

## The Renewable Energy Task Force

Will Meet on Monday, November 23 at 7 PM via Zoom

### The Agenda:

1. Approve the minutes of the October meeting.
2. Review the design of a 25 KW solar array which could provide sufficient electricity to cover the needs of all of Temple's municipal buildings.
3. Discuss the next steps for the solar array, including which solar installers to invite back to Temple to get their price estimates for potentially installing the designed array.
4. Report from the Clean Energy NH Webinar on Wednesday, 11/18.
5. Discuss the progress of the CENH group which will become the organization created to assist towns in their establishment of Community Power Plans.
