

Notice of Public Meeting

Trustees of Mansfield Public Library

Thursday, July 8, 2021, 5:00 PM

Meeting will be held at the library, outdoors at the picnic tables behind the building. In the event of rain, winds, mosquitos, meeting will meet in the town hall annex. Masks will be required.

Agenda:

(The order of agenda items may be changed during the meeting)

- I Chair:
 Welcome and call to Order
- II Approval of Minutes
- III Elizabeth Crooker's report:

Reopening – has been running smoothly. We've had a steady stream of patrons and it definitely caused a bump in our circulation the last week of June. We will continue to take appointments and also use the "stop/go" sign to control the number of patrons in the library. Curbside is still being used so we will continue with that service indefinitely.

ARPA sub-grant was approved. The \$1155 will be cover the cost of our "No Two Tails Alike" event on August 13 and will help us expand our "library of things." All purchases must be made by the end of August and then I must submit all the receipts and a check will be issue. I will make the purchases within the next 7 days.

Summer Reading is going great. We have 22 kids signed up. (Last year we had 6.) The tent is cumbersome to put up and take down every week, but having the program outside gives us more space to work with. We brought a couple of bins of books out with us the first week and families were able to check out books that way.

"No Two Tails Alike" will be held on the Town Common on Friday, August 13 at 6 p.m. It is open (and free) to the public. We will collect items for a local animal shelter as part of the event.

Planning for Fall Programming has begun.

Monthly cleaning is scheduled to begin next week.

Cecile has returned and is working 1-2 hours a week to help cover the desk during summer reading meetings.
