

## Approved Minutes from the Aug. 16, 2023 Meeting of the Renewable Energy Task Force

The meeting was called to order by Rob Wills at 7:08 PM.

Attendees were Rob Wills, Bev Edwards (remotely) and Deb Deleso.

Bev reviewed the minutes from the committee's July meeting. It was followed by their unanimous approval.

Rob opened a discussion regarding our next steps and the draft RFP for the potential solar installation to cover the electricity needs of Temple's municipal buildings. Next steps are to send the RFP out for response to:

- o Revision Energy
- o South Pack Solar
- o Green Energy Options

Bev volunteered to send the draft RFP proposal to the 3 companies. We may send it to more later, but this is a first step.

Rob agreed to send the pdf version of the draft proposal in electronic form to our committee to use.

Deb moved to adjourn the meeting. Rob seconded her motion. There was unanimous approval.

The meeting was adjourned at 8:07 PM

Respectfully submitted,

Bev Edwards
