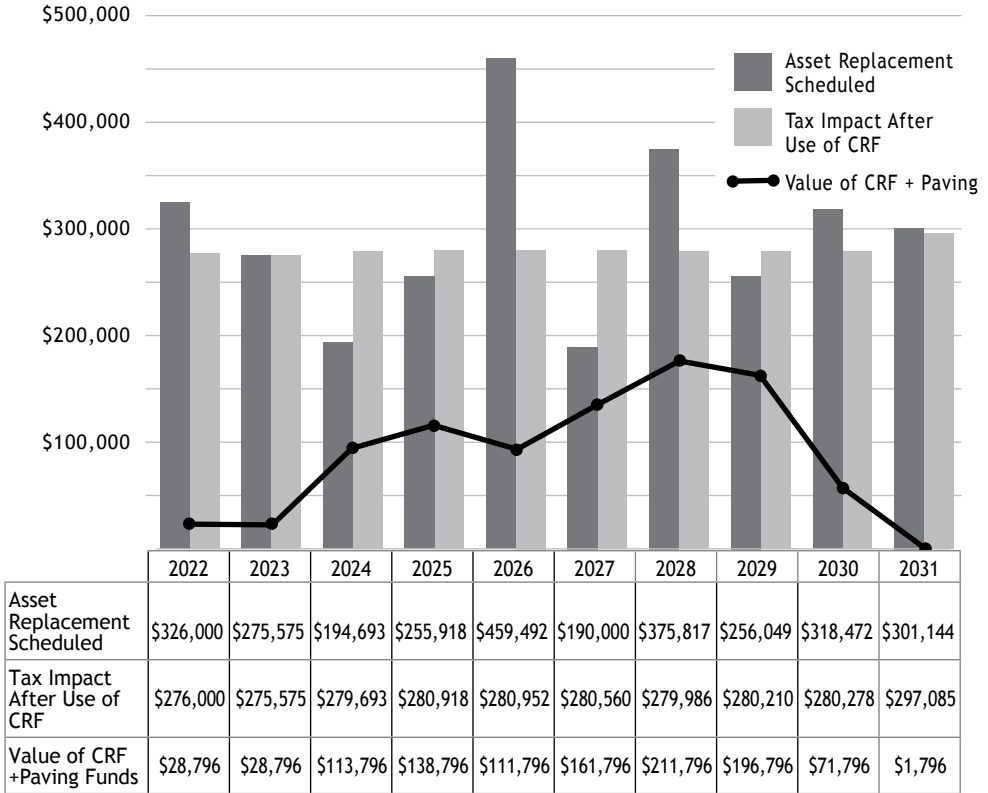

Computer Upgrades: The Committee recommends the purchase of new computer equipment for the Municipal Building office at a cost of \$12,155.

Respectfully submitted by the Capital Improvement Plan Committee,
Gail Cromwell, *Chair*

Elizabeth Crooker

Capital Appropriations With vs Without Smoothing

The spreadsheet and graph included with this report illustrate the leveling effect afforded by the use of Capital Reserves and Financing. The graph shows the scheduling of asset replacements and expenditures, in dark grey. The effect of using Capital Reserves to spread these expenses over time is shown in light grey.

Budget Advisory Committee

Town Budget:

The Budget Advisory Committee provided the Temple Select Board (SB) with a recommended 2022 Operating Budget of \$1,278,825 (before SB additions and approved wage increases.) This is 3.9% greater than the previous year's budget which is protective in light of the current uncertainty of inflation projections. There continue to be no Debt Service costs and after adding the anticipated wage increases and management of routine capital expenditures through the CIP, Temple's "Continuation Budget" is anticipated to be \$1.57M which is a 4.1% increase over 2021.

There were only anticipated "year-on-year" changes to Temple's operating budget. These were in the areas of "Elections" (increase due to more elections), Data Processing (increase due to software and setup related to new hardware), Tax Abatements (decrease do to stabilized assessment changes) and Government Building (increase Municipal Building repairs and Flag Pole replacement that have both been delayed for several years).

Other BAC Activities:

In **September**, the BAC hosted our annual, joint meeting with the SB to discuss the 2020 Auditor's Report. Action Items were identified and all were addressed prior to or resolved during the meeting. We learned following that meeting that our auditor's would be unable to provide services to Temple in the future due to their personnel limitations.

In **November**, the BAC provided the SB with an accepted proposal for setting Temple's 2021 Tax Rate. A reduction of budgeted payments to ConVal was very advantageous but recognition that this might not extend through the 3rd and 4th quarters of Temple's 2022 fiscal year, was also taken into consideration. The final rate implementation was a notable but conservative tax rate reduction from \$24.16 to \$24.01 which will both conserve our Fund Balance and protect our 2022 cash flow.

It is also notable that due to the size of revenue and expenditures associated with the American Rescue Plan and Broadband, the BAC recommended that these items be completely separated from the General Fund for tracking clarity and individual accounts have now been established for these items.

Respectfully Submitted,

Gary Scholl, *Chair*

Independent Auditor's Report for 2020

August 10, 2021

Select Board
Town of Temple
P.O. Box 191
Temple, New Hampshire 03084

During the course of our 2020 audit we identified certain areas where improvements and/or efficiencies could be made that were not included in a formal management letter. The following summarizes these issues very briefly:

- The Town should ensure that proper policies and procedures are in place to address the following:
 - Employee pay rates are reviewed to ensure proper approval and that amounts paid agree with contract.
 - Salary budget versus actual results are reviewed and monitored on a regular basis.
- Letters should be sent to local banks to confirm accounts held in the Town's name.
- Cash reconciliations between the Treasurer and general ledger should contain dual signatures.
- The Treasurer should have custody of all checks and monitor the check sequence.

We encourage the Town implement these recommendations in order to improve controls and efficiencies. We will be available to discuss these with you in more detail at your convenience.

Sincerely,

Scott McIntire, CPA
Principal

Merrimack, New Hampshire
Andover, Massachusetts
Greenfield, Massachusetts
Ellsworth, Maine

(1) Scholarship Donations, in memory of Joe Cournoyer

Highway Department

Phase two of the West Road project has been completed, and I'm happy to say everything went better than expected. The weather was good, and the materials under the road made it possible to extend the project all the way to the Sharon town line. The rest of the paving projects will not require the amount of work that went into this job. Thanks go out to the residents who had to put up with the construction for the past two years. You will see us next year working on portions of Cutter Road and Howard Hill Road.

The backhoe was paid off this year – where does the time go? Also, the purchase of a new 6-wheel truck was made. It took some doing to locate an available truck because of the chip shortage. Even orders through the state were canceled. I finally was able to purchase a GMC truck in Gardner, MA. We then had to wait five months for a sander body to come in from Canada, and you may have seen the truck temporarily being driven around with a plywood bed. The truck is designed to be safer, with sand being spread in front of the rear wheels, keeping the vehicle on the road even when dealing with icy conditions. It is time to replace the 2005 International truck, and I think it may take twice as long to obtain due to ongoing shortages.

Steve Harling and I have been working alone, as it has been impossible to find a qualified third person. We are fortunate to have two part-time drivers on call if things get rough. We are not the only ones, as there continues to be a shortage of truck drivers everywhere, and snow plowing is not a job many people are willing to do. Our lack of a third person is made up by the excellent equipment that the department has, making the job easier and safer. I wish to thank the residents for their continued support.

Also, special thanks go to the residents who pick up garbage and trash along the sides of the roads. Your efforts do not go unnoticed.

Respectfully submitted,
Kent M. Perry, *Road Agent*

Cemetery

Early in the spring we tackled rebuilding the back wall of the “Wives and Mothers” cemetery in the village area. It needed to be reset, as time was pushing it over. Bruce Kullgren donated beautiful granite from a barn foundation on his property to help with the project. We successfully rebuilt the wall and it looks like it has always been that way. Loam was added to the far end and we hope the grass will come in strong. Also, the Library had redone their flower garden, so some of their excess flowers were replanted around stones and along the front wall in the cemetery.

All of the cemeteries got another dose of fertilizer and the grass has been coming back quite nicely.

Respectfully submitted,

Kent M. Perry, *Cemetery Supervisor*

Steve McGettigan

Temple-Greenville Police Department

In the past two years, the Police Department, along with all of you, have been doing our best to deal with Covid-19. The Department staff has taken great care to protect the public and ourselves from the spread of this virus. This is an ongoing challenge due to our frequent contact with the public. Temple and Greenville have done a tremendous job providing us with personal protective gear along with sanitizing supplies.

The frustration of quarantining along with limiting our social activities has had an impact on our statistics. This has been especially hard on the juveniles. We are seeing more juveniles acting out due to the social and school restrictions, however, we did see a drop in domestic violence cases. We are all hopeful that 2022 will bring us back to normal living.

