Barn Easement Hearing - Perry

Select Board members present: George Willard, Bill Ezell, and Ken Caisse

Other Attendees: Kent Perry

Ezell opened the Perry Barn easement hearing at 6:05.

Ezell noted this was a public hearing to determine if the Perry barn is eligible for the discretionary easement according to NHRSA 79-D.

Ezell noted that the Avitar recommendation appears to indicate the barn does meet all the requirements.

Perry asked the board for the full value to be approved. Caisse noted the full value would be 75%. Ezell noted he should get 50% which is the same as approved for 2 other requests. Willard noted this will be in affect for 10 years. Caisse added they will need to reapply after 10 years or it will be removed. Ezell and Caisse noted the Avitar system does have a tracking method now that will remind us in 10 Years.

Caisse moved to approve the easement at 50% assessment on the Perry barn. Willard seconded the motion, all were in favor, motion passed.
