Update on Select Board Meeting

The Select Board reviewed and approved the Survey Report, the Bond Counsel Engagement Contract, and the RFI.

The sub-committee voted to approve the RFI contact list.

Update on SWRPC Monadnock Broadband Meeting

- Legislative update – 3 bills are being fast tracked. Jeanne Dietsch believes there is bipartisan support. Vote is expected this week. The Monadnock Broadband Group sent a letter of support for the bills.
- AT&T presented about a possible wireless build-out, however the area covered is further west and does not include Temple or neighboring towns.
- Carol Miller recommends that any homeowners who are considering conduit, this is a good time of year to dig.
- Mission Broadband is working with the state for a survey on broadband access. Residents are encouraged to fill this out through this [link](#).

The meeting was adjourned at 8:02 pm.

Upcoming Meetings:

- June 16th 7 PM TCPC All Committee Meeting
- Right-to-Know Workshop June 24th or July 8th