On January 5th, 2022, my mother, Merwyn E. McTague passed away at the age of 84. This was a sharp reminder to me to be thankful of our supportive loved ones. As a first responder we are always being thanked for our service. Sometimes we forget to thank our wives, husbands, children, family and friends for their support. To all those who see their first responders leave at all hours of the night, come home late or miss out on holiday and family events, we greatly appreciate your support.

Respectfully,

James H. McTague, *Chief of Police*

Calculation of Temple's Share of Police Budget			
	Budgeted 2021	Expend. 2021	Proposed 2022
Greenville Share (61%)	(1) \$ 430,391	\$ 385,809	\$ 433,463*
Temple Share (39%)	(2) \$ 275,168	\$ 246,665	\$ 288,976*

Notes:

*2022 Reflects New Proposed 60/40 split

Teri Muskavitch

Ambulance Service Report

2021 marks the first full year that we have had the privilege of providing emergency ambulance service to the Town of Temple. Although we were still dealing with a significant number of COVID-19 related issues, our call volume began to return to “normal.” As a service, we have been very fortunate to continue to attract and retain quality EMS providers of all levels with a current roster of over 50 licensed providers including six (6) full-time paramedics which guarantees us a paramedic on duty 24/7/365.

In total our service responded to 2,514 calls in 2021. Of those calls, 1,517 were for emergency ambulance service, 96 of which were to the Town of Temple. These calls included a combination of medical emergencies, motor vehicle accidents, and standby for fires where we work seamlessly with the members of the Temple Volunteer Fire Department who are your first responders, arriving rapidly to the scene, and often providing life saving interventions. It would be impossible for us to be successful if it were not for their continued dedication to the community.

As we move forward into 2022, Peterborough Ambulance’s 50th year of service, we look forward to continuing to serve the residents of Temple.

Thank you.

Ed Walker,

Fire Chief

Matt Robblee,

Deputy Chief of EMS

Volunteer Fire Department Auxiliary

The TVFD Auxiliary is a group of men and women of all ages who support the Fire Department. The Auxiliary teams up with the Fire Department at community events, such as celebrating our fallen heroes by marching in Temple's Memorial Day parade, gathering supplies for the 4th of July Games and BBQ at the ballfield, Temple's Harvest Festival and making homemade desserts and serving the Chicken BBQ. The Auxiliary usually holds two Rummage & White Elephant Sales per year.

Profits from these fundraising events are used to help offset costs that the fire department has that are not part of the normal town budget, such as Class A uniforms for marching and funerals. Proceeds from sales have also been used to purchase ladders & equipment for the new engine, that the town received through a grant, therefore helping to not incur increased taxes.

The Auxiliary answers the call of support during large incident scenes to provide nutrition and hydration that allows our fire fighters to function and maintain their energy during sometimes long and stressful events. The TVFD Auxiliary welcomes new members to join our group.

TVFD Training

Volunteer Fire/Rescue Department

2021 What a year. This was a little better than 2020 for us. Temple Volunteer Fire Department responded to a record 131 calls for the year. Our average has been around 100 calls a year. Big jump for us and the members did a great job. I have redone the call lay out so there are not as many line items. This year our Rescue & EMS calls jumped up. We had a few more mutual aid calls this year as well.

This year partnering with the Peterborough Ambulance has been great once again. We are becoming more familiar with the way each town works and building great team work. Great job to both departments.

We had 3 new members join us this year. Welcome aboard Kevin Collette, Alyssa Marino, and Leslie Williams

Congratulations to Firefighter Sally LeComte for being named Fire Fighter of the year for 2021. Keep up the great work.

This year I was able to secure a new brush truck on another grant costing the town no money. It is an old military LMTV. We will not have any issues going into the woods with "The Beast". We took the skid unit out of our old brush truck and put it on this one. The old brush truck is now our medical/utility vehicle.

We continued our training with New England Fire Training, who has created their own props to help train and stay well prepared in structure fire knowledge. This year we completed a confidence maze, Search and Rescue, Hose advancement and FF down scenarios. Would like to give a big Thank you, to Chris Grover for working with us and we look forward to continuing our partnership in 2022. We also trained on vehicle extrication, car fires, ladder deployment, and rescue jacks with many other things. Fire Captain/Training officer Jay Contois did a great job putting drills together for us this year.

We were also successful in securing the radio grant. We will be getting 6 mobile radios and 10 portables, extra batteries and chargers all for under \$3,000.00. They should be in the middle of January. Thank you to the town residents for approving this at last year's town meeting.

As Chief I look forward to working with all the members of the department and the Officers in 2022 as we continue to improve our department.

TVFD is always looking for volunteers to come join us. As a volunteer department we are looking for assistance in any capacity that an individual can give. Such positions include: Firefighters, Fire Scene Support Personnel, Drivers/Operators, Incident Support Personnel, First Responder EMT's, Administrative and Maintenance personnel. Training is not necessary. We provide the equipment and the necessary training as well as all the support that you need to become a safe member of the department. It is our goal to have every member return to their family after each call. TVFD accepts and encourages individuals from age 14 on up to join. Please contact a current member or email Chief Clark at TVFDc1@gmail.com or (603) 801-8607.

In closing I would like to thank all my Officers and members for a job well done this year. Also Thank-You to the town for its continued support.

Respectfully submitted,
George Clark, *Fire Chief*

Temple Town Forester

For the tax year April 1, 2020 through March 31, 2021, the Town received five Reports of Wood or Timber Cut. Yield taxes assessed for these harvesting operations totaled \$9481.06. As of December 20, 2021, two Intents to Cut have been filed with the Town for the current tax year. The frequency of timber harvests conducted in Town remains fairly consistent with the prior couple of years. Over the past year lumber has been in extremely high demand with very limited supply and inventory available. As a result lumber prices have skyrocketed. This can be directly correlated to the Covid-19 Pandemic. With so many people staying home and not travelling, there has been a huge uptick in residential renovations, creating a much larger demand for lumber than usual. At the same time supply has been much less than usual due to import restrictions on foreign lumber as well as the ongoing supply chain situation and shortages in manpower at the manufacturing and distribution level.

As a result of this “supply and demand” situation, demand for forest products in New Hampshire has increased over what had already been strong. These increases in prices are finally starting to trickle down to stumpage prices. Good quality white pine and hardwood continue to be the front-runners. Low-grade forest products, primarily whole-tree chips and pine & hemlock pulp continue to be a problem as logging contractors can barely cover their operating costs at the current rates paid for these products.

The State RSA specifies that any person owning land upon which wood or timber is cut, either for sale or for services rendered, must first file an Intent to Cut form with the Town Selectmen or assessing officials. The exception to this is a person cutting up to 10,000 board feet of logs or up to 20 cords of fuel wood for either their own use or for a land conversion. Under these exceptions an individual does not have to file an Intent to Cut form. The tax year runs from April 1st to March 31st.

The RSA also states that within 60 days of completion of the operation or by May 15th, a Report of Wood or Timber Cut must be filed with the Town specifying the exact volume cut by species. The Town will levy a 10 percent yield tax based on the stumpage value of the material cut. This value is not based on the actual price paid for the forest products but on average values provided by the State. If the job is not completed by March 31st or did not take place, a Report of Cut must still be filed by May 15th. At that time a new Intent to Cut should be filed to renew the permit. If the job is not completed by March 31st but will be completed by June 30th,

a 90-day extension may be granted without having to renew the permit. To do this the Selectmen must be notified in writing by the Owner, prior to May 15th. Finally, during a harvesting operation, if the volumes to be harvested are going to exceed the estimated volumes on the original Intent to Cut, a supplemental Intent should be filed immediately showing the additional estimated volumes.

Landowners considering a timber harvest should be aware of these State harvesting regulations that must be followed. If you have any questions regarding this or the permitting process, you can contact me through the Selectmen's Office.

Respectfully Submitted,
Allan Oxman, *Licensed Forester #67*

Linda Bollinger

Forest Fire Warden & State Forest Ranger

Despite a brief flurry of wildfire activity across the state this spring, the summer and fall months saw weather conditions which kept the fire danger consistently at low levels. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. The towers' fire detection efforts are supplemented by the NH Civil Air Patrol when the fire danger is especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Every year New Hampshire sees fires which threaten or destroy structures, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

The long lasting drought effects in Coos County are showing some minor signs of improvement but a good portion of northern Coos remains in the abnormally dry category with the northeastern portion still remaining in moderate drought. While the drought conditions have improved, we expect some areas of the state may still be experiencing abnormally dry or drought conditions this spring. For this reason, we ask everyone to remember Smokey's message about personal responsibility and follow his ABC's: **Always Be Careful** with fire. If you start a fire, put it out when you are done. **"Remember, Only You Can Prevent Wildfires!"**

As we prepare for the 2022 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting www.NHfirepermit.com. The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information, please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nh.gov/nhdfl.

