

The Renewable Energy Task Force
Will Meet on January 19 at 7 PM at Town Hall

The Agenda:

Rob will report on his outreach with the town office to submit the
Eversource work order.

Deb will report on her outreach to Bill Ezell to get guiding materials
on the steps we need to take to get town approvals for our proposals

Tom will report on his outreach to Carole Singelais for information
on best practices for creating a shared work space for committee working documents/files

Bev will report on her writing of the Task Force submission for the
Annual Report

The meeting will then focus on our plans for 2022.
