

Approved Meeting Notes from the June 21 Meeting of the Renewable Energy Task Force

The meeting was called to order at 7:10 PM

In attendance were Chairman, Rob Wills, Deb DeIseo, Thomas Whitcomb and Bev Edwards (by phone)

Rob, Deb and Tom reported on their site visit of the town-owned land behind the Rte. 45 ball field near TES, the preferred site for a potential municipal solar array.

Rob reported on his communications with Eversource regarding technology and the transmission costs for a possible solar array at the selected site.

A discussion took place regarding our next steps and the process for the Task Force going forward.

A brief discussion addressed the subject of visiting other town committee meetings to share what the Task Force has been doing and our plans. It was agreed that a “one-pager” and a short “elevator speech” would be beneficial for that.

The meeting was adjourned at 8:40 PM.

Respectfully submitted
Bev Edwards