For up to date information, follow us on Twitter and Instagram: @NHForestRangers

Animal Control

The statistics for 2021 are below. Wild animal complaints have been declining this past year. A word of advice, if you see a wild animal acting strange please call Animal Control. Do not attempt to approach it yourself.

The lost and missing category includes both dogs and cats. Some have been found and returned to their owners, others have not been found. The Humane Society has reported that rabies is higher in cats than in other years. Please, if you are going to let your cats roam make sure they have been vaccinated for rabies, distemper, and any other diseases that your Vet recommends. The best advice is to keep your cats indoors.

Dog Owners please remember that all dogs over the age of 4 months old must be licensed by April 30th of each year, RSA 466:1. The dog tag should be placed on a collar that is around the dogs neck. Not only will this help me return your pet if it gets lost, but it is the State law.

Lost and/or missing animals	24

Zoning Board of Adjustment

The Zoning Board of Adjustment's role is to consider applications for Variances, Special Exceptions and Equitable Waivers under Temple's Zoning

Ordinance and to hear appeals of Administrative Decisions made by Town Boards. It provides a way for situations that don't fit the ordinance to be considered and possibly be allowed. The ZBA has a special role under state law. It acts as a 'quasi-judicial body', which means it acts like a court by considering evidence, applying strict rules to that evidence, then deciding if an activity should be allowed under those rules.

Application forms and instructions can be found on the Town website under "Forms and Documents" in the ZBA section.

The ZBA was quite busy in 2021. A significant commercial venture was approved. However, an appeal of the approval was made and is pending in state court. It will be decided early 2022. A second application for another commercial venture was considered but the applicant withdrew the application after discussion. Additionally, there was an almost complete turnover of board members during the year.

Respectfully submitted,

Bill Ezell, *Chair*

Jenna Kieley Teeson

Planning Board

After June elections the Planning Board (PB) welcomed two new members: Keith Charlton and Alan Fox. The following officers were voted in to serve for the year: Chairman – Nicole Concordia.; Vice Chair – Bruce Kullgren, Jr.; and Secretary – Keith Charlton. Many thanks to outgoing members Allan Pickman and Randall Martin for their decades of service.

The PB undertook several projects to revise old documents and create some new ones. There is now a Voluntary Merger form available to residents to assist in merging two contiguous parcels into one. The Tax Maps have been updated. The PB Rules of Procedure continue to be revised and expanded. Driveway Regulations are being revised for consistency and inclusion of the Permit Application for both Permanent and Temporary driveways. The Site Plan Review Application and Regulations are being revised to fill gaps and make the process clearer to applicants. The Subdivision Regulations are being revised to come into alignment with state guidelines for rainfall events and third-party inspections. Look for Hearings to be held throughout 2022 to discuss changes once the PB is comfortable with their proposals.

Temple's participation in the National Flood Insurance Program was brought for discussion again at the end of 2021. There was not a clearly-articulated proposal for how to implement such a program in the TZO, and the issue was tabled for now.

During the year the PB conducted one site plan review, approved two minor subdivisions, and approved one voluntary merger.

In order to bring the Dark Skies portion of the Temple Zoning Ordinance (TZO) in line with current best practices, the PB is proposing a change to reduce the maximum pole height of outside lights from 40' to 20', along with strengthening the Purpose language. The PB encourages residents to vote in favor of this proposed change.

My thanks go to all of the PB members and secretary, Olivia Holmes, for all of their hard work and dedication over the past year.

Respectfully submitted,
Nicole Concordia, *Chair*

Conservation Commission

2021 felt like a year of opposites. The first half was spent mostly in virtual gatherings, while the second half found us returning to meetings in the Town Hall and even hosting a table at the Harvest Festival. We enjoyed working once again in groups outdoors on our trails projects, and we are very grateful for everyone who volunteered their time to help with our efforts.

Membership: The Conservation Commission accepted Honey Hasting's resignation with sincere thanks for her many years of service! We also welcomed new member Jeff Jensen for part of the year and appreciated his knowledge and contributions.

The White Ledges: We installed a lovely kiosk at the beginning of the road that leads to the ledges. Many thanks to Temple's Anniversary Fund, Kent Perry, and Eric Foley for their help. Stop by and read the interesting facts and history about the site, then take the easy hike along the road to the glorious view at the top!

Town Forest news: Commission members and past commissioner, Eric Foley, continued work on the forest's Management Plan. The final addition will be a description of the various habitats found in the forest, to be completed in early 2022. We hope you will enjoy the updated plan and find its maps, photographs, and detailed descriptions fun and useful as you explore the trails.

Chris Weston trails: We worked on the northern and southern trails this year, clearing overgrown brush and thick mountain laurel. We are envisioning connecting the trails to create a loop, and adding a resting spot for birdwatching and enjoying the quiet beauty.

Conservation of Lot 7-35: At Town Meeting the Commission was tasked with researching options for conserving this lot in the center of town that is home to the old schoolhouse. We have determined that the Monadnock Conservancy is interested in holding the conservation easement, however it will be months before they can provide an estimate.

Natural Resource Inventory: With the helpful guidance of the Planning Board, we reached out to Southwest Regional Planning Commission about updating Temple's inventory. SWRPC offered Greenfield's NRI as an example of their work and we were very impressed. We continue to work with them and the Planning Board to schedule this work.

Around Town: The Commission supported the Community Advisory Committee's

application for a mini-grant to cover the cost of a Plan NH Charrette. And we provided input on the initial plot plan for moving the Highway Department to the Holt property.

Private land conservation projects: We continue working with Temple citizens interested in having conservation easements on their land.

Resource and environmental threats: The Commission continues to research and support the town concerning environmental threats ranging from invasive insects and species to wetland and aquifer contamination. Peek at our web page (on the town website – templenh.org) to learn about the invasive insects and worms that have recently been reported in Temple.

Respectfully submitted,

Cathy Joly, *Secretary*

Mansfield Public Library Report

We continued to navigate the impact Covid has had on our programming and services. Despite the challenges, we were able to host many events and continue to serve our patrons both in-person and via curbside pick up.

We reopened the building to patrons on June 28. Our policy of one patron or family at a time, 20-minute visits, and masks required were still in place at the close of 2021.

In January, we joined the state's new InterLibrary Loan program, which allows our patrons to check out books and other materials from libraries throughout the state. Our library loaned or borrowed more than 600 books in 2021 through this program.

Twenty-five children signed up for our Summer Reading Program, "Tails and Tales." All programming was held outside, and we were only rained out once. Special thanks to Cara Nicholl who shared her knowledge of whales with our group. As part of the program, animal ambassadors from the Squam Lakes Natural Science Center presented "No Two Tails Alike" on the Town Common in August. About 30 people learned about the importance of tails to some native N.H. wildlife.

We held fall preschool storytime on Friday mornings and welcomed Santa into the library in December for a virtual storytime for our Gingerbread Party participants.

We are grateful for the many donations and grants we received in 2021:

- A donation from the Whitcomb family allowed us to purchase an Orion StarBlast telescope through the New Hampshire Astronomical Society Library Telescope Program.
- A \$500 Summer Learning Grant from the State Library was used to help fund our summer reading programming.
- A Rural Libraries Grant from the Children's Literacy Foundation (CLiF) included \$2,000 in new books and two storytelling events. A special thank you to Temple Elementary School Principal Fabiola Woods and Library Media Specialist Charlotte Brett for their assistance with this grant process. We were able to add more than 100 new titles to our children's collection thanks to this grant. A kickoff was held with author Marty Kelley on Oct. 27. Preschoolers attended a morning event at the Town Hall, and then Kelley visited students at Temple Elementary School in the afternoon. There will be another storytelling event courtesy of this grant in the spring of 2022.
- StoryWalk Week grant of \$300 allowed us to offer a virtual comic book workshop in November.

- A \$500 grant from the Keith M. Sullivan Foundation of which a portion was used to create a “Get Moving” Storytime to Go Kit.
- \$1,150 in funding through the Institute of Museum and Library Services and the New Hampshire State Library. The money was used to create our “Library of Things.” We now have snowshoes, a ukulele, birdwatching gear, children’s musical instruments, and an instant camera available for checkout.
- We also received funding for a permanent outdoor bulletin board from the 250th Anniversary Fund. These funds are much appreciated as it will allow us to post library events and news that patrons can access 24/7.
- At the end of 2021, we were notified that the library had been selected to receive \$10,138 in funding through the Institute for Museum and Library Services’ “Grants to States” program. The grant program is part of the American Rescue Act Plan of 2021 and being facilitated by the N.H. State Library. The funds will be expended in 2022 and will help us strengthen our storytime and other children’s programming.

The Library Trustees and the Historical Society of Temple held a successful joint book sale and Covid vaccine clinic in November. More than \$500 was raised and split between the two organizations.

