Dear Temple Select Board and Recreation Commission,

As a relatively new resident of Temple, I am excited to submit this intent to join the Recreation Commission. Community involvement is important to me as a resident. Prior to living in Temple, we were located in Milford. There, I was the President of an off-road club; whose purpose was to have a positive impact on our community. We organized and led a trail clean up resulting in 1,100 lbs. of trash including 26 tires, 4 mattresses and other miscellaneous trash being removed from our trail system. We were even featured in the Newspaper in Milford for this as well. In addition, we organized multiple fundraisers for a 6-year-old girl with cancer, raising over \$3,500 for her family. More recently, I became a part of The Memo Foundation in Milford, we started this foundation after my friend was murdered on Thanksgiving Day in 2018. The Memo Foundation is raising money to improve the skatepark in Milford. Together, we have raised over \$100,000 to improve the skatepark. With that being said, I enjoy making a difference in the community and I would like to be a part of making a difference in our small town of Temple. Not only do I want to make a positive impact on our community, but I also have a small child that who is now old enough to begin enjoying the events provided by the commission.

Thank you for your consideration,

Sincerely,

Elicia Gettings
