

The Renewable Energy Task Force Will Meet on December 15, 2021
at 7 PM at Town Hall

The Agenda:

1. Rob Wills will report on his submission of a work order from the town to Eversource which will provide us with cost estimates for options regarding which method of connecting a solar installation to the necessary transformer near the school ballfield.
2. Tom Whitcomb will present the setup he created for a google drive space for our taskforce to start organizing files around funding, design, etc.
3. Tom and Rob will report on what they learned about possible funding sources for a municipal solar installation when they attended the Community Development Block Grant Workshop on 11/18 put on by the Community Development Finance Authority.