Programming for adults included our winter bingo game, an author talk by Ty Gagne, and two virtual art appreciation programs, one on Frida Kahlo and one on the Wyeth family. More than 60 people attended or took part in these programs.

Many improvements were made to our building and grounds including interior and exterior painting and the planting and reorganization of our garden.

Circulation Numbers:

Total circulation directly from the library (books, magazines, DVDs, telescope, etc) was **2,708**. Circulation from our membership in the New Hampshire Downloadable Book Consortium (e-books, audiobooks, and magazines was **2,044**. Total circulation for 2021 was **4,752**.

Thank you to the Library Trustees for their continued dedication and support of the library.

With the reopening of the building, we were able to bring back Robin Downes and Cecile Renzi, who are a tremendous help.

We look forward to another year of great books and fun and informative events.

Respectfully submitted,
Elizabeth Crooker, *Library Director*

Renewable Energy Task Force

In 2021, the Renewable Energy Task Force continued to explore options for transforming Temple's municipal energy usage to 100% renewable energy by 2030. The Task Force was formed by the passage of Warrant Article at the 2018 Town Meeting.

We have determined that Temple will need a 25 kW solar array to cover present municipal electric use. A 50 kW array would further allow conversions of the municipal buildings' heating systems to electric heat pumps where viable.

We have investigated several sites for a potential PV installation, including roof and ground mounted systems at the Municipal Building and the Town Hall area. But, since a 50 kW PV array requires an area of approximately 2000 ft (e.g., two rows of 100 ft and 20 ft deep), we have found that the best candidate so far is to locate the array behind the outfield fence at the old ball field adjacent to the Temple Elementary School.

We are working closely with the Community Advisory Committee and Land-use Committee regarding possible future uses of this town-owned property, including affordable housing. This would not preclude an installation of a solar array on that land as well.

We have met with the directors of the NH Community Development Finance Authority and Clean Energy NH to obtain up-to-date information on financial options for a municipal solar installation. At present, there is uncertainty regarding the future availability of federal funding. But we are exploring various ways to minimize costs. One possibility might even be to use local volunteer labor, as in a "barn raiser".

After preparing potential site plans, obtaining price quotes from multiple vendors and continuing to research grant fund opportunities, we intend to hold public forums to share potential plans and receive public input. We will then present our recommendation for the best option at the 2023 Town Meeting with a suggested construction time in the summer of 2023.

Wilton Recycling Center

We have made several great strides this past year. The realization of having the recycling center paved fell nicely into place in mid-September. The top bid was Continental Paving who took on the entire project start to finish. The old asphalt was in such poor condition it was necessary to grind it up which gave us the material for grading the area. All the drainage problems have been addressed, the uneven areas have been leveled, some areas widened and more parking spaces created. For three days this entire area was swarming with machinery and men, all working in unison. We have a completed project far superior than expected. We are still receiving enthusiastic reviews from all who visit.

We have a new clothing vendor on site now – St. Pauly Textile East, Inc. out of Rochester, NY. They service the eastern part of the country but are all over the country. The shed is provided and maintained by St. Pauly on a regular basis.

We also took delivery on a container for the future Still Good Shed. The program is still in the process of being put together. Contact Sandy LaFleur at strumma@aol.com if interested in volunteering or have questions.

In March we took delivery of a new Bobcat skid steer which out performs the Cat skid steer by far. We also have several attachments, a snow blower and sander which fits either machine. We are enjoying the versatility of the Bobcat's capabilities.

Additional signage has appeared in various areas to encourage compliance with the solid waste regulations. As other areas improve so will the signs to designate the requirements to assure the greatest return on your efforts. At the entrance two street lights were installed and lightning at the facility sign. This is a great improvement to that area in the dark when coming or going.

Our nonferrous metal program (copper, brass, aluminum, wiring, electric motors etc.) along with #1 metal is advancing well thanks to your dedication in making it successful. We are also salvaging usable lumber. One of the projects we are saving for is to expand into the empty open space adjacent to the office. This area needs to be framed for walls, a ceiling and a permanent floor. We will then be able to have a space for supplies, jackets etc. and a break room in addition to the existing office.

We appreciate your support and hope you enjoy your visits to the recycling center.

We are looking forward to the upcoming year.

Respectfully submitted,
Carol B Burgess, *Manager*

Temple Land Use Committee

The Temple Land Use Committee met seven times in 2021. Two of those meetings were Zoom Forums held before Town Meeting. We recommended three warrant articles for the Town Meeting that was held in June of 2021. One article was to create a Highway Department Study Expendable Capital Reserve Fund which was passed in the affirmative. The second article was to do a lot line adjustment between Lots #75-1 and #75-2 on Map 2B. This article was also passed in the affirmative.

The third warrant article was to have the Town place a conservation easement on the large triangular field section located between Hadley Highway and Rt. 45 in the center of Town on Lot #35 on Map 7A. This article also passed in the affirmative. The Temple Conservation Committee has met with the Monadnock Conservancy, and this is now in the process of making this happen.

The Temple Land Use Committee also recommended that the Select Board sell Lots #75-2, 75-3, and 75-4 on Map 2B. These lots are located directly across the road on Rt. 45 from the Chris Weston Conservation area. As of this writing, Lot #75-3 has been sold and Lot #75-4 is under contract. Lots #75-1 and 75-2 are in the process of having the lot line adjusted to create one lot that is a 50' wide strip of land that the Town will keep for hikers to access the large piece of conservation land behind it. The other lot will become a seven acre building lot which will be sold.

This year, the Temple Land Use Committee is recommending four warrant articles before the Town at Town Meeting:

- To see if the Town will vote to begin the process of moving the Highway Department out of the center of town and down to Lot #36-1 on Map 7A; formerly known as the Holt Property.
- To change the Highway Department Study Expendable Capital Reserve Fund to the Highway Department Building and Construction Expendable Capital Reserve Fund.
- To put all monies that the Town receives from the sale of the properties on Rt. 45 listed above into the Highway Department Building and Construction Expendable Capital Reserve Fund.
- To raise and appropriate \$150,000 to be placed in the Highway Department Building and Construction Expendable Capital Reserve Fund. We will ask that this article be tabled if the preceding three articles pass in the affirmative.

If the Town votes in the affirmative for these warrant articles, it will allow us to move forward with the project of moving the Highway Department out of the center of town. It would also put us into being “shovel ready” with the project which would allow us to apply for grants to help pay for this. It should also allow us to get completely through the design and engineering phase for the new garage.

In 2022, the Temple Land Use Committee is recommending:

1. The Select Board merge Lot #35-1 on Map 7B located on Hadley Highway near the intersection of Hill Rd. with Lot #35 on Map 7A which is the lot that the Municipal Building.
2. Merge Lot #36-1 on Map 7A which is the former Holt property with Lot # 36 on Map 7A formerly known as the Skladany property.
3. Sell Lot #53 on Map 2A which is the 0.4 acre lot on Rt 101 near the State Highway garage to the NH Department of Transportation.
4. Purchase a small piece of the property from the State of NH, Lot #20 on Map 6B which is the Greenville Reservoir lot. This will give us more road frontage on Lot #19-2 on Map 6B located between the Temple Elementary School and the Greenville Water Pumping Station on Rt. 45, which the Town already owns.

Throughout 2021, the TLUC worked with the Renewable Energy Task Force regarding their proposed solar array project; offered assistance to the Recreation Commission during the assessment of much needed repairs and maintenance at the Town Tennis/ Basketball Courts & Playground on General Miller Highway; and provided background for a proposed collaboration between the Select Board, Community Advisory (CAC) and Highway Department to assess and plan for replacing the septic in the Village Center. The TLUC also consulted with the Conservation Commission on various properties in town including the survey study of the proposed site for the new Highway Department building and storage area for equipment/materials. In addition, the TLUC pledged their support for the CAC led Plan NH Charrette in 2022.

Note: the maps referenced above are available on the Temple Town website under Tax Maps.

Respectfully submitted,
Tim Fiske, *Chair*

Temple Town Hall Advisory Committee

The Temple Town Hall is the quintessential meeting place for all Town residents from Town meetings to one time event's such as birthday parties. Another year has passed and our beloved Town hall has seen limited use once again from the likes of coronavirus pandemic. The TTHAC has kept a close eye on the building to make sure all maintenance is kept up with. The committee found minimal issues. It is however time for the front exterior wall to be scraped, sanded and new paint applied. Painting will hopefully begin as soon as winter subsides and weather permits.

The Town as a whole should remember to be thankful for such a beautiful and historic structure. The TTHAC would like to mention that are actively looking for new members to join the committee.

