

Town Land Use Committee
January 9, 2023
Minutes

Present: Chairman Tim Fiske, Christine Robidoux, Lilliane LeBel, Gail Cromwell, George Willard, Scott Hecker

Absent: Allan Pickman, Kathy Boot

Guest: Connie Kieley

The Chairman called the meeting to order at 5:33 pm.

The Minutes of the meeting of December 19 were approved as written.

The proposed flyer focusing on safety developed by Lilliane and Connie was discussed at length with general approval. Lilliane and Connie have done a lot of work getting it ready. It is to go out approximately January 19. A photo is still needed

The second flyer focusing on the Highway Department needs will go out February 2. The Forum remains scheduled for February 23 at 7 p.m.

The draft Summary was reviewed with a few changes recommended. At Tim's suggestion, Allan Pickman prepared a revised building sketch showing the location of the tractor and various implements inside the building. That will be included. The plan for using the Summary was discussed. Copies could be prepared and put in selected locations for people to pick up prior to the Forum. Christine offered to put it on a power point to use at the Forum as well. It was decided to hold off on doing anything with it right now. It may still be improved.

It was suggested that Kent Perry needs to know all the plans so that he will be favorably disposed. Tim said he would work on that.

Gail advised that she asked permission to send the proposed warrant article to the town attorney for review. Bill Ezell sent it in so we should get an opinion on that.

George told the committee that Paul Quinn would like to join us. Everyone thought that was a great idea and the select board should be asked to appoint him. Tim suggested that Connie should also rejoin the committee. She was with it from the beginning and then took a leave. So both of these names should be presented to the select board.

Next meeting: January 23, 2023, 5:30 pm in the Annex. The meeting adjourned at 6:25 pm.

Respectfully submitted,
Gail Cromwell