Respectfully submitted,
Dan Masterson

Elizabeth Crooker

Souhegan River Local Advisory Committee

The Souhegan River Local Advisory Committee (SoRLAC) is a group of volunteers interested in the health of the Souhegan River. The committee is State sponsored and part of the collaboration with the NH Rivers Management and Protection Program. SoRLAC meets monthly to review and comment on permits for actions within a quarter mile of the Souhegan River. Also, a major responsibility of SoRLAC is to advise municipalities within the Souhegan River drainage area on matters pertaining to the management of the river. Meetings are open to the public and new members are welcome. Minutes are posted on the Nashua Regional Planning Commission. The Souhegan River travels approximately 33 miles from headwaters in New Ipswich through multiple watershed towns including Greenville, Wilton, Milford, Amherst, and Merrimack before emptying into the lower Merrimack River. The river has a rich cultural history and provides many benefits such as wildlife habitat, hydropower, recreation, agricultural and industrial use. SoRLAC focuses on water quality, sustainable practices and viewing projects with the river in mind first to help ensure the vitality of this resource for the future.

This year SoRLAC held 10 regular meetings and reviewed 11 plans for projects near or on the Souhegan. The group performed a site visit and submitted a report to the Town of Wilton for a development project. Additionally, committee members have worked with town officials to follow up on other projects and plans. Volunteer hours were in excess of 225 for the year. This year the committee also embarked on a renewal of the Souhegan River watershed management plan. An initial request to the State for a grant through Nashua Regional Planning Commission was denied; however, this has inspired the committee to renew their effort by identifying relevant issues and will be seeking stakeholder input in the coming year.

Respectfully submitted,
Cory Ritz, *SoRLAC Chair*

Recreation Commission

In 2021 the Temple Recreation Commission was greatly saddened upon the death of Joe Cournoyer, ongoing member of the committee for decades. With his involvement, Rec programs were strong and he was an avid lover of sports, music, and all types of fun that the whole community could enjoy. Joe deeply loved and cared for Temple and his dedicated service through the years exemplified this for many, especially young people he coached and befriended. May the spirit of Joe remain among us through the years and inspire the continued success of our committee.

Also this year we welcomed new member, Gretchen Whitcomb, to our committee. She brings youthful energy and creativity to the planning phases of our activities and is a solid connection to younger families in the town. This is a huge asset to having a well-rounded committee that represents so many different parts of our community.

We started off the year with our Easter celebration and greeted the Easter Bunny who made an appearance and gave out lovely treat bags!

On July 4th the TVFD partnered with Rec and lended their fantastic support for games and the Patriotic Bike Parade to commence at the Memorial Ballfield. It was an overcast day and chillier considering the time of year but this did not damper the enthusiasm of Independence Day celebrants.

For Halloween a wonderful costume parade commenced on the village green with Trunk or Treat displays set up and hot dogs and other refreshments and treats for those attending.

Our holiday time festivities were held just before the Temple tree lighting event. The Holiday Gift Shop for Kids was held outside and supported by many families and Santa arrived by fire truck. We also had a candy cane hunt in town where kids earned treat bags for discovering and accounting for all 12 placed around town.

Ongoing wellness classes of Tai Chi and Yoga are held on weekdays. Popular music events held monthly got back in action by the summer and are enjoyed by many. "Elvis" (Richard Parker) came to town in September for a special night of music of The King himself. Having these functions resume is surely a good feeling and we look forward to more.

Members of the Recreation Commission give heartfelt thanks to the many helpful volunteers and families and friends who enthusiastically support our programs and keep us active!

Community Advisory Committee

The Community Advisory Committee had another busy year in 2021. Here is a glimpse of our activities.

The Community Advisory Committee (CAC) assists and collaborates with the Select Board and other town departments, boards, and committees with the goal of improving the quality of life in Temple by planning, designing and supporting initiatives that honor the *Vision* of the Master Plan in order to maintain and sustain a healthy and vibrant community.

Broadband

At Town Meeting 2021, the Town voted to bond for \$710,435 to install fiber internet in the unserved and underserved areas of town, which totals 55.4% of our residents. The Select Board chose to partner with Consolidated Communications (CCI). As of December, 2021, CCI has finished laying fiber at the street level for most areas in town. The next steps are splicing and testing, then residents will be eligible for service in late winter. The Broadband subcommittee attempted to secure grant funding for up to 50%, however the application and eligibility requirements have not been clarified. As such, the town has bonded for the entire \$710,435.

The contract with CCI ensures that any resident in Temple will have access to broadband internet through August 2041. The bond is repaid by a fee of no more than \$14/mo., which is added onto subscribers' monthly charges. There is no taxpayer impact.

Affordable Housing

Working with the Land Use Research Committee (TLURC) and the Renewable Energy Committee, the CAC began exploring a partnership with Plan NH in 2021 for a Temple "Design Charrette".

A Plan NH Design Charrette "brings together diverse professionals to brainstorm recommendations to address challenges a community faces. Over a two-day period, the team visits the "target area", talks with community leaders and members, and develops recommendations based on what they have seen and heard and also on their own professional knowledge of ideas and trends that could contribute to healthy and vibrant communities."

As the conversation progressed throughout the year, we brought in representatives from several other boards and committees in town to help us formulate a clear objective. The committee discussed the TLURC's recommendation for potential housing on the town owned lot next to TES, as well as the Renewable Energy Task Force's desire to put a solar array at the same location. At the end of 2021, an

application to Plan NH was drafted, along with an application to NHHFA for a Mini-Grant to cover the costs of the Charrette. In 2022, we hope to bring a Plan NH team to Temple.

Community Outreach

In January 2021, The CAC hosted Temple's first ever virtual Volunteer Forum. Representatives from all the boards and committees in town were invited to share information and inspire residents to become more engaged by volunteering and/or participating in the work it takes to make Temple as great as it is. It was a wonderful event that resulted in several new volunteers!

The return of the Temple Harvest Festival in 2021 brought the CAC out to the broader community in person to talk about our work, introduce CCI Broadband representatives to the community, and gather input from residents on what they see as priorities for Temple, including where to direct ARPA funding. We also shared information about opportunities to get involved in ways both large and small. It was a wonderful event and we thank the organizers for making it happen and the attendees who made it such a success!

American Rescue Plan Act (ARPA)

With the arrival of federal ARPA funding, the CAC was tasked by the Select Board with identifying and researching potential projects that could benefit from the ARPA monies. A survey went out to residents in the fall, with results presented to the Select Board. Priority projects identified by residents include:

- Provide remote access to town meetings;
- Repair the Tennis Courts, Basketball Court, and Playground on General Miller Highway;
- Replace the Septic System in the Village Center; and
- A strong desire to improve parking in town, including moving the highway department out of the village center.

The CAC is researching all of these options. An RFP went out for A/V equipment for remote meetings in 2021/2022; the Rec Commission is reviewing and prioritizing the repairs list for the courts and playground; and a project plan will be presented to the Select Board for the Septic in 2022. The Select Board is seeking a short term solution to the parking challenges in the village center, and the CAC plans to request assistance from traffic engineers and parking design experts as part of the Plan NH Charrette.

If you have an idea or suggestion, please share it with someone on the committee. The CAC is open to welcoming new members.

Village Green Committee

The Village Green Committee's mission is to support and carry out projects that focus on the maintenance, improvement and beautification of town-owned green areas in the Town of Temple.

The health of the trees on the town common continued to be our main concern. Early on we determined that the Scarlet Oak we had planted in 2020 did not survive the year. Our nursery supplier gave us a free replacement and we selected a Princeton Elm in its place. The Princeton Elm has become a strong new variety favored by those who remember the stately elms that once graced our communities.

The Highway Department gave us a lot of support in spreading a load of compost over the grass of the common and in planting the new tree.

Last spring we were pleased to see the lovely blooms on the new crabapple trees planted on the lower common. We have plans for more such spring blooming trees in appropriate areas in the future.

Other projects included new flower box planters at the town offices and at the post office. The triangle flower bed with its variety of daylilies had its best year ever, undoubtedly helped by all the rain. Our summer helper, Molly Treadwell, performed magic in keeping the weeds down everywhere

We ended the year with the annual placement of Christmas wreaths on town buildings.

New members provided a wonderful reinvigoration to our committee:
Lori Sherburne, Mackenzie Arndt, Jennifer Kiley, and Anne Lunt

Holiday Lighting Committee

The Holiday Lighting Committee has now completed four years of illuminating the Town Common for the darkest time of the year. The initial vote by the Town to establish the committee in 2018 was followed by donations from town organizations and finally by town funding so that now it is a regular part of the budget. It is for the enjoyment of the town.

We wish to thank Dan Masterson for his skills and dedication installing the lights each year, and Robert Wills for keeping the electricity feeds working. The project could not be done without them.

The perimeter trees on the Common were lit on Thanksgiving evening. Celebration and lighting of the Centerpiece tree was held on the first Sunday in December. We thank an anonymous donor for the tree this year. The honor of turning on the final tree lights went to Peggy Cournoyer who not only grew up playing on the Common but who has vigorously defended its every tree and every blade of grass for her lifetime. Special thanks to Phil Lauriat who (in formal attire) led the traditional caroling. Hot chocolate was enjoyed by all.

Thanks also, to the Holiday Lighting Committee and residents who helped make the event another Holiday Lighting success.

250th Anniversary Fund

The Temple 250th Anniversary Fund was created in 2008 with a grant from Temple residents to the NH Charitable Foundation (NHCF). Since 2009 the fund has helped finance projects that would not be financed through normal town budget expenditures, but are of benefit to Temple and its residents.

The NHCF distributes around \$1000 annually in interest to the Anniversary Fund Citizen's checking account. Funds held there by the town are then available to be awarded to projects recommended by the Fund Advisory Committee (appointed by the Temple Select Board). Anyone new in town or unfamiliar with the Fund, the application process, or where to email questions will find more information on the town website, or by inquiring at the town office. The advisory committee accepts applications at any time, reviews applications into the early fall, and makes award decisions by October 15 each year.

Since no monies were awarded in 2020 due to the pandemic and lack of applications, the 2020 interest from NHCF was added to the designated checking account. This left the beginning balance of the account in January 2021 at \$2,108.40. The annual incoming check from the NHCF in the amount of \$1,546.46 and interest of .31 cents brought the amount to \$3,655.16. Total awards this year in the amount of \$2,750.00 leave the balance at \$905.16 as of December 1, 2021.

Awards this year went to

- Temple Elementary School, for snowshoes for the children
- the Mansfield Library, for a permanent exterior bulletin board
- the Conservation Commission, for an information kiosk to be placed at the white ledges trail

Respectfully submitted,

Julie McAdoo, *Advisory Committee Chair*

A Special Thanks

In December, Vince Mamone officially announced his retirement from Temple's 250th Anniversary Fund Advisory Committee. Vince was appointed to the committee at its inception in 2009 and has served ever since, most recently as secretary. He has been a valuable member, bringing his business experience, enthusiasm for town projects, environmental awareness, and creative thinking to the team. The committee has supported town beautification, maintenance, preservation, and other projects over the years with grant monies. Vince gave careful consideration to the allocation of the Fund's annual awards, and was the driving force behind Temple hosting a Contra Dance in 2013.

As well as farming and running one of the first CSA's in Temple, Vince also served the community in a volunteer capacity as a Library Trustee from 2009 to 2012 and member of the Renewable Energy Task Force from 2018-2020. Interested in both the old and the new, Vince has expressed interest in re-establishing chestnut trees in the town, with a vision toward a sustainable future. He also donated the town Christmas tree in 2020.

The Temple Select Board, 250th Anniversary Fund Committee, and Temple residents extend a very special thanks to Vince for his years of service and good stewardship of the land we all enjoy in Temple.

Home Healthcare, Hospice & Community Svcs

In 2021, Home Healthcare, Hospice and Community Services (HCS) continued to provide home care and hospice services to the residents of Temple.

Service Report: HCS activities in Temple for 2021

Services Offered	Services Provided
Nursing	494 visits
Physical Therapy	265 visits
Occupational Therapy	83 visits
Medical Social Work	28 visits
Home Health Aide	213 visits

Other services available to Temple residents include:

- Hospice end of life care at home and bereavement support for family members
- Memory Care at Home respite for family caregivers
- Foot Care Clinics

For more information about services, residents may call (603) 532-8353 or (800) 541-4145 or visit: www.HCSservices.org

Financial Report

- The actual cost of all services provided in 2021 with all funding sources is \$242,695.00. These services have been supported to the greatest extent possible by Medicare, Medicaid, other insurances, grants and patient fees. Services that were not covered by other funding have been supported by your town.
- For 2022, we request an appropriation of \$1,750.00 to continue to be available for home care services in Temple.
- Thank you for your continuing support of home care services.

Monadnock Family Services

In spite of the continuing challenge of the Covid pandemic and related issues, Monadnock Family Services (MFS) has been successful in assisting the residents of Temple in need of our services. Some of these include:

- **Acute Care Services** - The only 24/7 assistance for individuals facing an immediate mental health crisis.
- **Children's Services** - Offering a broad range of resources and professional support for children and their families, with a treatment approach that is trauma-informed, and wellness-based.
- **Adult Services** - Providing Assertive Community Treatment (ACT), Dialectical Behavioral Therapy (DBT), substance abuse services, and supported employment, as well as temporary housing subsidies and services to homeless people with severe mental illness.
- **InSHAPE** - Unique health plans developed with a personal health mentor that meets the client's needs and may include activities such as bike riding, walking, and working out.
- **Adult Care Center** - a day program providing quality structured care to adults with physical, emotional, and social challenges.

As in years past, MFS relies on the funding from the towns — support from foundations, donors, and other sources — in order to provide these essential services.

To help close this gap, we are once again asking for \$1.25 for each Temple resident based on the 2020 US Census, which amounts to \$1,727. Please refer to the provided report for details regarding the services provided during FY'21. I can be reached at kwaters@mfs.org or 603-209-5947 if you need any additional information.

With your continued support, MFS will provide healing and hope to those facing mental health challenges in your community. Thank you for your consideration.

Kathy Waters, *Director of Development*

Child Advocacy Center

On behalf of the Hillsborough County Child Advocacy Center (CAS), please accept our deepest gratitude for your generous donation of \$1,650 for support of the work we do to help our most vulnerable children at our Child Advocacy Center.

It is only through your generosity and unwavering dedication that we are able to help children who are victims of crimes to heal, survive, and thrive!

- **CAC helps child victims heal** – Child victims of abuse who receive services at the Child Advocacy Center (CAC) are four times more likely to receive forensic medical exams, and increased referrals for mental health treatment than children served by non-CAC communities.
- **CAC provides savings** – The CAC service delivery model saves court, child protection, and investigative dollars averaging \$1,500 per child abuse case compared to non-CAC communities. But more importantly are the savings we strive for by reducing the trauma suffered by child victims of abuse by creating a friendly, safe place for children to disclose their abuse with a qualified forensic interviewer.
- **CAC is an effective best practice** – Research demonstrates that caregivers in CAC cases are more satisfied with the investigation than those from non-CAC comparison sites. 97% of parents would tell others to seek help at a Child Advocacy Center.

Thank you again for your generosity and for helping to make such an important difference in the lives of children and our community. Kids are counting on all of us! For more information, please visit www.cac-nh.org

Sincerely,

Joy Barrett,
Executive Director

Community Volunteer Transportation Co.

Thank you for your continued support in 2021!

CVTC Volunteer Drivers and Staff stand ready to serve your residents in getting to critical booster vaccines, along with rides to important appointments and services. We remain on the road for the residents of Temple who don't drive or have a car, and want to remain healthy and independent. There is great pride in what we do and we value the impact we have on people's lives.

Overall, CVTC registered **2,516** rides and drove **82,920** miles for **267** individual riders from **34** towns in the Monadnock region. **59** Volunteer Drivers donated **4,110** hours for a value of **\$73,980**.

Statistics specific to Temple for 2021:

- We received **32 ride requests** from **2** Temple residents.
- Volunteer Drivers from other towns logged in **949 miles** for Temple and donated **38 hours** of service valued at **\$684**.

On behalf of our riders and Volunteer Drivers, we are grateful for your faith and trust in our service. Please contact me if you would like further information. My direct line 821-4081 or email ellen@cvtc-nh.org. Visit www.cvtc-nh.org.

Sincerely,

Ellen A. Avery, *Executive Director*

P.S. Having a pool of Volunteer Drivers from each town is ideal. Please contact me to discuss how we might work together to recruit more Volunteers!

ConVal End 68 Hours of Hunger

We would like to express our gratitude for the Town of Temple's very generous recent donation of \$1,000 to help provide weekend food for hungry children in the ConVal District. As you know, we're an all-volunteer organization, so every penny of this donation goes to buy food for those children.

As you can imagine, the pandemic has presented new challenges to our families as well as to our volunteers. We're proud that we've been able to continue to meet the need throughout these crazy times — and that's been possible only through the support of generous folks like you.

Thank you. Your support and your caring mean so much.

Sharon Smith, *Co-Program Coordinator*

Meals on Wheels

St. Joseph Community Services offers Meals on Wheels programs to provide nutrition, a safety check and social engagement which enable our homebound, older and disabled adults to live dignified, independent lives. Since the pandemic, 68% of participants surveyed reported that Meals on Wheels is their primary food source, and 60% reported that the MoW driver is the only person they will see all week.

While our program receives state funds, those funds do not cover the full cost of meals or the number of meals that are requested. Support from our cities and towns is essential so we can continue to meet the needs of everyone who asks for our help.

Last year, we served **5** Temple residents. Of these, **2** were served under our Title XX Program, which is sponsored by the County of Hillsborough. We are requesting funding of **\$300** (\$100 each) to cover the 3 remaining clients.

Thank you very much for your consideration and time.
Please feel free to call me at 603-424-9967 with any questions you may have.

Jon Eriquezzo, *President*

2021 Charitable Giving Summary

Minutes of the Town of Temple Annual Meeting June 12, 2021

Moderator, Bruce Kullgren Jr. called the meeting to order at 10:29 am, after welcoming everyone. The meeting then stood for the pledge of allegiance. Pastor Brent Charles then said a prayer for the meeting. Kullgren read the list of the newly elected officials and swore them in.

Article 1: Election of Officers: To cast your ballots for the election of all officers required to be elected to serve the Town of Temple for the ensuing term.

Election Results

Selectman for three years: Ken Caisse

Trustee of the trust fund for three years: . . Phillip Lauriat

Trustee of the trust fund for two years: . . . Constance Rinaldo

Cemetery trustee for two years: Maggie Heck

Library trustee for three years: Donald McElreavy, Constance Rinaldo

Fire engineer for three years: Michael Connolly

Planning Board for three years: Keith Carlton, Bruce Kullgren

Planning Board for two years: Alan Fox

Budget Advisory Committee for three years: . . . Michael Darnell, Gary Scholl

The moderator read the rules of the meeting.

Article 2: Broadband Expansion

To see if the town will vote to raise and appropriate the sum of one million eight hundred sixty two thousand five hundred forty three dollars (\$1,862,543) for the purpose of furnishing, constructing, and installing facilities and equipment to make a Fiber Optic Broadband Network available in the Town of Temple with seven hundred ten thousand four hundred thirty five dollars (\$710,435) of such sum to be raised through the issuance of bonds or notes under and in accordance with the provisions of the Municipal Finance Act (RSA 33) and, with one million one hundred fifty two thousand one hundred eight dollars (\$1,152,108) of such sum as a donation from the broadband provider; furthermore, to authorize the Board of Selectmen to apply for, obtain, and accept federal, state, or other aid, gifts, and donations, if any, which may

be available for said project and to comply with all laws applicable to said project; to authorize the Select board to issue, negotiate, sell and deliver such bonds or notes to determine the rate of interest thereon, and the maturity and other terms thereof; and furthermore to authorize the Select Board to take any other action or to pass any other vote relative thereto. 3/5 ballot vote required. *(Select Board Recommends)*

Moved by Bill Ezell, Seconded by George Willard

Start of Article: 10:43. Voting by ballot started at 11:08, stopped at 12:19.
Counting started at 12:20, stopped at 12:30

Article 2 passed by 213 yes, 9 no.

Article 3: Operating Budget

To see if the town will vote to raise and appropriate the sum of One Million two hundred thirty thousand five hundred fifty-eight dollars (\$1,230,558) for town charges as the operating budget and other necessary maintenance and operating expenditures. This article does not include appropriations contained in special or individual articles addressed separately. *(Select Board Recommends)*

Moved by George Willard, Second by Bill Ezell

Motion by Ken Caisse, Second by Phillip Lauriat to waive the reading of the budget.

Motion passed by voice vote.

Article 03 passed by unanimous voice vote.

Motion by Ken Caisse, Second by Mary Amsden to **move Article 10** up to now.

Article 10: Election of RSA 40:13

Shall we adopt the provisions of RSA 40:13 SB2 to allow official ballot voting on all issues before the town on the second Tuesday of June, 2021 *(By petition) (3/5 majority required)*

Motion by George Willard, Second by Ken Caisse

Article 10 Amendment Proposed by Ken Caisse, Seconded by George Willard:

To move that we adopt the provisions of RSA 40:13 (known as SB2), to allow official ballot voting on all issues before the town of Temple, NH on the second Tuesday of March.

Amendment passed by voice vote.

Article 10 as amended failed by ballot vote 85 yes, 147 no.

Article 4: Paving

To see if the town will vote to raise and appropriate the sum of one hundred twenty six thousand dollars (\$126,000) for the Highway Department paving projects planned for 2021. *(Select Board Recommends) (CIP Committee Recommends)*

Moved by Ken Caisse, Second by George Willard

Article 4 passed by unanimous voice vote.

Article 5: Renew Joint Police Department Agreement

To see if the town will enter into a one (1) year inter-municipal agreement for the provision of police services pursuant to RSA 53-A between the towns of Greenville and Temple on such terms and conditions as specified in the contract. This article is contingent upon passage of a similar warrant article by the Town of Greenville. *(Select Board Recommends)*

Moved by Bill Ezell, Second by Ken Caisse

Article 5 passed by voice vote.

Article 6: New Police Cruiser

To see if the Town will vote to raise and appropriate the sum of fourteen thousand eight hundred and twenty dollars (\$14,820) as the Town's share (39%) of the cost to purchase and equip a police cruiser, fifty-eight thousand dollars (\$58,000) being the total cost. Twenty-three thousand one hundred eighty (\$23,180) representing Greenville's 61% share shall come from the Police Cruiser Expendable Trust Fund, and an additional expenditure from Police Detail Revolving Fund of \$20,000 will be used to complete the purchase. This article is contingent upon passage of a similar warrant article by the Town of Greenville for the remaining cost of the cruiser. *(Select Board Recommends) (CIP Committee Recommends)*

Moved by Ken Caisse, Second by George Willard

Article 6 passed by voice vote.

Article 7: Final Payment on the Highway Department Backhoe Lease

To see if the town will vote to raise and appropriate the sum of thirty-eight thousand, three hundred eighty-six (\$38,386) for the third and final payment on the Highway Department backhoe lease-purchase authorized by Article 5 at the 2019 Town meeting. *(Select Board Recommends) (CIP Committee Recommends)*

Moved by George Willard, Second by Bill Ezell

Article 7 Amendment proposed by Ken Caisse, Second by Bill Ezell:

To see if the town will vote to raise and appropriate the sum of thirty-eight thousand, three hundred eighty-six dollars (\$38,382.48) for the third and final payment on the Highway Department backhoe lease-purchase authorized by Article 5 at the 2019 Town Meeting.

Article 07 as amended passed by voice vote.

Article 8: Purchase 6-Wheel Truck

To see if the town will vote to raise and appropriate the sum of ninety-three thousand dollars (\$93,000) to purchase a six-wheel dump truck, and to further authorize the disposal of an existing truck as best serves the town. *(Select Board Recommends) (CIP Committee Recommends)*

Moved by Ken Caisse, Second by Bill Ezell

Article 8 passed by voice vote.

Article 9: Highway Dept. Study Expendable Capital Reserve Fund

Shall the Town vote to establish a Highway Department Study Expendable Capital Reserve Fund, under the provisions of RSA 35:1, for the purpose of studying the relocation of the Highway Department to the Town owned property, formerly known as the Holt and Skladany properties (Temple Tax Maps 7A-36-1, as well as 7A-36), and to raise and appropriate the sum of forty-five thousand dollars (\$45,000) for related engineering, survey, architectural and other preliminary work that will assist in this study? Furthermore to authorize the Select Board would to serve as agents for this Fund. When completed, this study would result in a report to voters including estimated costs and financing, timing and aesthetics. *(Select Board recommends) (CIP Committee Recommends)*

Moved by Bill Ezell, Second by Ken Caisse

Article 9 was petitioned by five voters to be by ballot.

Article 9 passed by ballot 127 yes, 73 no.

Article 11: Lot Line Adjustments

To see if the town will vote to raise and appropriate seven thousand dollars (\$7,000) for two lot line adjustments:

- A) To merge Map 2B-75-3 and Map 2B-75-4 into one lot for the purpose of selling it as a single house lot.
- B) To adjust the lot line between Map 2B-75-1 and Map 2B-75-2 so that the southern lot is 50' wide. This southern lot would be retained by the Town subject to a conservation easement and would serve as a trail head for an established trail easement to the west. The Town would sell the other larger parcel as a single house lot. *(Selectboard Recommends 2 yes 1 no)*

Moved by Ken Caisse Seconded by Bell Ezell

Article 11 amendment proposed by Tim Fiske, Seconded by Honey Hastings:

To see if the town will vote to raise and appropriate seven thousand dollars (\$7,000) for two possible lot line adjustments. Note that the original version says Map 2B-75-3 and Map 2B-75-4 (so they are spelled differently in the book). Also, in part B) again, Map 2B-75-1 is spelled differently from Map 2B-lot75-2.

- A) To possibly merge Map 2b-75-3 and Map 2B-75-4 (note the spelling of the two Maps is different the original) into one lot for the purpose of selling it as a single house lot.

All of the rest of the article remains as written in the book:

- B) To adjust the lot line between Map 2B-75-1 and Map 2B-lot 75-2 so that the southern lot is 50' wide. This southern lot would be retained by the Town subject to a conservation easement and would serve as a trail head for an established trail easement to the west. The Town would sell the other larger parcel as a single house lot.

Article 11 as amended passed by voice vote.

Article 12: Conservation Easement

To see if the town will vote to consider the placement of a conservation easement on that portion of Map 7A-25 (16.44 Acres) and 7A-35-1 north of the existing stone wall.

Moved by Bill Ezell, Second by George Willard

Article 12 passed unanimous by voice vote.

Article 13: Veterans Credit Increase

Shall the Town vote to modify the optional "All Veteran's property tax credit" under the provisions of RSA 72:28-b in the amount of five hundred dollars (\$500) (currently \$100). If adopted, the credit will be available to any qualifying resident, or the spouse or surviving spouse of any qualifying resident, if the person is a resident of this state who served not less than 90 days on active service in the armed forces of the United States and was honorably discharged or an officer honorably separated from service; or the spouse or surviving spouse of such resident, provided that Title 10 training for active duty by a member of a nation guard or reserve shall be included as service under this paragraph; provided however that the person is not legible for and is not receiving a credit under RSA 72:28 or RSA 72:35.

Moved by Ken Caisse, Second by Bill Ezell

Amendment proposed by Ken Caisse, Second by Bill Ezell:

Shall the town vote to modify the optional veteran's property tax credit under the provisions of RSA 72:28 and all veteran's property tax credit under the provisions of RSA 72:28b in the amount of five hundred dollars (\$500) (currently \$100)

Article 13 as amended passed by voice vote.

Article 14: Modify Exemption for the Elderly

Shall the town modify the provisions of RSA 72:39-a for elderly exemption from a property tax in the town of Temple based on assessed value, for qualified taxpayers, to be as follows: for a person 65 year of age up to 75 years, \$25,000; for a person 75 years of age up to 80 years, \$25,000; for a person 80 years of age or older, \$25,000. To qualify, the person must have been a New Hampshire resident for at least 3 consecutive years, own the real estate individually or jointly, or if the real estate is owned by such person's spouse, they must have been married to each other for at least 5 consecutive years. In addition, the taxpayer must have a net income of not more than \$30,000 or, if married, a combined income of less than \$45,000; and own net assets not in excess of \$50,000 if single and \$75,000 if married excluding the value of the person's residence. (*Select Board Recommends*)

Moved by Ken Caisse, Seconded by George Willard

Article 14 passed by unanimous voice vote.

Article 15: Exemption for the Disabled

Shall the Town vote to adopt an Exemption for the Disabled under the provisions of RSA 72:37-b from property tax in the Town of Temple based on assessed value, for qualified taxpayers, to be as follows: reduction of assessed property value in the amount of \$25,000.00 to qualify, the person must be eligible under Title II or Title XV of the Federal Social Security Act, must have been a New Hampshire resident for at least five years, must occupy the property as his principal place of abode, must own the property individually or jointly, or if owned by a spouse, they must have been married for at least five consecutive years in the calendar year preceding April 1 a net income from all sources of not more than \$15,000.00 if single and \$25,000.00 if married, and own net assets not in excess of \$50,000, excluding the value of the actual residence and up to 2 acres of the minimum single-family residential lot size specified in the local Zoning ordinance; or to take any other action relative thereto. *(Select Board Recommends)*

Moved by Bill Ezell, Second by Ken Caisse

Article 15 passed unanimously by voice vote.

Article 16: New Radios for the Fire Department

To see if the town will vote to raise and appropriate the sum of \$3000 for the purpose of purchasing vehicle radios, to be expended only if a FEMA grant is secured. *(Select Board Recommends)*

Moved by George Willard, Seconded by Mary Amsden

Article 16 passed unanimously by voice vote.

Motion to adjourn by Keith Charlton, second by Gail Cromwell

Town Meeting was adjourned, June 12, 2021 at 2:20 pm.

Respectfully Submitted,

Joyce Kullgren

Temple Town Clerk

Dave Repak

Taxes Assessed

The breakdown of Property Tax Rates for 2021 were as follows:

Town of Temple	\$ 5.63
Hillsborough County	1.01
ConVal School District	16.77

Total Tax Rate 2021 \$ 23.41

The breakdown of Property Tax Rates for 2020 were as follows:

Town of Temple	\$ 6.15
Hillsborough County	1.01
ConVal School District	17.90

Total Tax Rate 2020 \$ 25.06

The breakdown of Property Tax Rates for 2019 were as follows:

Town of Temple	\$ 5.25
Hillsborough County	1.02
ConVal School District	16.31

Total Tax Rate 2019 \$ 22.58

The breakdown of Property Tax Rates for 2018 were as follows:

Town of Temple	\$ 5.91
Hillsborough County	1.24
ConVal School District	18.57

Total Tax Rate 2018 \$ 25.72

The breakdown of Property Tax Rates for 2017 were as follows:

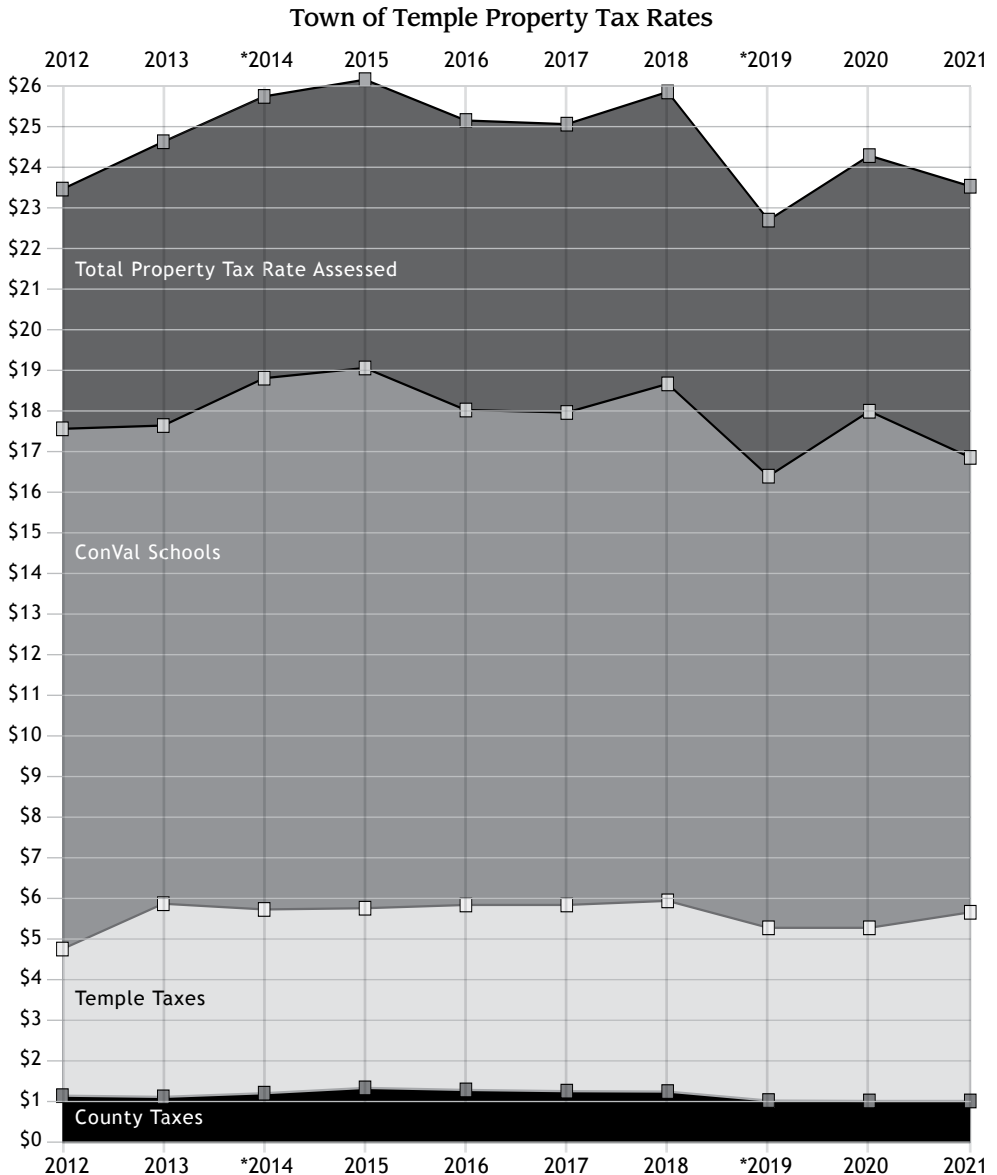

Town of Temple	\$ 5.81
Hillsborough County	1.25
ConVal School District	17.87

Total Tax Rate 2017 \$ 24.93

Historical Tax Data

Please note that town properties are revalued every five years. The revaluations that occurred in 2014 and 2019 are indicated by an * on the chart, caused fluctuations in the tax rate (not necessarily your tax bill).

While Temple's town operating budget remains relatively flat, warrant articles vary substantially from year to year also causing fluctuations.
